Subject: Label Amendment – Amended label for refillable mosquito repellent product
Product Name: MGK Formula 3132
EPA Registration Number: 71910-9
Application Date: 22-May-2017
Decision Number: 529882

Dear Dr. Dickens:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. “To distribute or sell” is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

EPA Reg. No. 71910-9
Decision No. 529882

with FIFRA section 6. If you have any questions, please contact Matthew Aubuchon by phone at 703 347-0477, or via email at Aubuchon.Matthew@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Fertich". The signature is cursive and somewhat stylized, with the first name being more prominent.

| HOTLINE NUMBER | |
| Have the product container or label with you when calling a poison control center or doctor, or going for treatment. In case of Medical emergencies or health and safety inquiries or in case of fire, leaking or damaged containers, information may be obtained by calling 1-888-740-8712. | |
| NOTE TO PHYSICIAN | |
| Contains petroleum distillate – vomiting may cause aspiration pneumonia. | |

ENVIRONMENTAL HAZARDS

Do not apply to water.

PHYSICAL OR CHEMICAL HAZARDS

[Use only with [provided] [rechargeable] [product name] [lithium ion] battery. Do not pry battery with any instrument or tool or put in a fire. Battery may burst or release toxic materials.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
[See leaflet inside box for usage directions.]
[Keep packaging [leaflet] for future reference.]

[Useful Tips]

1. For use outdoors on patios, decks, unenclosed porches, walkways, around swimming pools and other areas where mosquito protection is desired. Do not use indoors.
2. Do not pry MGK® FORMULA 3132 [Bottle Name] [Repellent Bottle] [Repellent Cartridge] [Repellent Refill] open.
3. For best results [protection] [coverage] [for a typical sized deck or patio] place [install] one fixture [Product Name] [Device] [Unit] every 10 to 12 ft. around [throughout] the area you wish to protect [from biting mosquitoes].
4. A set of 4 Fixtures [Devices] [Units] provides up to 440 square feet of mosquito protection. [A set of 6 Fixture [Device] [Unit] provides up to 660 square feet of mosquito protection.]
5. The Vaporizer [Liquid] [Repellent] [Emanator] works [operates] independently from [with or without] the Light [Light Fixture] [Lamp] [LED]. The Vaporizer [Liquid] [Repellent] [Emanator] should be turned off when not in use.

6. The Vaporizer [Liquid] [Repellent] [Emanator] will get hot while in use. Always allow Vaporizer [Liquid] [Repellent] [Emanator] to cool before replacing with MGK® FORMULA 3132 [Bottle Name] [Repellent Bottle] [Repellent Cartridge] [Repellent Refill].
7. After 6 weeks of use, Open [Remove] Fixture [device] cover and visually inspect MGK® FORMULA 3132 [Bottle Name] [Repellent Bottle] [Repellent Cartridge] [Repellent Refill] to determine usage rate.
8. The claimed hours of repellency are an average based on lab testing, and presume using 90% of repellent provided. The last 10% of repellent is not claimed, as repellency effectiveness may diminish with reduced wick exposure. Your repellent usage rate will vary based on the temperature and relative humidity.
9. The Vaporizer [Liquid] [Repellent] [Emanator] power-on indicator light will flash when device has been operated for approximately 195 hours, indicating that MGK® FORMULA 3132 [Bottle Name] [Repellent Bottle] [Repellent Cartridge] [Repellent Refill] has about 20 hours remaining of effective operating life. We recommended that you check the MGK® FORMULA 3132 [Bottle Name] [Repellent Bottle] [Repellent Cartridge] [Repellent Refill] and replace it before it is empty, or when you notice increased mosquito activity.
10. Replace when MGK® FORMULA 3132 [Bottle Name] [Repellent Bottle] [Repellent Cartridge] [Repellent Refill] is empty.
11. Replace MGK® FORMULA 3132 [Bottle Name] [Repellent Bottle] [Repellent Cartridge] [Repellent Refill] when power to device is [turned] off.
12. Do not insert [use] anything other than MGK® FORMULA 3132 [Bottle Name] [Repellent Bottle] [Repellent Cartridge] [Repellent Refill] in [to] the Fixture [product name] [Device] [Unit].
13. Place one appliance every 10 to 12 ft [around] [throughout] the area you wish to protect [from mosquitoes].
14. The refill wick will get hot while in use. Always allow to cool before handling.
15. Turn off appliance when not in use.
16. For best results, let the device run for 15 minutes to establish complete protection.
17. Only use [marketing name] refill in this appliance.
18. Prior to transporting, remove the repellent refill from the appliance and replace repellent refill cap.
19. Do not use or leave in direct sunlight or in other extremely hot conditions.
20. Store in room temperature in dry environment when not in use.
21. Do not store with battery completely discharged for extended periods of time. [Batteries should be charged at least once every 3 months during storage.] [Battery should be discharged and charged after being stored more than a year in order to maintain optimal battery capacity.]
22. Only use with battery charger provided.
23. If any leaks, odors, discolorations, or deformities are noticed in the battery, immediately discontinue use and dispose of safely.
24. Only operate with [vent] [opening] [outlet] facing upwards.
25. Do not cover the appliance while is in use
26. Replace refill when liquid is no longer visible through the {marketing name} Refill [container] [bottle]
27. Appliance can be operated while charging [plugged into a wall outlet]
28. Do not attempt to touch or break the refill wick, or open the refill.
29. Appliance can be turned OFF manually when in Auto-Off Timer mode.
30. Only use the [battery] [USB] charger provided.

