Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby reregistered under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA).

Registration is in no way to be construed as an endorsement or approval of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec.3(c)(5) when the Agency requires all registrants of similar products to submit such data,; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the changes to the labeling that are listed below before you release the product for shipment:

- b. In the Personal Protective Equipment Section add (PPE) after the heading.
- c. In the Storage and Disposal section, the subheading "Storage" should read "Pesticide Storage." Move the statement "Do not contaminate water, food, or feed by... Keep pesticide...container, directly after heading Storage and Disposal.
- d. The "WARRANTY and DISCLAIMER" section contains an overly broad statement concerning immunity from liability, as well as a purported buyer agreement to assume risk. The Agency considers that these statements may be misleading, and may constitute misbranding under the Federal Insecticide, Fungicide, and Rodenticide Act. The company therefore, might want to consider qualifying this portion of this section by adding a leading qualifier, such as "To the extent allowable under State law..."

3. Series Subgroup B (Physical/Chemical Properties) data were acceptable and satisfy requirements of 40CFR 158.190 except for Storage Stability (Guideline 830.6317) and Corrosion Characteristics (Guideline 830.6320) which are required for an end-use product and must be provided upon their completion.

4. You will submit the data listed below, conducted in accordance with the 40 CFR Part 158 test guidelines referred to below:
