PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER

Corrosive, causes severe eye damage. Do not get in eyes, on skin, or on clothing. Wear a mask or pesticide respirator jointly approved by the Mine Safety and Health Administration and the National Institute for Occupational Safety and Health. Wear goggles or face shield, rubber gloves, long-sleeve shirt, and long pants when handling this product. Wash thoroughly with soap and water after handling this product. Remove contaminated clothing and wash before reuse. May be fatal if inhaled. Do not breathe dust. Harmful if swallowed or absorbed through the skin.

NOTE TO USER: This product may produce mild bronchial irritation and temporary irritation of the skin characterized by redness or rash on exposed skin areas. Affected persons should consult a physician.

*

FIRST AID	
IF IN EYES:	<ul style="list-style-type: none"> Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.
IF INHALED:	<ul style="list-style-type: none"> Remove person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a Poison Control Center or doctor for further treatment advice.
IF SWALLOWED:	<ul style="list-style-type: none"> Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.
IF ON SKIN OR CLOTHING:	<ul style="list-style-type: none"> Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a Poison Control Center or doctor for further treatment advice.
HOT LINE NUMBER	
<p>In case of emergency, call Chemtrec toll free at 800-424-9300. Have the product container or label with you when calling a poison control center or doctor or going for treatment.</p>	
<p>NOTE TO PHYSICIAN: Persons having temporary irritation may respond to treatment with antihistamines or steroid creams and/or systemic steroids. Probable mucosal damage may contraindicate the use of gastric lavage.</p>

ENVIRONMENTAL HAZARDS:

This product is toxic to fish and wildlife.

DO NOT discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. DO NOT discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the Environmental Protection Agency.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR FORMULATION PURPOSES ONLY

*

Only for formulation into a fungicide for the following uses: Wood Protection Treatments and Mildewcidal Paint Additives.

This product must not be formulated into products labeled for use on home lawns.

This product must not be formulated into a product intended as a mildewcidal paint additive designed for direct sale to retail customers, e.g. in a "pillow pack" or other small volume or one-use package.

This product may only be formulated into mildewcidal paint additive products that are labeled as follows: "This product may only be added to paint products that are labeled A) with product-specific instructions for the use of a respirator during application, or B) as follows, "When applying with a sprayer, wear a dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21C), or a NIOSH approved respirator with any R, P, or HE filter. If oil is not present in the paint product or recommended for use as an additive in the paint product, add "n" as an additional respirator type".

This product must not be used to formulate products for use as in-container preservatives.

TECHNICAL TUFFGARD is an excellent protective fungicide for control of a broad spectrum of fungal organisms, such as molds and decay fungi, which deface and rot lumber. **Technical Tuffgard** is effective when applied as a protective fungicide against the following surface fungi: *Trichoderma viride*, *Trichoderma harzianum*, *Penicillium expansum*, *Penicillium decumbens*, *Aspergillus flavus*, *Aspergillus niger*, *Auriobasidium pullulans*, *Ceratocystis pilifera*, *Diplodia gossypina*, and *Gliocladium deliquescens*. **Technical Tuffgard** is effective when applied as a protective fungicide against the following wood decaying fungi: *Coniophora puteana* (syn. *Coniophora cerebella*), *Gloeophyllum trabeum* (syn. *Lenzites trabea*), *Irpex lacteus* (syn. *Polyporus tulipiferae*), *Lentinus lepideus*, *Merulius lacrymans* (syn. *Serpula lacrymans*), *Pleurotus ostreatus*, *Poria incrassata*, *Postia placenta* (syn. *Poria monticola*, *Poria placenta*), *Trametes versicolor* (syn. *Coriolus versicolor*, *Polyporus versicolor*).

Information on the composition, methods of use, applicable restrictions or limitations, and effectiveness of this product for pesticide purposes may be obtained from ISK Biocides, Inc.. Determination of efficacy of any formulation prepared with **Technical Tuffgard** is the

responsibility of the formulator. Labeling of pesticide formulations made from this product must conform to Federal label requirements for end-use chlorothalonil products. Each formulator is responsible for obtaining EPA registration for his end-use product.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

STORAGE: This product must be stored in a cool place. Protect from excessive heat.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, pesticide spray or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

**WARRANTY AND
LIMITATION OF DAMAGES**

*

Seller warrants to those persons lawfully acquiring title to this product that at the time of the first sale of this product by seller this product conformed to its chemical description and that it was reasonably fit for the purposes stated on the product label when used both in accordance with the Direction for Use appearing on the product label and under normal conditions of use. Buyers and users of this product assume the risk of all loss or damage from use or handling of this product that results from their failure to read and comply with the Directions for Use of this product which appear on the product label. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY, INCLUDING ANY OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR OF MERCHANTABILITY, AND NO AGENT OF SELLER IS AUTHORIZED TO DO SO. Unless expressly prohibited by state law, the liability of seller for any breach of warranty shall not exceed
