**X-14™ Mildew Stain Remover**

Back Panel

**X-14™ Mildew Stain Remover**

**AVOID PROLONGED BREATHING OF VAPORS**

Use in well ventilated areas. Open windows and doors and turn on fans before use. If the vapors bother you, leave the room while X-14™ Mildew Stain Remover is working. For sensitive skin or prolonged use, wear gloves.

**FOR USE IN:** Homes, around the home, schools, hotels and motels, nursing homes, hospitals, restaurant) and food service, office buildings, factories, bottling plants.

**WHERE TO USE:**

- For disinfection and for killing mildew on hard, non-porous surfaces: Bathroom tiles, grout, fibreglass and vinyl showers, vinyl bath mats, vinyl shower curtains, vinyl awnings, vinyl auto and boat tops, garbage cans, diaper palls, and surfaces being prepared for painting.
- For mildew stain removal only: Walls, decks, concrete, masonry, tile roofs, plastic furniture vinyl, mortar, plastic tubs, boats and marine surfaces, swimming pool liners, hot tubs.

**USE PRECAUTIONS:** Avoid prolonged contact with metal or old porcelain as X-14™ Mildew Stain Remover can react with these materials and leave a "rusty" stain. Do not use on painted surfaces you do not intend to repaint. Do not use on natural marble. When using on vinyl, do not allow product to contact cotton stitching or backing. Do not allow X-14™ Mildew Stain Remover to come in contact with clothing, carpeting, or other fabrics, which may become discolored or damaged. Use caution when using around pools and hot tubs (spas). Only use on exposed surfaces that are not in contact with water. For more thorough cleaning, drain the hot tub or pool prior to use. This product is incompatible with Baquacil and avoiding applications to Baquacil treated water will assure adequate mixing.

**DIRECT10NS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

For sensitive skin or prolonged use wear gloves. Turn nozzle to desired position. Direct sprayer away from face and eyes.

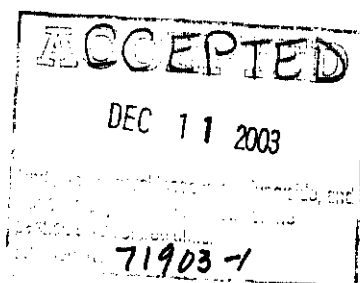

**TO REMOVE MILDEW STAINS:** Spray, wait until stains disappear, and rinse. Heavy mildew buildup may need two cleanings. This product may not be able to remove mildew imbedded in hard water deposits old grout, or silicone caulking.

**TO DISINFECT AND KILL MILDEVV ON HARD, NON-POROUS SURFACES:** Thoroughly clean all surfaces prior to application of product. Spray surface, such as tile, until thoroughly wet. Let stand five minutes and wipe. This product kills *Staphylococcus aureus* and athlete's foot fungus.

**FOR SOAP SCUM PROBLEMS:** Use X-14™ Soap Scum Remover.

**STORAGE AND DISPOSAL**

Reclose sprayer tip for storage. Rinse thoroughly before discarding in trash.

**X-14™ Mildew Stain Remover**

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**WARNING. CAUSES EYE IRRITATION.** Do not get in eyes or on clothing. Prolonged breathing of vapors may be irritating. Use only in well-ventilated areas. Avoid prolonged contact with skin. Harmful if swallowed. Not recommended for use by persons with heart conditions or chronic respiratory problems. If vapors bother you, leave the room while X-14™ Mildew Stain Remover is working.
