U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (7505T) 1200 Pennsylvania Ave., N.W. Washington, D.C. 20460	EPA Reg. Number: 71297-20	Date of Issuance: 7/19/22	
NOTICE OF PESTICIDE: <u>X</u> Registration (under FIFRA, as amended)	Term of Issuance: Unconditional Name of Pesticide Product: AC20050		
Name and Address of Registrant (include ZIP Code): Marcia Guedes Paranhos AgroFresh Inc. 3 Spring House Innovation Park Suite 100 Lower Gwynedd, PA 19002			
<b>Note:</b> Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.			
On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others. This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you: 1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.

EPA Form 8570-6

- 2. Make the following label changes before you release the product for shipment:
  - Revise the EPA Registration Number to read, "EPA Reg. No. 71297-20."
- 3. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

The record for this product currently contains the following CSF(s):

• Basic CSF dated 07/12/2022

#### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS DANGER.

Corrosive. Causes irreversible eye damage. Due to corrosive nature, may be harmful or fatal if swallowed. Do not get in eyes or on clothing. Wear goggles, face shield, or safety glasses. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Wear long-sleeved shirt and long pants, socks, and shoes.

# PHYSICAL OR CHEMICAL HAZARDS

Do not mix or allow to come in contact with any oxidizing agent. Hazardous chemical reaction may occur.

## ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

## **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. It is the responsibility of formulators using this product to register all pesticidal formulations made from it with the EPA. Before using this product, be sure to consult the technical literature available from the manufacturer.

Only for formulation into a plant growth regulator used for reduction of scald:

1. For the following Terrestrial Food Crop use as a Post-Harvest treatment:

- Apple in storage.

- Post-harvest use on apples to reduce scald.

2. Uses for which the US EPA has accepted the required data and or citations of data that the formulator has submitted in support of registration.

3. Uses for experimental purposes that are in compliance with the US EPA requirements.

Products formulated from this product will require registration with the US Environmental Protection Agency.

# STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

The product may not be stored in a Low-Density Polyethylene (LDPE) container as significant weight loss was observed.

**Pesticide Storage:** Store in original packaging in a cool, dry place.

**Pesticide Disposal:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or

Environmental. Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**Container Handling** : Nonrefillable fiber containers with liners High Density Polyethylene (HDPE) . Follow the specific instructions for drum and liner below.

Drum instructions: Do not reuse or refill this container. Offer for recycling, if available .

[Containers equal to or less than 50 pounds]: Nonrefillable container. Do not reuse or refill this container. Triple Rinse as follows: Empty the remaining contents into formulation equipment or a mix tank. Fill the container 1/4 full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Then offer for recycling, if available or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.

[Containers greater than 50 pounds]: Nonrefillable container. Do not reuse or refill this container. Triple Rinse as follows: Empty the remaining contents into formulation equipment or a mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into formulation equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times.

<u>Liner instructions</u>: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into formulation equipment then offer for recycling if available or dispose of in a sanitary landfill or by incineration. Do not burn, unless allowed by state and local authorities.

If drum is contaminated and cannot be reused, dispose of it in the manner required for its liner.

Do not transport if container is damaged or leaking. If the container is damaged, leaking, or obsolete, or in the event of a major spill, fire or other emergency, contact your AgroFresh representative.
