U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number
70907-23

Date of Issuance
FEB 9 2004

Term of Issuance
Conditional

Name of Pesticide Product
GHARDA Permethrin Technical

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Gharda USA, Inc.
660 Newtown-Yardley Rd., Suite 106
Newtown, PA 18940

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A), provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of you product under FIFRA section 4.
2. **Make the following labeling changes:**
 - a) Revise the EPA Registration Number to read "EPA Reg. No. 70907-23"
 - b) Under Indoors qualify the greenhouse site as non-food only i.e. "Greenhouses (non-food/feed crops)".
 - c) On page three delete the section "Greenhouse (Commercial food Crop). This is in conflict with the prohibition not to use in greenhouses where crops for food or feed are grown.
 - d) Under "Terrestrial Food Crop" delete cotton. This crop is not supported under reregistration and has been deleted from permethrin tech labels several years ago. Also under this same section qualify leafy vegetables to exclude Brassica i.e., "leafy vegetables (Except Brassica)" and range grasses for New Mexico only, i.e. "Range grasses (NM Only)".

Signature of Approving Official:

Date:

George T. LaRocca, Product Manager (13), IB/RD (7505C)

- 3. As indicated in comment 6 b. and c. of our December 17, 2003 letter data are to be submitted within one year of registration for:
 - a. Stability of metal, metal ions at normal temperatures.
 - b. One year storage stability and corrosion characteristics.

- 4. Please submit two (2) copies of your final printed label for before your release the product for shipment. Please refer to the A-79 enclosure for a further description of final printed labeling. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

If you have any questions regarding this action, please contact BeWanda Alexander of my team at (703) 305-7460.

Sincerely,

George T. LaRocca
Product Manager (13)

with COMMENTS
In EPA Letter Dated

FEB 9 2004

Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under EPA Reg. No.

70907-23

Net Contents: 200kgs (440 lbs)

Environmental Hazards

This product is extremely toxic to fish and other aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other bodies of waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not contaminate water when disposing of equipment washwaters. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or the Regional Office of the Environmental Protection Agency.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Formulators using this product are responsible for obtaining EPA registration for their formulated product, which may be labeled for the use patterns as found listed on this label.

Note: Not for use to formulate products to be used:

- In warehouse where raw or cured tobacco is stored.
- In warehouse while raw agricultural commodities for food or feed are stored.
- In greenhouses where crops for food or feed are grown.
- In federally inspected meat and egg processing plants.

This product may only be used for formulation of Insecticide/Termiticide products intended for the following uses:

Indoors: Wood and wood structure protection (against termites, beetles, etc.) and general insect pest control in buildings, structures, transports and their immediate surroundings, including but not limited to: agricultural premises (barns, poultry houses), industrial and commercial buildings, houses, apartment buildings, laboratories, buses, greenhouses and the non-food/feed areas of stores, warehouses, vessels, railcars, trucks, trailers, aircraft, schools, nursing homes, hospitals (non-patient areas), restaurants, hotels, food manufacturing, processing and servicing establishments, and, plantscapes in interior gardens.

Terrestrial Outdoor (Non-Food) Uses: Nursery (field and container grown) ornamentals including non-bearing fruit and nut trees grown for ornamental purpose, conifers (including Christmas trees, pine seed orchards), and, insecticidal use on ornamental trees, shrubs, vines, ground covers, lawn (including grass seed production), turf grass grown around industrial and commercial buildings, private homes, duplexes, townhouses, condominiums, house trailers, apartment complexes, carports, garages, sport fields and complexes, golf courses, tennis courts, fence lines, storage sheds, barns, and their structures (fences, posts, slabs, crawlspaces, foundations, porches, window frames, eaves, patios, garages) and refuse dumps.

