

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 M St. S.W.
Washington, D.C. 20460

EPA Reg. Number

71720-1

Date of Issuance

FEB 5 2002

Term of Issuance Conditional

Name of Pesticide Product:

Riapan Dusting Powder

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

RIAP Chemical Factory
vul Korabelna 5
Kiev 254072, Ukraine

c/o Alexandra C. Melnyk, U.S. Agent
801 Bovee Lane
Powell, OH 43065

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A), provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of you product under FIFRA section 4.
2. Make the following labeling changes:
 - a. Revise the EPA Registration Number to read "EPA Reg. No.71720-1"
 - b. In the Ingredient Statement, move "Inert Ingredients" to the left so that it is aligned to the same left margin as the phrase "Active Ingredient". [Note: In doing so, do not shift the percentage of inert ingredients to the left. The percentages of active and inert ingredients must remain aligned by the decimal.]
 - c. Add an asterisk (*) in front of the chemical name for permethrin below the ingredient statement:
 - d. Correct the spelling of the word "clothing" in the third sentence of the "Hazards to Humans and Domestic Animals" section. The corrected sentence should read: "Avoid contact with skin, eyes or clothing."

Signature of Approving Official:

Date:

February 5, 2002

EPA Reg. No. 71720-1

- e. Delete the following sentence from the last paragraph of the Directions for Use, since it is not appropriate for cockroach control:

"Break apart accessible nests and scatter powder liberally on and around debris."

- 3. Submit the original (signed) copy of the Confidential Statement of Formula (CSF) which you FAXed to the Agency on 2/1/2002. This CSF (Basic formulation, dated 12/14/2001) is acceptable. However, the quality (i.e., legibility) of the FAXed copy is poor. Please submit a legible, signed copy for our records.
- 4. Please submit two (2) copies of your final printed label before you release the product for shipment. Please refer to the A-79 enclosure for a further description of final printed labeling. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

If you have any questions regarding this action, please contact Susan Stanton of my team at (703) 305-5218.

Sincerely,

George T. LaRocca
 Product Manager (13)
