Roundup Garden Foam Weed & Grass Killer

EPA Reg. No. 71995-16

Roundup Garden (Sure Shot) Foam Weed & Grass Killer- Fast Acting Formula

Roundup Foam is formulated for spot treating of individual weeds. It will kill almost all annual and perennial weeds, grasses and other unwanted plants. Ideal for tough to reach weeds found in flower beds and vegetable gardens. Use to edge along driveways, walkways or fences in gravel or mulch, around trees and shrubs and other areas in your yard. Roundup kills weeds by stopping the production of a substance found only in plants. Any Roundup not absorbed by the plant breaks down into natural materials. Roundup will not move in or on the soil to untreated plants.

Roundup Foam produces a "non-drift" visible stream that foams on contact and lasts for a few (2 - 3) minutes allowing you to easily see the treated weeds. Visible effects usually occur within hours and complete kill in 1 to 2 weeks. This makes it ideal for targeting weeds in tight spots like flowerbeds and gardens.

The spot weeder produces a "foamy" white lather for direct weed contact which avoids drift and marks weeds as treated. The weed killer moves systemically through all parts of the plant.

~~DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.~~

~~**READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.**~~

Roundup Garden Foam Weed & Grass Killer

EPA Reg. No. 71995-16

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.

HOW TO APPLY

- Shake can before and during use.
- **Turn can upside down to use.**
- Hold can at arm's length, 1 to 2 feet from weed. Point can at weed.
- Press spray button briefly, covering weed with Roundup Foam. (DO NOT press button with can in upright position.)

IMPORTANT

Spray when air is calm. The "non-drift" spray foams on contact marking treated weeds. If desirable plants are accidentally sprayed, rinse immediately with water.

All ornamental flowers, trees and shrubs may be planted 1 day after application.

[re-entry icon] People and pets may enter treated area after spray has dried.

HOW IT WORKS

Roundup enters plants through foliage and moves systemically to the roots, killing weeds by stopping the production of a substance found only in plants. Any product not absorbed by plants breaks down into natural materials without moving in or on the soil to untreated plants. Weeds usually begin to wilt within hours with complete kill in 1 to 2 weeks. One application kills most weeds.

Specially formulated for residential use.

Kills Annual Weeds and Grasses:

- | | | |
|----------------------|-----------------|----------------|
| Cheeseweed | Goosegrass | Purslane |
| Chickweed (common) | Green Foxtail | Sandspur |
| Clover | Hemp Sesbania | Smartweeds |

* Annual or Perennial

Kills most annual weeds and grasses and tough to control perennial weeds

[Question mark icon] For specific weeds controlled by this product call 1-888-Roundup (1-800-225-2883).

Gives Complete Kill of Tough Annual and Perennial Grasses and Broadleaf Weeds in Lawns, Flower Beds, Around Trees and Shrubs, in Walks, Driveways, in Gravel or Bark Mulch.

DIRECTIONS

[Directions for inverted can]

Spray when air is calm. Shake can just before and during use. Invert can, hold at arm's length and point can at weed. Do not press button when can is in upright position. Stand close to weed (1 to 2 feet) with can aimed at weed and away from face. Push down briefly on button. Spray to cover center of weed. Do not overspray. The "no-drift" spray foams on contact marking treated weeds. One application will kill most weeds. If certain tough weeds are not killed within 4 weeks, re-apply.

[or]

- Spray when air is calm.
- Shake can before and during use.
- Turn can upside down to use. Hold at arm's length and point can at weed.
- Position nozzle within 1 to 2 feet of target weed.
- Press spray button briefly, covering weed with Roundup Foam. (Do not press button with can in upright position.)

5/9

Roundup Garden Foam Weed & Grass Killer

EPA Reg. No. 71995-16

- The "non-drift" spray foams on contact marking treated weeds. If desirable plants are accidentally sprayed, rinse off immediately with water.
- One application kills most weeds.

[Alternative Directions for an upright can]

Spray when the air is calm. Shake can just before using and occasionally during use. Tear off tab. Hold can at arm's length while standing close to weed (1 to 2 feet). Aim can at weed and away from face. Squeeze the trigger, spraying to cover center of weed. The "no-drift" stream foams on contact marking treated weeds. One application will kill most weeds. Reapply, if it rains within 6 hours after application. If tough weeds are not killed within 4 weeks, reapply.

IMPORTANT: Roundup is an all purpose weed and grass killer which will kill almost all plants contacted. If necessary, use cardboard or plastic to shield desirable plants. If spray accidentally contacts desirable foliage, wash off immediately with water.

Treated lawn areas can be reseeded in 7 days. Ornamentals can be replanted the next day.

STORAGE AND DISPOSAL

STORAGE: Store in a secure, preferably locked storage area location away from heat or open flame. [steel icon]

DISPOSAL: Unused product may be disposed of by securely wrapping original container in several layers of newspaper and discard in trash. **CONTAINER --** Replace cap and discard in trash. Do not incinerate or puncture.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.

Federal regulations prohibit CFC propellants in aerosols

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Causes eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

FIRST AID: IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists. In case of an emergency involving this product, call 1-800-454-2333.

6/9

FIRST AID	
If in eyes	<ul style="list-style-type: none"> • <u>Hold eyes open and rinse slowly and gently for 15-20 minutes.</u> • <u>Remove contact lenses, if present, after first 5 minutes, then continue rinsing eyes.</u> • <u>Call a poison control center (1-800-225-2883 or 1-888-768-6387 or 1-888-Roundup) or doctor for treatment advice.</u>
Emergency Medical Information	
<p><u>Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may contact 1-888-768-6387 (1-800-225-2883 or 1-888-Roundup) for emergency medical treatment information.</u></p>	

ENVIRONMENTAL HAZARDS: Do not apply directly to water.

PHYSICAL OR CHEMICAL HAZARDS: Contents under pressure. Keep away from fire, sparks, and heated surfaces. Exposure to temperatures above 130° F may cause bursting.

This product is protected by U.S. Patents No. 4,405,531 and 5,196,044. Other patents pending. No license granted under any non-U.S. patent(s).

APPENDIX 1 – Consolidated List of Label Claims
[Ordered alphabetically]

After [weed graphic]
 Avoids drift and marks treated weeds
 Begins working in hours
 Breaks down into natural materials
 Before [weed graphic]
 Controlled application / non-spattering / no drift formulation
 Easiest way to take care of weeds in places where you don't want to harm other plants
 Easy to use foam marker lets you see where you've sprayed
 Formulated for "spot" application to individual weeds
 Gives complete kill of tough annual and perennial grasses and broadleaf weeds in lawns, flower beds, around trees and shrubs, in walks, driveways, in gravel or bark mulch.

Helps keep gardens free of weeds
 Ideal for flowerbed & garden weeds
 Keeps gardens looking neat/ tidy and more beautiful all season long
 Kills over 100 weeds per can [19 oz size]
 Kills the root so garden weeds won't come back
 Kills the weed you see and the root you don't
 Kills weeds and grasses roots & all
 Kills weeds even in tough to reach spots.
 Marks the weeds
No root. No weed. No problem.
 Now you'll know which weeds you've sprayed and which you haven't
 Produces a white foam for direct weed contact

Ready-To-Use
 See results in hours
 See results in 24 hours
 Special formulation and applicator - perfect for eliminating weeds
 Spot Weed Killer
 Starts to kill in hours
 Starts to kill in the same day
 Starts to kill overnight
 Starts working in hours
 Starts working overnight
 Systemic Action
 Target weeds in tight places / spots

Use around valuable/ desirable plants because the foam will not drift onto other plants
 Use to edge flower beds and vegetable gardens
