Subject: WD-40 Company
X-14 Mildew Stain Remover
EPA Registration No. 71903-1
Application Date: August 29, 2008
Receipt Date: August 29, 2008

Dear Ms. Anastasiou:

The following amendment submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is accepted with conditions.

Conditions

1. Revise the ingredient statement as follows:

ACTIVE INGREDIENT:	
Sodium Hypochlorite	4.00%
OTHER INGREDIENTS:	<u>96.00%</u>
TOTAL:	100.00%

Available Chlorine X%

2. The proposed label is accepted for claims that this product is an effective disinfectant on hard, non-porous surfaces against *Aspergillus niger* for a 5 minute contact time.

3. The following statements have been removed from the label:

- "mildew won't get to see it's spores grow up"
- "mold won't get to see it's spores grow up"
- "proven to remove mildew faster and more completely than competitors"
- "proven to remove mildew faster and more completely than the competition"
- "works on contact"
- "works instantly"
- "Expert" from claims on front panel

General Comments

A stamped copy of the labeling accepted with conditions is enclosed. Submit one copy of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please call Wanda Henson at (703) 308-6345.

Sincerely,

Emily H. Mitchell

Let stand five minutes and wipe. This product kills *Staphylococcus aureus*, athlete's foot fungus and viruses (Influenza A2 (Japan), Herpes Simplex Type 1 and Type 2).

STORAGE AND DISPOSAL

[Turn nozzle to "off" position for storage]. [Reclose sprayer tip for storage]. Non-refillable container. Do not reuse or refill this container. Rinse thoroughly before discarding in trash or offer for recycling, if available.

AVOID PROLONGED BREATHING OF VAPORS

Use in well ventilated areas. Open windows and doors and turn on fans before use. If the vapors bother you, leave the room while product is working. For sensitive skin or prolonged use, wear gloves.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

WARNING: CAUSES EYE IRRITATION. Do not get in eyes or on clothing. Prolonged breathing of vapors may be irritating. Use only in well-ventilated areas. Avoid prolonged contact with skin. Harmful If swallowed. Not recommended for use by persons with heart conditions, asthma or other chronic respiratory problems. If vapors bother you, leave the room while product is working.

FIRST AID	
IF IN EYES	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
IF INHALED	Move person to fresh air. If person is not breathing call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.
HOT LINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-888-324-7596 for emergency medical information.	

PHYSICAL AND CHEMICAL HAZARDS:

Contains bleach (sodium hypochlorite). Do not mix or use with any other household cleaning products, including acids or ammonia, toilet bowl cleaners or rust removers, as toxic fumes may result.

[Do not use sprayers from other cleaning products with this bottle.] If you use other X-14® products, do not mix with this product or spray both on surfaces at the same time. Rinse surfaces thoroughly between applications of different [X-14®] products.

[THIS PRODUCT] CONTAINS NO PHOSPHATES.

[This bottle is made of 25% post consumer recycled plastic.]
