Somerset, NJ 08875

Subject: **Jomax Mold and Mildew Remover Concentrate**
EPA Registration No. 71240-1
Your Application Dated July 18, 2003

Dear Mr. Paltz:

The following amendments, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, are acceptable with comments.

Proposed Amendment:

- Amendment to Storage and Disposal
- Revised labeling to use with 55 gallon drum
- Revised Environmental Hazards section

General Comments:

Labeling:

1. Under the Direction for Use delete "Jomax is not recommended for indoor use" and replace with "For outdoor use."
2. Revise Handling Precautions to read: "Precautionary Statement".
3. Remove the **Keep Out of Reach of Children** statement from the precautionary statement and place below the Ingredient Statement.

JOMAX®

HOUSE CLEANER and MILDEW KILLER

Mold

Active Ingredients

O-Phenylphenol, Sodium salt.....0.25%
Inert Ingredients99.75%
Total.....100%

E.P.A. Reg. No. 71240-1 * Clorox is a registered trademark of The Clorox Company
E.P.A. Est. No. 71240-NJ-001

Direction For Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. JOMAX® is not recommended for indoor use.

FOR EVERY 5 GALLONS OF CLEANING SOLUTION REQUIRED:

- Pour 4 gallons of water into a tank-type sprayer or plastic pail.
- Add 3 quarts of an EPA registered bleach like Clorox®.
- Add 1 quart of thoroughly shaken JOMAX®, then stir solution thoroughly.

5 gallons of cleaning solution treats approximately 1,000 square feet.

Application:

Test a small area before using. Apply with a tank-type garden sprayer, airless or chemical sprayer. Spray surfaces liberally. Wait 5 minutes and rinse well. Heavy mildew stains may need a second application. Textured surfaces may require light scrubbing. Spray sensitive plants with water before & after JOMAX® application. Clean sprayer with water and baking soda or a non-ammonia cleaner...

IMPORTANT: Always follow manufacturer's precautions when using bleach. Use immediately after mixing. Cleaning solution life is 3 hours. Do not allow solution to contact fabrics. Mixture may be applied in areas adjacent to plants, shrubs and trees.

Handling Precautions:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION:

Harmful if swallowed. Avoid contact with skin, eyes or clothing. Avoid breathing vapors or spray mist. Protective goggles and gloves or equivalent should be worn. Do not use in confined areas without proper ventilation. Avoid application during windy conditions. **KEEP OUT OF THE REACH OF CHILDREN.**

First Aid Information:

If swallowed:

- Call a poison control center immediately for treatment advice.
- Have a person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If on skin or clothing:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call Poison Control Center for treatment advice.

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.

- Remove contact lenses immediately, if worn, and continue to rinse for 15-20 minutes, then continue to rinse.
- Call a Poison Control Center for treatment advice.

In case of emergency, call 1-800-4-A-PART. Have the product container and label available when you call. Call your local Poison Control Center or the National Poison Control Center.

Environmental Hazard

This product is toxic to fish and aquatic life. Do not contaminate waterways, lakes, streams, ponds, or other bodies of water. Do not discharge into the environment. Discharge Elimination System (DES) is required. Discharge Elimination System (DES) authority has been notified. Do not discharge effluent without previously notifying the authority. For guidance contact the Regional Office of the EPA.

Storage and Disposal

Do not contaminate waterways, lakes, streams, ponds, or other bodies of water. **Pesticide Storage:** Store container closed and away from extreme temperatures. **Pesticide Disposal:** This product may be disposed of at a designated disposal facility. **Container Disposal:** Transfer to a recycling or reconditioning facility, or incineration, or burning, by authorized authorities, by burning.

55 US GALLONS (208.2 Liters)
