71012-1

Date of Issuance:

JUN 13 2001

Term of Issuance:

Conditional

Name of Pesticide Product:

ASTEX Active Dust Mite Control

NOTICE OF PESTICIDE:  
 Registration  
 Reregistration

Under FIFRA, as amended:

Name and Address of Registrant (include ZIP code):

PROTEC Heath International, Ltd.  
5 Priory Court  
Poulton, Cireneaster  
Glos., UK GL7 5JE

Note: Changes in labeling affecting in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

In the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as a consent or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a pesticide under this Act is not to be construed as giving the registrant a right to exclusive use of the name or its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) since you have agreed to our conditions in our letter of May 23, 2001.

1. Make the labeling changes listed below before you release the product for shipment:

a. Under Directions for Use item 1 change "covers" to "liner".

Signature of Approving Official:

Date:

page 2  
EPA Reg. No. 71012-1

2. Submit two (2) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Enclosure

## BACK OUTSIDE PANEL

### House Dust Mites

House dust mite allergens may cause allergies in humans.  
House dust mites in the home live in mattresses.

### Astex Mattress Liners

Special mattress liners manufactured from Astex Impregnated Voile.  
Kills house dust mites in mattresses for up to two (2) years.  
Easy to use.  
Comfortable -- soft, white and completely odourless.  
Impregnated with permethrin.

## DIRECTIONS FOR USE

**It Is a Violation of Federal Law to Use  
This Product in a Manner Inconsistent With Its Labeling.**

### IMPORTANT

**Do Not Use This Product on Bedding (Mattresses) of Children Five (5) Years Old or Under.  
Do Not Lie Directly on Mattress Liner.  
Always Place Mattress Pad and Bottom Sheet Over Mattress Liner Before Use.**

1. Fit the Astex covers over your mattress. Place mattress pad and bottom sheet over mattress liner.
2. After eight (8) weeks remove the Astex liner and vacuum your mattress thoroughly while ventilating the room. For best results, we would recommend using new filters and bag in your machine. If you suffer from dust mite induced allergies, have someone else vacuum your mattress.
3. Re-fit the Astex mattress liner on your mattress immediately to prevent dust mites from returning and then leave the mattress liner undisturbed for two (2) years.
4. Follow the above directions for reapplying new mattress liner.
