Gainesville, VA 20156

Subject: Sinesto B
EPA Registration No.: 71406-3
Amendment Date: April 27, 2010
EPA Receipt Date: April 27, 2010

Dear Dr. Kelley,

The following amendment submitted in connection with registration under FIFRA, as amended, is acceptable with conditions listed below.

- Update Container Disposal Statements per PR Notice 2007-4

Conditions

Revise the label as follows:

1.) According to PR Notice 83-3 and Label Review Manual, every product label must have "pesticide storage" instructions that inform the user how to store the product after use. Therefore, add the following to the "Storage and Disposal" section after the "Prohibitions:"

Pesticide Storage:

2.) The "Directions for Use" must be brought into compliance with PR Notice 2000-5, Mandatory Labeling, by deleting the terms, "recommended" and "should." Replace should with the term, "must."

General Comments

A stamped accepted label with conditions is enclosed for your records. Submit a copy of your final printed label before distributing or selling the product bearing the revised labeling.

SINESTO® B

Industrial Anti-Sapstain Concentrate

ACTIVE INGREDIENTS [% w/w]:	
Alkyl* trimethylammonium chloride	14.1
(*Alkyl as in fatty acids of coconut oil)	
INERT INGREDIENTS [% w/w]:	85.9
TOTAL [% w/w]:	100.0

Product weight: 9.0 lbs / gal (1.08 kg/l)

KEEP OUT OF REACH OF CHILDREN

DANGER

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

In case of chemical emergency: Call CHEMTREC (1-800-424-9300) day or night for assistance and information concerning spilled material, fire exposure and other chemical accidents.

Have the product container or label with you when calling a poison control center or doctor or going in for treatment. You may also contact 1-800-832-4357 for emergency medical treatment information.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

 Under the Federal Insecticide,
 Fungicide, and Rodenticide Act
 amended for the pesticide,
 71406-3

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

DANGER

Corrosive. Causes irreversible eye damage or skin irritation. Harmful if swallowed or if absorbed through skin or if inhaled.

Do not get in eyes, on skin, or on clothing. Wear chemical goggles, face shield, rubber gloves and impervious clothing when handling. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Avoid breathing spray mist.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA. Do not contaminate water by cleaning of equipment or disposal of waste. Apply this pesticide only as specified on this label.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PROHIBITIONS: Observe handling instructions given to prevent eye damage and skin burns. Do not contaminate water, food or feed by storage or disposal.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER HANDLING: Refillable container. Refill this container with pesticide only. Do not reuse this container for any other purpose. Cleaning the container before final disposal is the responsibility of the person disposing of the container. Cleaning before refilling is the responsibility of the refiller. To clean the container before final disposal, empty the remaining contents from this container into application equipment or mix tank. Fill the container about 10 percent full with water. Agitate vigorously or recirculate water with the pump for 2 minutes. Pour or pump rinsate into application equipment or rinsate collection system. Repeat this rinsing procedure two or more times. Then offer for recycling if available or puncture and dispose of in a sanitary landfill, or

by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

GENERAL: Consult federal, state or local disposal authorities for approved alternative procedures.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Sinesto B is a concentrate of quaternary ammonium salts in water for use only at lumber mills as an anti-sapstain treatment on freshly cut lumber.

Sinesto B will prevent sapstain, mold and mildew stains (blue stain) during storage and transportation of lumber and its use is not intended or expected to extend to the use site. It is suitable for dilution with water and subsequent application on freshly cut lumber. Application of the dilute solution may be by dipping or spraying. The wood should be treated within 24 hours after cutting.

Wear rubber gloves or equivalent protection when handling solution and freshly treated lumber.

Sinesto B should be diluted with between 10 and 30 parts of water, by volume, depending on the severity of the stain problem. Avoid vigorous stirring to minimize foam formation. A board test is recommended in order to define the optimum dilution ratio. The contact time should be at least 30 seconds.

Treated wood should be held for 48 hours after treatment and must be protected against inclement weather. Dip tanks and drip aprons must be roofed, paved (or equivalent) and drained to prevent dilution and loss of the anti-sapstain solution. All equipment relative to the application of the sapstain should be properly maintained.

Treated sawdust and other wood wastes must be disposed of properly.

NOTICE OF WARRANTY AND DISCLAIMER:

The manufacturer warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for the purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as presence of other materials or the manner of use or application, which are beyond the control of the manufacturer. The manufacturer shall not be responsible for losses or damages resulting from use of this product in any manner not set forth on this label. User assumes all risks associated with the use of this product in any manner not specifically set forth on this label. In no case shall the manufacturer be liable for consequential, special, punitive, or indirect damages resulting from the use or handling of this product. All such risks shall be assumed by the Buyer. The manufacturer makes no warranties of merchantability nor fitness for a particular purpose nor any other express or implied warranty except as stated above. Buyer's exclusive remedy and the manufacturer's exclusive liability, whether in contract, tort, negligence, strict liability or otherwise, shall be limited to repayment of the purchase price of Sinesto B.
