

**U.S. ENVIRONMENTAL PROTECTION AGENCY**

Office of Chemical Safety and Pollution Prevention  
Office of Pesticide Programs  
Registration Division (7504P)  
1200 Pennsylvania Ave., N.W.  
Washington, DC 20460

EPA Reg. Number:

**71653-4**

Date of Issuance:

**MAY 29 2013**

Term of Issuance:

Unconditional

Name of Pesticide Product:

**Cobra Crush MDT**

**NOTICE OF PESTICIDE:**

Registration  
 Reregistration  
(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Genics Inc.  
#561 Acheson Rd 53016 Hwy 60  
Acheson Industrial Park  
Spruce Grove, AB T7X3G7  
Canada

Mailed to:

c/o John Todhunter  
SRS International Corp.  
PO Box 109  
Delaplane, Virginia 20144

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

EPA received a label amendment request submitted by email on April 26, 2013. EPA grants this request under the authority of section 3(c)(5) of the Federal Insecticide, Fungicide and Rodenticide Act, as amended. With this accepted labeling, all requirements set forth in the Reregistration Eligibility Decision for coppers have been satisfied. Therefore, EPA reregisters the product listed above. This action is taken under the authority of section 4(g)(2)(c) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

# ACCEPTED

MAY 29 2013

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 71653-4

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. READ THE ENTIRE LABEL BEFORE USE.

#### PRECAUTIONARY STATEMENTS

Harmful if swallowed. Avoid contact with eyes and skin. May cause eye irritation. Avoid rubbing eyes while working with product. Avoid breathing dust; use only in well ventilated area. Wash hands thoroughly after handling and before eating, drinking or smoking. Store and wash all protective clothing separately from household laundry.

**Personal Protective Equipment (PPE):** Mixers, loaders, applicators and other handlers must wear the following when pouring this product: long-sleeved shirt, long pants, shoes plus socks, dust mask, and gloves.

**User Safety Requirements:** Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry. Discard clothing and other absorbent materials that have become drenched or heavily contaminated with this product's concentrate. Do not reuse them.

Users must wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Users must remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

Users must remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing. Wash the outside of gloves before removing.

#### DIRECTIONS FOR USE

Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to your State or Tribe, consult the State or Tribal agency responsible for pesticide regulation.

For use only in the manufacture of wood composites, Cobra™Crush MDT must be fed as a powder, prior to the curing stage, at the minimum rate of 0.4 kg per 100 kg to a maximum of 2.5 kg per 100 kg of adhesive binder and wood combined. Cobra™Crush MDT may be used to improve mold, fungal, insect and above ground service applications where there is limited exposure to rain and other sources of water. This product must be applied using closed system application equipment i.e. screw feeder apparatus. Cobra™Crush MDT is effective against some kinds of termites.

#### STORAGE and DISPOSAL

**Pesticide Storage**  
Avoid damage to bags or to totes. Keep containers closed at all times when not in use. Keep containers out of direct sunlight. To maintain product quality, store at temperatures below 100°F.

#### Procedure for Leak or Spill

Secure area where spill has occurred. Then sweep up material being careful to avoid generating dust and wearing personal protective equipment. Dispose of spilled material in accordance with federal, state and local regulations after contacting the appropriate local, state, or Federal agency to determine proper procedures

#### Disposal

#### Pesticide Disposal

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Because acceptable methods of disposal may vary by location, regulatory agencies should be contacted prior to disposal. Product to be discarded should be disposed of in accordance with federal, state and local regulations after contacting the appropriate local, state, or Federal agency to determine proper procedures

#### Container Disposal

**Nonrefillable containers (bags)** Nonrefillable container. Do not reuse or refill this container. Completely empty container into application equipment by shaking and tapping sides and bottom to loosen clinging particles. When completely empty, offer for recycling if available, or dispose of empty bag in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned stay out of smoke.  
**Refillable containers ("Totes")** Refill this container with pesticide only. Do not reuse this container for any other purpose. Return to the manufacturer for refilling. Cleaning the container before final disposal is the responsibility of the person disposing of the container. Cleaning before refilling is the responsibility of the refiller. To clean the container before disposal completely empty container into application equipment by shaking and tapping sides and bottom to loosen clinging particles. When completely empty, offer for recycling if available, or dispose of empty tote in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
