Back Label (LEFT): The following directions, precautionary, and first aid statements will be found on all labels

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Follow mixing chart to produce the desired quantity of cleaning solution.

Water	+ Bleach	+ Jomax ®	= Cleaning Solution
3 ¼ quarts	2 ¼ cups	¼ cup	1 gallon
6 ½ quarts	4 ½ cups	1 ½ cups	2 gallons
4 gallons	3 quarts	1 quart	5 gallons

1. Pour water into a plastic pail or tank-type garden sprayer.
2. Add EPA registered household bleach, like Clorox ®
3. Shake JOMAX ® concentrate thoroughly.
4. Add JOMAX ® then stir solution thoroughly.

APPLICATION INSTRUCTIONS

(Will include the following statements)

- Test a small area before using
- Remove heavy moss growth prior to application
- To reduce the need to walk on the roof, apply JOMAX® using an airless sprayer with a wand extension. A tank garden sprayer can also be used.
- Apply with a tank-type garden sprayer, airless or chemical sprayer.
- Spray (roof) surface(s) liberally
- Caution - treated surfaces become slippery. Avoid walking on roof. Work from ladder as much as possible.
- Wait 5 minutes and rinse well.
- (Moss and) Heavy mildew stains (may/often) require a second application.
- Textured surfaces may require light scrubbing.
- Spray sensitive ground plants with water before and after (JOMAX) application.
- This container makes 20 gallons of solution- enough to treat a 4,000 square foot home and more.
- This container makes 25 gallons of solution- enough to clean and treat a 5,000 square foot home and more.
- This container makes 5 gallons of solution -- enough to clean and treat a 1,000 square feet.
- Clean sprayer with water and baking soda or a non-ammonia cleaner.
- NOTE: JOMAX will not remove water run-off stains caused by metallic flashing or gutters.
- IMPORTANT: Always follow manufacturer's precautions when using bleach. Use immediately after mixing. Cleaning solution life is 3 hours Do not allow solution to contact fabrics. Mixture may be applied in areas adjacent to plants and trees.

Back Label (RIGHT)

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Harmful if swallowed. Avoid contact with skin, eyes, or clothing. Avoid breathing vapors or spray mist. Protective goggles and gloves or equivalent should be worn. Do not use in confined areas without proper ventilation. Avoid application during windy conditions.

FIRST AID
If Swallowed:

- Call a Poison Control Center or doctor immediately for treatment advice.
- Have a person sip a glass of water if able to swallow
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If on skin or clothing:

- Take off contaminated clothing
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center for treatment advice.

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

In case of emergency, call CHEMTREC at 1-800-424-9300. Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment wash waters. For guidance, contact your state water board of EPA regional office.

STORAGE AND DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash. Do not reuse container.

LIMITED WARRANTY: This product will perform as claimed when used according to label directions. Directions are as complete as possible but cannot encompass all conditions, applications, and/or surfaces beyond manufacturer's control. The contents are warranted to be free of defects for two years from date of manufacture, all warranties and guarantees are limited to replacement or refunded value of product actually
