Wilmington, DE 19808

Subject: Registration Review Mitigation for Pyraflufen-ethyl
Product Name: ET 2%SC Herbicide/ Defoliant
EPA Registration Number: 71711-25
Application Date: December 22, 2020
Case Number: 480951

Dear William R. Berti:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Pyraflufen-ethyl Interim Decision, and has concluded that your submission is acceptable. The appropriate label mitigation language in support of the Pyraflufen-ethyl Interim Decision is included in the approved label dated 1/23/2023.

If you have any questions about this letter, please contact Tracy Jackson by phone at 202-566-2268, or via email at jackson.tracy@epa.gov.

Sincerely,

Julie Javier, Team Leader
Risk Mitigation and Implementation Branch 4
Pesticide Re-Evaluation Division
Office of Pesticide Programs
