RE: Notification of Alternate Brand Name (Roundup® Weed & Grass Killer Sure Shot® Foam)
and Submission of Final Printed Label
EPA Registration Number: 71995-16
Date of Submission: April 9, 2010

Dear Ms. Fee-White:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated April 9, 2010; for the above mentioned product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the actions) requested fall within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

If you have any questions, please call me directly at 703-305-6249 or Joyce Edwards of my staff at 703-308-5479.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda Arrington".

*Target Weeds in Tight Spots
Foams on Contact*

Active Ingredients
Glyphosate isopropylamine salt 99.9%
Polyvinylpyrrolidone 0.1%
Other inert ingredients 99.9%

Keep Out of Reach of Children

CAUTION

See back panel for additional information

How It Works

Roundup® Weed & Grass Killer Sure Shot® Foam is formulated for spot treating individual weeds. Kills all types of weeds & grasses. Glyphosate enters the plant through the foliage and moves systemically to the roots, killing weeds by blocking an essential enzyme found in plants but not in people or pets. Glyphosate binds tightly to the soil so that any glyphosate not absorbed by the plant won't move to affect untreated plants. Most weeds yellow and wilt within hours with complete kill in 1 to 2 weeks.

What To Know

This product produces a "non-drift" visible stream that foams on contact and lasts for a 2 to 3 minutes allowing you to easily see the treated weeds. This makes it ideal for targeting weeds in tight spots like flower beds and gardens. Rainproof: Rain or watering in 10 minutes after application will not wash away effectiveness.

WHERE TO USE

Ideal for tough to reach weeds found in flower beds and vegetable gardens. Great to use as an edger along driveways, walkways or fences or to spot treat weeds in patios, gravel or mulch, around trees and shrubs and other hard-to-reach areas in your yard.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read entire label. Use strictly in accordance with label precautionary statements and directions.

HOW TO APPLY: • SHAKE WELL BEFORE EACH USE AND BEFORE EACH SPRAY. • Turn can upside down to use. • Hold can at arm's length, 1 to 2 feet from weed. Point can at weed. • Press spray button briefly, to cover the center of the weed with foam. • DO NOT press button with can in upright position. • Do not overspray • If certain tough weeds are not killed within 4 weeks, re-apply.

WHEN TO APPLY: Apply when weeds are actively growing. Spray when air is calm. For best results, apply during warm, sunny weather (above 60° F). Some product may drip from the nozzle after you stop spraying. If desirable plants are accidentally sprayed, or product drips, rinse immediately with water.

WHEN TO REPLANT: All ornamental flowers, trees and shrubs may be planted 1 day after application. Herbs, vegetables (all) and fruits may be planted 3 days after application. Treated lawn areas can be reseeded in 7 days.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store in a secure location away from heat or open flame. Store in a cool, dry area. Always store pesticides in the original container away from food and pet food.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Do Not Puncture or Incinerate! Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling, if available. DO NOT PUNCTURE! If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions. To the extent consistent with applicable law, the buyer assumes all risks of use storage or handling of this product not in accordance with directions. Product guaranteed to the extent of purchase price, only when used according to label directions.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Causes eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. People and pets may enter treated area after spray has dried.

FIRST AID:
IF IN EYES: • Hold eyes open and rinse slowly and gently for 15-20 minutes. • Remove contact lenses, if present, after first 5 minutes, then continue rinsing eyes. • Call a poison control center or 1-800-246-7219 or doctor for treatment advice.

Emergency Medical Information:
Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may contact 1-800-246-7219 for emergency medical treatment information. This product is identified as Roundup® Weed & Grass Killer Sure Shot® Foam EPA Reg. No. 71-995-116.

ENVIRONMENTAL HAZARDS: To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

PHYSICAL OR CHEMICAL HAZARDS: Contents under pressure. Keep away from flames and heated surfaces. Exposure to temperatures above 130° F may cause bursting.
