**Subject: Amended Labeling, Addition of Graphics/Marketing Language; Updates for PR Notice 2007-4; Minor Refinements to Existing Label Language and Response to Notice of Registration Dated August 5, 2008
ThermaCELL® Mosquito Repellent Candle Lantern, EPA Reg. No. 71910-4
Your Submission Dated December 16, 2009**

Dear Ms. Davis:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable with the following label revision provision(s):

First Aid Statement comment(s), page 3 of 8:

1. Revise the 2nd sentence within the existing "**HOT LINE NUMBER**" statement to read "For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-753-3837 twenty-four (24) hours per day, seven (7) days per week."¹

First Aid Statement comment(s), page 6 of 8:

2. Revise the 2nd sentence within the existing "**HOT LINE NUMBER**" statement to read "For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-753-3837 twenty-four (24) hours per day, seven (7) days per week."¹

Optional Marketing Text (Repellency) section comment(s), page 7 of 8:

3. To facilitate inclusion of a missing comment that was included as part of the Notice of Registration for this product, dated August 5, 2008 (copy enclosed), throughout this subsection, all claims to repel for a "maximum number of hours" must be revised to explain how these figures were calculated, or delete these marketing statements.

Optional Marketing Text (Where [Product] {[product name]} is used) section comment(s), page 8 of 8:

4. Within this marketing statement, you must clarify that the "camping" use is not intended for indoor use, or delete this marketing statement.

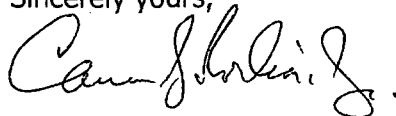

¹ Please note that the "1-800-753-3837" phone number must be substituted with a valid phone number that is available twenty-four (24) hours per day, seven (7) days per week for answering and responding to any medical emergencies or health concerns.

2/10

A copy of your label stamped "Accepted with Comments" is enclosed for your records. Please submit two (2) copies of the final printed labeling, incorporating the above changes, before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with section 6(e) of FIFRA. Your release for shipment of the product bearing amended labeling constitutes accepting of these conditions.

In addition, you must contact the Agency's ITRMD directly and inform them about the address change that you have incorporated into this label on behalf of The Schawbel Corporation. If you have any questions regarding this label review, please feel free to contact me at (703) 306-0327 or via e-mail at Rodia.Carmen@epa.gov.

Sincerely yours,

For [Signature]

Richard J. Gebken

and Rodenticide Act, As amended, for the
pesticide Registered under EPA Reg. No:

4/10

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions: Only for outdoor use as an insect repellent. Do not use indoors, in tents or any enclosed area. Cover or remove all exposed food. Before lighting, make sure that candleholder has been secured by turning it clockwise until it clicks, and that lantern globe is securely on lantern base. [Lantern globe will click into place.] Place lantern on a level stable surface or use handle to hang from a non-flammable [metal] garden hook that has been securely inserted into the ground and confirmed to be stable. Do not cover lantern with any material while in use. Do not move lantern when lit. If hanging lantern from a hook, allow unit to cool before removing. To avoid fire hazard, do not place mats, matches or other foreign matter near candle flame. Do not place lantern near underground wires or gas lines. Do not place lantern near combustible material such as dry vegetation, clothing or fuels. Do not leave lantern unattended or use in windy conditions. Never burn candle unattended. Clean with a damp cloth only when the lantern is cool and inactive. Do not use anything other than ThermaCELL® mats and candles in the lantern. Never cut, bend or alter shape of mat. Mats may cause staining; do not let mats contact other surfaces. Failure to follow these instructions could result in personal injury or property damage.

Instructions for Assembling and Using Lantern:

1. Remove lantern from base by squeezing latch tabs on lantern bottom **(A)** and pulling out lantern top **(B)**.
2. Remove bag from inside lantern and take out contents: ThermaCELL® repellent mat, [product name] candle, and candle holder.
3. Take ThermaCELL® repellent mat out of wrapper and insert under grill on lantern top **(C)**.
4. Place [product name] candle into candle holder with wick upright **(D)**.
5. While holding lantern base upright, insert [product name] candle and candle holder up through bottom **(E)** and turn right (clockwise) in direction of arrow **(F)** until candle holder clicks into place. **Make sure candle holder clicks into place.**
6. Set lantern base down on a level surface and light candle **(G)**.
7. Replace lantern on the base **(H)**. **Be sure to push down on lantern until it clicks into base.**

8. When finished using lantern, extinguish candle by blowing into grill top.

To Replace Candle and/or Repellent Mat: Replace candle and repellent mat only when lantern is cool and not in use. Remove candle holder from base of lantern by turning left (counterclockwise). Discard used candle. Insert new candle. Use only ThermoCELL® candles; other candles may not provide correct amount of heat to optimally release repellent, reducing effectiveness. To replace a used repellent mat, push the used repellent mat out by inserting a new mat.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store lantern and unused mats in original packaging in a cool, dry place inaccessible to children and pets. **Pesticide Disposal:** Non-refillable container; do not refill or reuse this container. **Used Mats:** Do not reuse empty packaging; place empty packaging and used mats in trash or offer for recycling, if available. **Unused mats:** Call your local solid waste agency for disposal instructions. Never place unused mats down any indoor or outdoor drain. **Candle:** After allowing candle and lantern to cool, remove used up candle and place in trash. Retain candle holder for future lantern use. **For unwanted lantern:** Place in trash or offer for recycling, if available.
Lot Number: {Description of where lot number can be found}

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if inhaled. Avoid breathing vapors. Remove and wash contaminated clothing before reuse.

First Aid

| | |
|--|---|
| If Inhaled: | <ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. • Call a poison control center or doctor for further treatment advice. |
| Have the product container or label with you when calling a poison control center or doctor, or going for treatment. [You may also contact 1-800-753-3837 for emergency treatment information.] | |

{Note: The first aid statements' grid format will be used if market label space permits; otherwise a paragraph format will be used.}

Physical and Chemical Hazards

Do not touch the grill while the lantern is in use; the grill is hot while in use.