Operating Instructions:

Use [transformer] [optional controller] photo sensor, [timer] [or switch] to operate [to turn on] Vaporizer [mosquito repellent] [repellent] [mosquito protection] [system] [device] [Liquid] [Repellent] [Emanator].

Use [transformer] [optional controller] photo sensor, [timer.] [or switch] to operate [turn on] Light [Light Fixture] [Lamp] [LED].

Use with 12v transformer and controller provided [available separately].

[How to use]

[Quick start guide]

- Charge [the appliance]
- insert refill

- [slide] [flip] [move] [bottom] switch to UNLOCK
- press [power] [ON] [button]

1. [To] charge [the appliance]

Fully charge before first use.

- [Pull back the [rubber] [cover] to expose USB charging port.]
- Insert the USB charger [provided] into the appliance. [Plug the charger into a [standard [#] [V] [volt] wall receptacle.]
- Fully charging the battery takes approximately # hours
- [Device operates with battery or plugged into [outdoor] outlet]

2. [To] insert a refill

Replace empty repellent refill when appliance is turned off

- Open the appliance
- Remove the cap from the refill
- [Insert the refill.] [Drop refill into base.] [Refill will [snap] [click] into place when fully inserted.]
- Close the appliance [ensuring correct orientation]

3. [To] use ON/OFF Manually

- [Slide] [flip] [move] [bottom] switch to the UNLOCK position.
- Press [and hold] the [POWER] [ON] button [for # seconds] to turn on [light will blink [color]]
- To turn off, press [and hold] the [POWER] [ON] button [for # seconds] [lights will flash [{color} then {color}] [to signal appliance is off].

3a

4. [To] use AUTO-OFF Timer

- [slide] [flip] [move] [bottom] switch to TIMER position.
- Press [and hold] the [POWER] [ON] button [for # seconds] to turn on [light will blink [color]]
- Appliance will automatically turn off in {#} minutes.

5. Storage and transport

- [Slide] [flip] [move] the switch [on bottom] to the LOCK position.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal of repellent unit.

PESTICIDE STORAGE: Store in a cool, dry place. Keep container tightly closed. Store. Do not disassemble appliance. Should a battery become ruptured, do not allow contact with water]. Keep refills out of direct sunlight.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Non-refillable cartridge. Do not reuse or refill this cartridge.

If empty or at the end of the season, dispose of unused portion according to label directions: Place in trash.

If partly filled: Call your local solid waste agency for disposal instruction. Never place unused product down any indoor or outdoor drain.

IMPORTANT: READ BEFORE USE

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the product container at once.

By using this product, user or buyer accepts the following conditions, disclaimer of warranties and limitations of liability.

CONDITIONS: The directions for use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of MGK. All such risks shall be assumed by the user or buyer.

DISCLAIMER OF WARRANTIES: TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, MGK MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE, THAT EXTEND BEYOND THE STATEMENTS MADE ON THIS LABEL. No agent of MGK is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. To the extent consistent with applicable law, MGK disclaims any liability whatsoever for special, incidental or consequential damages resulting from the use or handling of this product.

LIMITATIONS OF LIABILITY: TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE EXCLUSIVE REMEDY OF THE USER OR BUYER FOR ANY AND ALL LOSSES, INJURIES OR DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, WHETHER IN CONTRACT, WARRANTY, TORT, NEGLIGENCE, STRICT LIABILITY OR OTHERWISE, SHALL NOT EXCEED THE PURCHASE PRICE PAID, OR AT MGK'S ELECTION, THE REPLACEMENT OF PRODUCT.
