SUBJECT: Application for Pesticide Notification (PRN 98-10)
Request General Label Change and Alternate Brand Name "ThermaCell Skeeter
Reliever Lantern"
EPA Reg. 71910-4
Application Dated February 23, 2009

Dear Registrant:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated 02/23/09 for the above product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action(s) requested fall within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

If you have any questions, please call me directly at 703-305-6249 or Owen F. Beeder of my staff at 703-308-8899.

Sincerely,

A handwritten signature in black ink, appearing to be "Linda", is located below the word "Sincerely,".

Explanation: Use additional page(s) if necessary. (For Section I and Section II.)

Submit final printed labeling and additional brand notification per PR Notice 98-10.

The additional brand name is: ThermaCELL® Skeeter Reliever Lantern

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR § 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to the EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR § 152.46 this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

Dear Ms. Arrington:

Subject: The Schawbel Corporation
ThermaCELL® Mosquito Repellent Candle Lantern
EPA Reg. No. 71910-4

On behalf of **The Schawbel Corporation**, RegWest Company, LLC is submitting the attached documents to submit final printed labeling and notify the EPA of an additional brand name for subject product. RegWest will act as sole agent in this endeavor.

Attached are the following:

1. Application for Pesticide: Other [Notification]
2. Two final printed labels (including enlargements)

The EPA registration notice letter dated August 5, 2008 requested that we submit two final printed labels prior to releasing the product for shipment; the labeling submitted herewith satisfies that condition.

The additional brand name is:

ThermaCELL® Skeeter Reliever Lantern

Please contact me at (970) 353-0611 or at kim@regwest.com if you have any questions or require additional information.

Regards,
RegWest Company, LLC

ThermaCELL®

Skeeter Reliever Lantern

PRODUCT CONTAINS:

INSTRUCTIONS FOR ASSEMBLING AND USING LANTERN:

1. Remove lantern from base by squeezing latch tabs on lantern bottom (A) and pulling out lantern top (B).

2. Remove bag from inside lantern and take out contents: ThermaCELL® repellent mat, candle, and candle holder.

3. Take ThermaCELL® repellent mat out of wrapper and insert under grill on lantern top (C).

4. Place candle into candle holder with wick upright (D).

5. While holding lantern base upright, insert candle and candle holder up through bottom (E) and turn right (clockwise) in direction of arrow (F) until candle holder clicks into place. Make sure candle holder clicks into place.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions: Only for outdoor use as an insect repellent. Do not use indoors, in tents or any enclosed area. Cover or remove all exposed food. Before lighting, make sure that candleholder has been secured by turning it clockwise until it clicks, and that lantern globe is securely on lantern base. Place lantern on a level stable surface or use handle to hang from a non-flammable garden hook that has been securely inserted into the ground and confirmed to be stable. Do not cover lantern with any material while in use. Do not move lantern when lit. If hanging lantern from a hook, allow unit to cool before removing. To avoid fire hazard, do not place mats, matches or other foreign matter near candle flame. Do not place lantern near underground wires or gas lines. Do not place lantern near combustible material such as dry vegetation, clothing or fuels. Do not leave lantern unattended or use in windy conditions. Never burn candle unattended. Clean with a damp cloth only when the lantern is cool and inactive. Do not use anything other than ThermaCELL® mats and candles in the lantern. Never cut, bend or alter shape of mat. Mats may cause staining; do not let mats contact other surfaces. Failure to follow these instructions could result in personal injury or property damage.

6. Set lantern base down on a level surface and light candle (G).

7. Replace lantern on the base (H). Be sure to push down on lantern until it clicks into base.

8. When finished using lantern, extinguish candle by blowing into grill top.

To Replace Candle and/or Repellent Mat: Replace candle and repellent mat only when lantern is cool and not in use. Remove candle holder from base of lantern by turning left (counterclockwise). Discard used candle. Insert new candle. Use only ThermaCELL® candles. Other candles may not provide correct amount of heat to release repellent optimally, reducing effectiveness. To replace a used repellent mat, push the used repellent mat out by inserting a new mat.

ThermaCELL®

Skeeter Reliever Lantern

15' x 15'
AREA OF REPELLENCY

- Heat-activated repellent mat repels mosquitoes, black flies and other flying insects
- For backyards, decks & patios, camping, gardening and spectator sports

STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store lantern and unused mats in original packaging in a cool, dry place inaccessible to children and pets.

Pesticide Disposal: Used Mats: Do not reuse empty packaging. Place in trash or offer for recycling if available. Place used mats in trash. **Unused mats:** Call your local solid waste agency for disposal instructions. Never place unused mats down any indoor or outdoor drain. **Candle:** After allowing candle and lantern to cool, remove used up candle and place in trash. Retain candle holder for future lantern use. **Lantern:** Place in trash or offer for recycling, if available. Batch Code: _____

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if inhaled. Avoid breathing vapors.

First Aid

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

Physical and Chemical Hazards

Do not touch the grill while the lantern is in use; the grill is hot while in use.

Environmental Hazards

This product is toxic to fish, shrimp and aquatic invertebrates. Do not apply directly to water. Do not contaminate water when cleaning equipment or disposing of equipment wash water or rinsate. Drift may be hazardous to aquatic organisms in water adjacent to treated sites.

Warranty: Seller will not be held responsible for damage, injury or poor performance caused by use of other candles or repellent mats.

Guarantee: Lantern is guaranteed to last 1 year from date of purchase. If lantern fails to perform to your satisfaction, send the lantern and receipt to The Schawbel Corporation for a full refund of purchase price or repair or replacement.
