AND TOXIC SUBSTANCES

Mr. Wayne Thome
Manager of Environmental Affairs
Zinsser Company, Inc.
173 Belmont Drive
Somerset, New Jersey 08875

Subject: **Jomax Mold & Mildew Remover Concentrate**
EPA Registration Number 71240-1
Application Dated December 2, 2002

Dear Mr. Thome:

The following amendments, submitted in connection with registration under section of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, are acceptable with comments.

Proposed Amendments

- Amendment to directions for use
- Revised First Aid statement to comply with PR Notice 2001-1

Label Comments

Revise direction #2 for use to read: *Add an EPA registered bleach product*, or you may add an asterisk to bleach in the chart and a foot note that reads "Use an EPA registered bleach product".

General Comments

A stamped copy of the accepted labeling is enclosed. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any question concerning this letter, please contact me at (703) 308-6422 or Renae Whitaker at (703) 308-7003.

Sincerely,

A handwritten signature in black ink, appearing to read "Adam Heyward", written over a horizontal line.

JOMAX® Kills Mildew Fast

Use for outdoor cleaning or pre-paint mildew removal.

JOMAX is a patented concentrate containing a mildewcide, ChloroRelease bleach activator and detergents. JOMAX kills mold and mildew and removes dirt and stains on most exterior, painted, non-porous surfaces such as aluminum, vinyl and wood siding and trim, stained or painted decks and fences, stucco, brick and painted concrete or cement block. JOMAX is not recommended for indoor use.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Follow mixing chart to produce the desired quantity of cleaning solution.

Water	+ Bleach	+ JOMAX	= Cleaning Solution
3 1/4 quarts	2 1/4 cups	3/4 cups	1 gallon
6 1/2 quarts	4 1/2 cups	1 1/2 cups	2 gallons
4 gallons	3 quarts	1 quart	5 gallons

1. Pour water into a tank-type garden sprayer or plastic pail.
2. Add bleach.
3. Shake JOMAX concentrate thoroughly.
4. Add JOMAX, then stir solution thoroughly.

APPLICATION: Test a small area before using. Apply with a tank-type garden sprayer, airless or chemical sprayer. Spray surfaces liberally. Wait 5 minutes and rinse well. Heavy mildew stains may need a second application. Textured surfaces may require light scrubbing. Spray sensitive plants with water before and after JOMAX application. This container makes 25 gallons of solution - enough to clean and treat a 5,000 square ft, two story home and more. Clean sprayer with water and baking soda or a non-ammonia cleaner.

IMPORTANT: Always follow manufacturer's precautions when using bleach. Use immediately after mixing. Cleaning solution life is 3 hours. Do not allow solution to contact fabrics. Mixture may be applied in areas adjacent to plants, shrubs and trees.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION. Harmful if swallowed. Avoid contact with skin, eyes or clothing. Avoid breathing vapors or spray mist. Protective goggles and gloves or equivalent should be worn. Do not use in confined areas without proper ventilation. Avoid application during windy conditions.

FIRST AID

If Swallowed:

- Call a poison control center immediately for treatment advice.
- Have a person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If on skin or clothing:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center for treatment advice.

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

In case of emergency, call CHEMTREC at 1-800-424-9300. Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment wash waters. For guidance, contact your state water board or EPA regional office.

STORAGE AND DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash. Do not reuse container.

WARRANTY: This product will perform as claimed if directions are followed. Directions are as complete as possible but cannot encompass all conditions, applications, techniques, and/or surfaces which are beyond our control. If you have a question check with your dealer or contact ZINSSER Co., Inc. Somerset, NJ. Warranty is limited to replacement or refunded value of product actually used if such product proves defective within two years of manufacture. No other warranty is expressed or implied.
