Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No.71654-3."
 - b. Revise the statement "KILLS GERMS" to read "Kills household germs".

- c. Revise the statement "Removes the stains you see, kills the germs you don't!" to read "Removes the stains you see, kills the household germs you don't!"
- d. The product label must be revised to state that a pre-cleaning step is required before disinfection using this product. The stamped accepted label has been revised to comply with this requirement.
- e. Disinfection does not happen prior to pre-cleaning. Remove the phrase "Disinfects the surface as it cleans" from the label.
- f. The comparative claim phrase "Disinfects without harsh chemicals" is unacceptable and must be removed from the label.
- g. Correct the typographical error in the last sentence of "Warranty Statement" to read "... the manufacturer or seller **may** not be ..."

A copy of the stamped label has been enclosed for your records. Submit two copies of the revised final printed label for the Agency record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.
