**RE: Submission of Label Notification Per PR Notice 98-10 for X-Static-XF®, EPA
Registration No. 70927-2**

Dear Mr. Swindell:

On behalf of Noble Fiber Technologies, LLC (300 Palm Street Scranton, PA 18505, EPA Company # 70927), Exponent is submitting a notification to revise statements on the X-Static-XF® label (EPA Registration #70927-2) per PR Notice 98-10. The following items are enclosed in support of this notification:

- EPA 8570-1 Form; and
- Three copies of the label (One highlighted).

The statement "Manufactured By" has been removed from the label and the registered symbol "®" has been moved to after "X-Static" in the product name. Also the label reflects a change in the company name to "Noble Fiber Technologies, LLC". As discussed via telephone, we are changing the Spanish language signal word, which was incorrect. For the Agency's convenience the changes have been highlighted on the first copy of the attached label.

This notification is consistent with provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

If you have any questions, please contact me via telephone at (202) 772-4916 or via email at cdaniels@exponent.com.
