Dear Ms. Arrington:

Subject: The Schawbel Corporation
ThermaCELL® Mosquito Repellent with Earth Scent
EPA Reg. No. 71910-3

On behalf of **The Schawbel Corporation**, RegWest Company, LLC is submitting the attached documents to notify the EPA of label revision for subject product and to submit final printed labeling per the EPA letter of October 6, 2008. RegWest will act as sole agent in this endeavor.

Attached are the following:

- 1. Application for Pesticide: Other [Notification]
- 2. One copy of the final printed labeling

We have made one revision on **only** the cartridge label. Since the cartridge is sold with both products (ThermaCELL® Mosquito Repellent [71910-2] and ThermaCELL® Mosquito Repellent with Earth Scent Refills [71910-3]), it is impractical and impossible to monitor different labels on the cartridges; we therefore have deleted the redundant sentence "Keep cartridge out of children's reach" from the cartridge label so it is identical to that which was recently approved for EPA Reg. No. 71910-2.

Please contact me at (970) 353-0611 or at kim@regwest.com if you have any questions or require additional information.

Regards,
RegWest Company, LLC