Terrestrial Food Crop: Alfalfa, almond, amaranth (Chinese), apple, artichoke, asparagus, avocado, broccoli, broccoli (Chinese), brussels sprouts, cabbage,

cauliflower, celery, chard (Swiss), cherries, chervil, chrysanthemum (garland), cole crops, collards, corn (field/sweet/pop), cotton, cress (garden/upland/water), cucurbits, dandelions, dock (sorrel), eggplant, endive (escarole), fennel, filbert (hazelnut), garden purslane, garlic, horseradish, kiwi fruit, leafy vegetables, lettuce (head/leaf), melons (incl. cantaloupe), mushrooms, onion, okra, papaya, parsley, peach, pear, peppers (bell/sweet), pistachio, potato, pumpkin, range grasses, rhubarb, roquette (arrugula), soybeans, spinach, spinach (New Zealand), squash (Winter), tomato, turnip, walnut, winter purslane.

Greenhouse (Commercial Food Crop): Annual and perennial vegetables (leaf/stem/root/seed) including fruiting vegetables, herbs, spices and mushrooms.

Greenhouse (Commercial Non-Food Crop): Indoor and outdoor (shade house) grown floral and foliage plants.

Domestic Indoor/Outdoor (Non-commercial Homeowner): Yards, lawns, turf, domestic ornamental plantings (trees, shrubs, flowers), ornamental fruit and nut trees around residential sites, porches, patios, foundations, steps, eaves, buildings (for termites, beetles, ticks, including ticks which may carry Lyme disease and Rocky Mountain Spotted Fever, and directed pest control for ants, cockroaches, spiders and other nuisance insect pests).

Non-Crop: Non-food producing areas such as, farmyards, fuel storage areas, fence rows, rights-of-way (highway, railroad, utility), airports, recreation areas (fair grounds, race tracks, golf courses, tennis courts, fence rows, hedgerows, non-agricultural areas for public health treatments, and directed pest control to pests (beehives, bee nests, ant mounds, termite hills/nests).

Pets and Domestic Farm Animals (including their man-made habitats): Cattle, horses, swine, poultry, dogs, cats, guinea pigs, rodents and lab animals.

Mosquito Control and Abatement Programs:

Fiber Product Protection (including Human articles and materials):

This product may be used to formulate products for specific uses not listed on the Master Product label if the formulator, user group, or grower has complied with U.S. EPA data submission requirements.

The user is solely responsible for determination of suitability of the use of this product for any specific purpose, any manufacturing practice employed, and adoption of such safety precautions as may be necessary.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

Storage: Keep pesticide in original container. Store in cool, dry place. Protect from excessive heat. Do not contaminate food or foodstuffs. Do not store or transport near feed or food.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of at an approved waste disposal facility.

Container Disposal:

Metal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.

Fiber Drums with Liners: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Then dispose of liner in a sanitary landfill, or by incineration, if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

**FOR CHEMICAL EMERGENCY: Spill, leak, fire, exposure, or accident, call
CHEMTREC 1-800-424-9300**

Notice of Warranty and Disclaimer: Seller warrants that at the time of delivery the product in this container conforms to its chemical description contained hereon and is reasonably fit for its intended purpose only when used in accordance with proper manufacturing practices and procedures and under normal conditions of use. This is the only warranty made on this product. Seller expressly disclaims any implied warranties of merchantability or fitness for any purpose and, except as set forth above, any other express or implied warranties. Any damages arising from breach of warranty or negligence shall be limited to direct damages not exceeding the purchase price paid for this product by Buyer, and shall not include incidental or consequential damages such as, but not limited to, loss of profits or values. It is impossible to eliminate all risks inherently associated with the use of this product. Unintended consequences may result because of such factors as the presence of foreign materials, or the manner in which end-use products are formulated, all of which are beyond the control of Seller. In no case shall Seller be liable for the consequential, special or indirect damages resulting from the use or handling of this product. The Buyer shall assume all such risks. Buyer acknowledges the use of its own independent skill and expertise in the selection and use of the product and does not rely on any oral or written statements or representations.
