U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401

"M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
70927-1

Date of Issuance:
MAY 15 1998

Term of Issuance: Conditional

Name of Pesticide Product:
X-Static

NOTICE OF PESTICIDE:

- Registration
- Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Noble Medical Technologies, Inc.
300 Palm Street
P.O. Box 3807
Scranton, PA. 18505

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label change:
 - a. In the second paragraph under the "Directions for Use", delete: "which would lead to unpleasant odors and discoloration of the treated article."
 - b. Revise the Registration No. to read, "EPA Reg. No. 70927-1."

A stamped copy of the label is enclosed for your records.

X-Static™ is an antimicrobial silver coated nylon fiber for commercial and industrial use. X-Static™ is effective in inhibiting the growth of bacteria and fungus in products. X-Static™ is composed of:

Active Ingredient:	
Silver	17%
Inert Ingredient:	83%
Total Ingredients:	100%

This product contains _____ LBS. of X-Static.™

Caution
KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals

Caution

Harmful if swallowed or inhaled. Avoid breathing fibers. Avoid contact with skin or eyes. In case of contact immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

Environmental Hazards

This pesticide is toxic to fish and aquatic invertebrates. Do not use in facilities discharging directly or indirectly to estuarine or marine environments. Do not discharge into lakes, streams, ponds, or public waters unless in accordance with the requirements of a National Pollution Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

Pesticide Disposal

The pesticide wastes are toxic. Improper disposal of excess pesticide, is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, or recovery of metals, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

Container Disposal

Completely empty bag into application equipment. Then dispose of empty bag into a sanitary landfill or incineration, or, if allowed State and local authorities, by burning. If burnt stay out of smoke.

X-Static™ Silver Coated Nylon Fiber

Directions for Use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling

Blending and Formulating Instructions for the Listed Materials

X-Static™ is a continuous silver nylon fiber. The percentage of X-Static™ fiber and its location on the product will depend on the specific needs of the manufacturer, the design and product matrix, the level and type of performance needed and the method of manufacture.

Products containing X-Static™ may not make claims of antimicrobial activity other than protection of the article itself against bacteria growth and mold in the treated article ~~which would lead to unpleasant odors and discoloration of the treated article.~~

Application

MIC

Textile Manufacturing

3-20%

(X-Static™ independent testing is **always required** to validate matrix efficacy. Applications included are: outerwear apparel, coats, jackets, caps, t-shirts, socks, sheets, pillowcases.

Statement of Warranty and Disclaimer:

Seller warrants that the product conforms to the chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the directions under normal conditions of use. Neither this warranty nor any other warranty of merchantability nor fitness for a particular purpose expressed or implied extends to the use of this product contrary to labeling instructions or under abnormal conditions, or under conditions not reasonably foreseeable to seller and buyer assumes the risk of any such use. It is further suggested that the customer complete independent testing of the finished product to validate antimicrobial claims. Any damages arising from a breach of this warranty shall be limited to direct damages and shall not include consequential commercial damages such as loss of profits or values or any other special or indirect damages.
