

OFFICE OF CHEMICAL SAFETY AND POLLUTION PREVENTION

WASHINGTON, D.C. 20460

February 13, 2024

Mr. Frederick T. Smith
Agent
Safariland LLC
c/o SciReg, Inc.
12733 Director's Loop
Woodbridge, VA 22192

Subject: Non-PRIA (Pesticide Registration Improvement Act) Labeling Amendment – Revising
Precautionary Statement to remove PPE

Product Name: Safariland 2% Bear Spray

EPA Registration Number: 71920-2

EPA Receipt Date: 11/21/2023

Action Case Number: 00491963

Dear Mr. Smith:

The amended labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable.

This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release this product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR § 152.3.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the U.S.

Environmental Protection Agency (EPA). If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions, please contact Nina Naimy via email at naimy.nina@epa.gov.

Sincerely,

James Parker, Team Leader
Biochemical Pesticides Branch
Biopesticides and Pollution
Prevention Division (7511M)
Office of Pesticide Programs

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

WARNING: Causes substantial but temporary eye injury. Harmful if swallowed, inhaled or if absorbed through skin. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF SWALLOWED: Call a poison center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Remove contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

Have label with you when obtaining treatment advice from a poison control center, doctor, or 1-800-XXX-XXXX.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water by disposing of unused material.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

CHEMICAL EMERGENCY: +1 (800) 255-3924

STORAGE & DISPOSAL

PESTICIDE STORAGE: STORE IN A COOL, DRY PLACE INACCESSIBLE TO CHILDREN AND PETS. Do not store in places where the temperature is above 120°F or below 32°F. Do not leave in hot vehicles or in direct sunlight.

CONTAINER HANDLING: DO NOT INCINERATE OR PUNCTURE. If empty: Do not reuse empty container. Place in trash, or offer for recycling if available. If partially filled: Call your local solid waste agency for disposal instructions.

Safariland 2% Bear Spray

[ABN: Trail Boss]

PICTURE, IF ANY

DO NOT SEEK OUT ENCOUNTERS WITH BEARS. THIS PRODUCT IS A BEAR ATTACK DETERRENT WHICH MAY PROTECT USERS IN SOME UNEXPECTED CONFRONTATIONS WITH BEARS BUT MAY NOT BE EFFECTIVE IN ALL SITUATIONS OR PREVENT ALL INJURIES. READ CAREFULLY THE ENTIRE LABEL UPON PURCHASE & BEFORE TAKING THIS PRODUCT IN AREAS WHERE BEARS MIGHT BE ENCOUNTERED.

KEEP OUT OF REACH OF CHILDREN

WARNING

Extremely flammable. Contents under pressure. Keep away from fire, sparks, and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

IRRITANT. Strong irritant to eyes, nose, and skin. Wash thoroughly with soap and water after handling. See Side Panel for additional precautions.

EPA REG. NO. 71920-2 EPA EST. NO.

Net Contents: 7.9 ounces

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS: This product may be used only to deter bears which are attacking or appear likely to attack humans. Do not seek out encounters with bears or intentionally provoke them. Do not spray this product on tents or other objects, such use has no deterrent effect on bears. Do not eat or allow to be eaten any food or feed materials which may have become contaminated with this product. Use with caution. Contents will cause pain and temporary impairment to eyes, nose, mouth, and lungs. Individuals who suffer from asthma or emphysema may have a more severe reaction.

This product has a range of up to 35 feet (10.6 meters).

This canister empties in approximately [5 seconds, Avanti and Firemaster actuators][10 seconds, Reflex actuator] [225g container].

The product was tested at 70°F and 32°F.

APPLICATION DIRECTIONS: Special procedures must be followed to arm the container, apply the product, and restore the safety clip to disarm the container. Before taking this product into bear country, read the directions and familiarize yourself with these procedures. If you test-fire this container, face downwind in an area away from people and bears. Do not test-fire in an area where you plan to camp, hunt, hike, or fish. Do not test-fire for more than a half a second. After test-firing, clean nozzle and can with soap and water remove residue. If you have not used this product before, you should obtain a Safariland training can and practice with it until you can perform, quickly and accurately, the activities described in the column below.

TO ARM AND APPLY: Place forefinger through hole in handle with thumb on the curl of safety clip {Fig. 1}. With thumb, pull safety clip up and straight back to expose the trigger lever. Depress trigger lever to spray {Fig. 2}. Aiming at the bear's face, create a cloud between you and the bear. Note: wind or rain may affect pattern, If the bear makes it through the initial burst of spray, continue spraying, aiming for the face.

TO DISARM: Replace safety clip as illustrated {Fig. 3}.
