NET: [insert net contents]

3/4

Fast acting ready-to-use weed killer. See results in 24 hours (starts working in 24 hours). Kills tough weeds in 1 to 2 weeks - roots and all. Use in flowerbeds, around trees and shrubs, along fences, walks, driveways, patios, sidewalks, and mulch. Will not build up in the soil to hurt desirable plants growing nearby.

[Optional: Insert container and sprayer-specific operating instructions]

Product Usage

Kills: Weeds and grasses
 Use on: Use as a spot treatment along sidewalks, fences, driveways and patios
 Amount to Use: Ready-To-Use. Requires no mixing.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read the entire label before using this product. Use only according to label instructions.

WHEN TO USE

Apply when weeds are actively growing. For best results, apply on a sunny day when daytime temperature is at least 60° F. Apply only when the air is calm. Warm, sunny weather will speed up weed control. Reapply if it rains within 6 hours of application. Hard-to-control weeds (such as bermudagrass) may require a repeat application, if they regrow.

HOW TO USE

Adjust the nozzle to a coarse spray. Position sprayer tip approximately 1 - 2 feet from the weed. Spray weeds until foliage is wet. Flowers or ornamentals may be reseeded or replanted into treated areas the next day.

IMPORTANT: Spray carefully. Avoid spray or drift onto desirable lawn grasses, shrubs or trees. This product can kill or damage all vegetation contacted. If accidental spray contacts desirable foliage, immediately rinse the foliage with water.

WEEDS CONTROLLED

Include: Bahiagrass, Barnyardgrass, Bermudagrass, Canada Thistle, Chickweed, Common Ragweed, Crabgrasses, Dandelion, Fescues, Field Bindweed, Field Sandbur, Foxtail, Johnsongrass, Kentucky Bluegrass, Kudzu, Lambsquarters, Orchardgrass, Perennial Ryegrass, Poison Ivy, Poison Oak, Quackgrass, Red Clover, Shepherdspurse, Smooth Bromegrass, Sowthistle, White Clover and Yellow Nutsedge.

STORAGE AND DISPOSAL

STORAGE: Use and store this product only in its original container. Store product in a secure storage area and protect from freezing.

DISPOSAL: To dispose of unused product, securely wrap original container in several layers of newspaper and discard in trash. In case of SPILL or LEAK, soak up with paper towels and discard in trash. Do not reuse this container except to refill with [product name]. Rinse thoroughly before discarding in trash. Never pour product down any drain.

[REFILL: This container and sprayer can be reused. Use [insert product name] to refill the container. Follow these dilution directions: Add [xx oz] of [product name] to this empty container, then fill with water slowly to avoid foaming.]

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap

4/4

and water after handling.

[*Re-entry Icon*] Keep children and pets off treated area until spray is thoroughly dry.

FIRST AID: IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists. Note to Physicians: For Emergency Information call [*telephone #*].

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters.

WARRANTY AND DISCLAIMER: Buyer assumes all responsibility for safety and use not in accordance with directions. Product guaranteed to the extent of purchase price, only when used according to label directions.

This product is protected by U.S. Patent No. 5,196,044. No license granted under any non-U.S. patent.
