

GENICS INC.

Cobra™ Crush MDT

For industrial use only as a biocide (fungicide / preservative) additive in the manufacturing of wood composites, or any weatherable product susceptible to mold, fungal decay or insect attack.

Preventative Protection of Composites Against Mould, Fungal Decay and Wood boring Insects

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

READ THE ENTIRE LABEL BEFORE USE.

PRECAUTIONARY STATEMENTS

May be harmful if swallowed. Avoid contact with eyes and skin. May cause eye irritation. Avoid rubbing eyes while working with product. Avoid breathing dust; use only in well ventilated area. Wash hands thoroughly after handling and before eating, drinking or smoking. Store and wash all protective clothing separately from household laundry. Wear leather gloves and a dust mask when manually pouring Cobra™Crush MDT.

DIRECTIONS FOR USE

For use only in the manufacture of wood composites, Cobra™Crush MDT should be fed as a powder, prior to the curing stage, at the minimum rate of 0.4 kg per 100 kg to a maximum of 2.5 kg per 100 kg of adhesive binder and wood combined. Cobra™Crush MDT may be used to improve mould, fungal, insect and above ground service applications where there is limited exposure to rain and other sources of water. Industrial users of this product must be equipped to handle the powdered products using closed system application equipment i.e. screw feeder apparatus. Cobra™Crush MDT is effective against some kinds of termites.

STORAGE and DISPOSAL

If Empty: Do not reuse this container. Place in trash or offer for recycling if available.

If Partly Filled: Call your solid waste agency or 1-800-424-9300 for disposal instructions. Never place unused product down any indoor or outdoor drain.

Return tote to manufacturer for recycling

"This statement will be added to the totes only"

KEEP OUT OF REACH OF CHILDREN

CAUTION

FIRST AID

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
