E.P.A. Reg. No. 71240-1	
E.P.A. Est. No. 71240-NJ-001	

KEEP OUT OF THE REACH OF CHILDREN.

Direction For Use:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For outdoor use.

FOR EVERY 5 GALLONS OF CLEANING SOLUTION REQUIRED:

- Pour 4 gallons of water into a tank-type sprayer or plastic pail.
- Add 3 quarts of an EPA registered bleach like Clorox*.
- Add 1 quart of thoroughly shaken JOMAX[®], then stir solution thoroughly.
- 5 gallons of cleaning solution treats approximately 1,000 square feet. * Clorev is a registered to

* Clorox is a registered trademark of The Clorox Company

Application:

DEC 17 2003

Under the Federal Insectional Fungicide, Hedenheide, Act as unsecod, for the pesitores registered under EPA Reg. No. 7/246-1

Test a small area before using. Apply with a tank-type garden sprayer, airless or chemical sprayer. Spray surfaces liberally. Wait 5 minutes and rinse well. Heavy mildew stains may need a second application. Textured surfaces may require light scrubbing. Spray sensitive plants with water before & after JOMAX[®] application. Clean sprayer with water and baking soda or a non-ammonia cleaner. **IMPORTANT:** Always follow manufacturer's precautions when using bleach. Use immediately after mixing. Cleaning solution life is 3 hours. Do not allow solution to contact fabrics. Mixture may be applied in areas adjacent to plants, shrubs and trees.

Precautionary Statements:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION:

Harmful if swallowed. Avoid contact with skin, eyes or clothing. Avoid breathing vapors or spray mist. Protective goggles and gloves or equivalent should be worn. Do not use in confined areas without proper ventilation. Avoid application during windy conditions.

First Aid Information:

If swallowed:

- Call a poison control center immediately for treatment advice.
- Have a person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If on skin or clothing:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call Poison Control Center for treatment advice.

If in eyes:

• Hold eye open and rinse slowly and gently with water for 15-20 minutes.

- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a Poison Control Center or doctor for treatment advice.

In case of emergency, call CHEMTREC at 1-800-424-9300. Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

Environmental Hazard Section

This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment wash waters. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

Storage and Disposal

Do not contaminate water, food, or feed by storage and disposal. **Pesticide Storage:** Store in original, labeled container and keep container closed when not in use. Store in a secure area away from extreme temperatures.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.
