**SPRAY YELLOW HIGHLIGHTED AREAS**

**Roundup** Ready-To-Use  
Weed & Grass Killer  
Plus WeedPrevent

**PRODUCT FACTS**  
Container treats up to 400 sq ft

**Deal (2 way) Action:**  
1. Kills existing weeds & grasses, roots & all  
2. Creates an invisible barrier in the soil to prevent  
new weeds from appearing for up to 3 months

**KILLS & PREVENTS ALL TYPES OF WEEDS & GRASSES**

To prevent new weeds from appearing for up to 3 months, spray  
the existing weeds AND the entire surrounding  
area you wish to keep weed free.

**WHERE TO USE**

- Apply only where you want to kill existing weeds AND prevent future weed growth for up to 3 months, such as:
- ✓ Walkways, driveways, gravel pathways, parking areas, and brick patios
  - ✓ Along fences, foundations, and curbs
  - ✓ Areas around the base of well established plants, shrubs or trees
  - ✓ Decorative rock, mulch, or bark landscapes
  - ✓ Along the edge of lawns, tree rings, and retaining walls

**IMPORTANT:** Do not use on your lawn or in and around fruits and vegetables. Do not use to prepare vegetable garden plots. For weed control in vegetable gardens use Roundup Weed & Grass Killer Ready-To-Use.

This product may be used around the base of well-established trees, shrubs, and plants. However, DO NOT treat areas where you will be planting seeds within 120 days. Wait 30 days before transplanting ornamental bedding plants, trees, shrubs or sod into treated areas.

No license granted under any non-U.S. patent(s).  
EPA Reg. No. 71995-21. Made in USA. 21177B2-8

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**HOW TO APPLY**

- Follow illustrations and instructions located on the side of the bottle to prime the sprayer.
- Twist nozzle at end of sprayer to adjust spray pattern to coarse spray.
- Point sprayer at unwanted weeds/grasses and press sprayer button to begin spraying. Hold down for continuous spray.
- After weeds have emerged spray the weeds AND the entire surrounding area you want to keep free of weeds for up to 3 months. Spray the area until THOROUGHLY WET.
- When spraying around the base of well-established ornamental plants, shrubs or trees, shield desirable plants from drift with a sheet of cardboard or plastic. If desirable plant is accidentally sprayed, rinse off immediately with water or cut off the treated area.
- For best results, apply during warm, sunny weather (above 60°F).
- Spray when air is calm to prevent drift to desirable plants.
- Rain or watering 1 hour after application will not wash away effectiveness.

**IMPORTANT:** Do not spray plants or grasses you like - they may die too. When making applications around desirable trees or ornamental plants, wait until desirable plants have become well established and deeply rooted. DO NOT use for weed control in lawns or vegetable gardens since Roundup Plus WeedPrevent kills lawn grasses and prevents new plants from sprouting for up to 3 months.

**WHEN TO REPLANT**

- All ornamental bedding plants, trees, shrubs and sod may be planted 30 days after application.
- Lawn grasses and flowers from seed may be planted 120 days after application.

**HOW IT WORKS**

Roundup Plus WeedPrevent has two-way action. One ingredient enters plants through foliage and moves systemically to the roots killing weeds by stopping the production of a substance found in plants. The other ingredient provides an invisible barrier in the soil that prevents growth of sprouting weeds. Weeds begin to yellow and wilt within 24 hours with complete kill in 1 to 2 weeks.

**STORAGE AND DISPOSAL:** Completely dispense product in sprayer prior to storage. Rotate nozzle to closed position. Flip down red spout on cap. NO NEED TO DISCONNECT SPRAYER HOSE FROM CAP. Place sprayer back inside carrier on bottle with nozzle facing down. Store product in original container in a safe place away from direct sunlight. Keep from freezing. **DISPOSAL:** Do not reuse container. Empty Container: Place in trash (recycle where available). Partially Full Container: Call your local waste disposal service or 1-800-CLEANUP. Never pour product down any drain.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

⚠ People and pets may enter treated area after spray has dried.

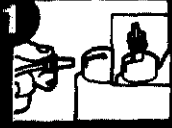

FIRST AID	
If in eyes	<ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently for 15-20 minutes.</li> <li>• Remove contact lenses, if present, after first 5 minutes, then continue rinsing eyes.</li> <li>• Call a poison control center 1-800-246-7219 or doctor for treatment advice.</li> </ul>
Emergency Medical Information	
<ul style="list-style-type: none"> <li>• Have the product container or label with you when calling a poison control center or doctor, or going for treatment. • You may contact 1-800-246-7219 for emergency medical treatment information.</li> <li>• This product is identified as Roundup Ready-To-Use Plus WeedPrevent, EPA Reg. No. 71995-21.</li> </ul>	

**ENVIRONMENTAL HAZARDS:** Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions. Manufactured for Monsanto Company, Lawn & Garden Products, P.O. Box 418, Marysville, OH 43041  
EPA Est. 11773-1A-1\*, 239-1A-3\*, and 58996-MO-1\*. Superscript is first letter of lot number.

Attention: Mr. Jim Tompkins (7505C)  
Product Manager (Team 25)

Subject: **Roundup® Ready-To-Use Weed & Grass Killer Plus WeedPrevent (EPA Reg. No. 71995-21). Submission of Final Printed Label.**

Dear Mr. Tompkins:

Monsanto is submitting three (3) copies of the *Roundup® Ready-To-Use Weed & Grass Killer Plus WeedPrevent* final printed label (print plate no. 21177B1-7, 21177B2-8, 21177B1-9 and 21177A1-6). The label is based upon EPA stamped master label dated 6 February 2003 and the subsequent label notification dated 13 February 2003 with the following exceptions:

- The **Product Facts** box has been modified:
  - The treatment rate was reduced; one gallon treats 300 sq. ft.
  - Foundations and curbs were added to the *Where to Use* box.
- Graphics illustrating where to use the product have been included.
- Sprayer assembly instructions have been moved to the side panel.
- Text from the *When To Apply* section was moved into the *How To Apply* section.

Should you have any questions, please contact Dr. Marsha Gray at our Washington office (202) 783-2460, or me directly at (314) 694-8785 or [rhonda.m.mannion@monsanto.com](mailto:rhonda.m.mannion@monsanto.com).

Sincerely,

Rhonda M. Mannion  
Registration Manager
