Secundrabad, 500380, India  
c/o Technology Sciences Group, Inc.  
1101 17<sup>th</sup> street NW, Suite 500  
Washington, D.C. 20036

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5) subject to the comments listed below:

1. Make the following label changes:
  - a. Add the phrase "EPA Registration Number 71038-3" to your label before you release the product for shipment.
  - b. Delete "plant parasitic fungi" from page two of the label.
  - c. Add actual net contents to the front panel.

(continued on page 2)

Notice of Registration; EPA Registration Number 71038-3

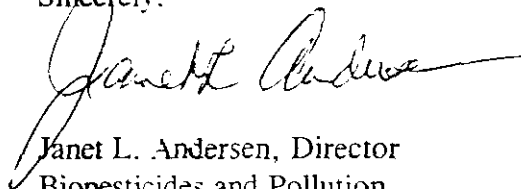

2. Submit five copies of the final printed labeling before you release this product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Unconditional registration does **not eliminate** the need for continual reassessment of a pesticide. If EPA determines, at any time, that additional data are required to maintain in effect, an existing registration, the Agency will require submission of such data under Section 3(c)(2)(B) of FIFRA.

A stamped copy of the label is enclosed for your records.

Sincerely,

Janet L. Andersen, Director  
Biopesticides and Pollution  
Prevention Division (7511C)

## DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

## CONCENTRATE FOR MANUFACTURING USE ONLY

FORTUNE AZA TECHNICAL must only be used to manufacture end use products for the control of insects, plant parasitic nematodes, ~~and plant parasitic fungi~~ for use on turfgrass, outdoor shrubs, trees, ornamentals, in greenhouses, shadehouses, interiorscapes, nurseries, and mushroom houses, on agricultural food and non-food crops, and for home and garden use. Manufacturers of end use products should determine the appropriate concentrations and use rates to achieve labeled claims.

## STORAGE AND DISPOSAL

**GENERAL:** Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Do not store this product above 100 degrees F or below 20 degrees F for extended periods of time. Keep containers tightly closed and in original containers when not in use.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then, dispose of liner in a sanitary landfill or by incineration if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

**LIMITED WARRANTY:** By using this product, the user accepts the following:

FORTUNE BIOTECH LIMITED warrants that (a) this product conforms to the chemical description on its label; (b) this product is reasonably fit for the purposes stated on its label, subject to the inherent risks referred to herein, when used in accordance with its directions; and (c) that the directions, cautions and other statements on this label are based upon responsible experts' evaluations of reasonable tests of effectiveness, of toxicity to laboratory animals and plants, and upon reports of field experience. There are no express warranties other than those set forth herein.

FORTUNE BIOTECH LIMITED neither makes nor intends, nor does it authorize any agent or representative to make any other warranty, express or implied. FORTUNE BIOTECH
