Re: SweetWater Purifier Solution
EPA Registration No. 71326-2
Notification of Additional Brand Name

Dear Wanda Mitchell,

I am sorry about the incomplete notification for the alternate brand name: SweetWater Purifier System. I am still learning the registration requirements. Hopefully, it is complete this time. I have included copies of letters from you and Emily for your reference. Also, I would like to request a copy of the stamped accepted labeling from the primary brand name change notification for the SweetWater Purifier Solution. I did not receive a copy with the letter from Emily. Some of the States are requiring that I submit these stamped labels. Thank you so much.

Sincerely,

A handwritten signature in black ink, appearing to read "Lisa Lange", with a long horizontal flourish extending to the right.
