RE: Notification of Labeling Claims
EPA Registration Number: 71995-36
Date of Submission: April 3, 2008

Dear Ms. Fee-White:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated April 3, 2008, for the product Roundup Ready-To-Use Poison Ivy Plus Tough Brush Killer. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the actions requested fall within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

If you have any questions, please call me directly at 703-305-6249 or Joyce Edwards of my staff at 703-308-5479.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda".

INSTRUCCIONES

Utilizar este producto de modo inconsistente con las declaraciones de su etiqueta constituye una violación de las leyes federales.

COMO FUNCIONA	<ul style="list-style-type: none">• El Roundup® Mata la Hiedra Venenosa y los Matorrales Resistentes ingresa a las plantas a través del follaje y se traslada sistemáticamente a las raíces, eliminando a las malezas al alterar la producción de ciertas sustancias encontradas en las plantas. Las malezas se marchitan y secan al cabo de 24 horas y se produce la eliminación completa en 1 ó 2 semanas.
COMO APLICAR	<ul style="list-style-type: none">• Rocíe las malezas o gramas que desee eliminar hasta mojar completamente.• Cuando trate zonas específicas alrededor de plantas que desee conservar, proteja dichas plantas de la diseminación con una lámina de cartón o plástico. Si se rocía accidentalmente las plantas deseables, enjuague inmediatamente con agua.
IMPORTANTE	<ul style="list-style-type: none">• No rocíe en plantas o gramas que desee conservar, pues también pueden morir.• No recomendado para el control localizado de malezas de césped pues el Roundup elimina el césped.• No utilice en o cerca de alimentos o cultivos comestibles.• No utilice para la renovación de césped o la preparación de lechos de flores y huertos (preparación de zonas); en vez de ello utilice el Concentrado de Roundup o Super Concentrado de Roundup.
CUANDO APLICAR	<ul style="list-style-type: none">• Aplique cuando las malezas crezcan activamente.• Para mejores resultados, aplique durante clima cálido y soleado (por encima de 60° F).• Rocíe cuando el aire se encuentre calmo para evitar la diseminación a plantas que se desee conservar.• Protección A PRUEBA DE LLUVIA: La lluvia o el riego 30 minutos después de la aplicación NO eliminará su eficacia.
RELLENADO	Al envase vacío agregue 8 onzas líquidas (16 cucharadas) de Roundup Concentrado Mata la Hiedra Venenosa y los Matorrales Resistentes, luego llene con agua muy lentamente para evitar la formación de espuma.

ALMACENAMIENTO Y ELIMINACION

ALMACENAMIENTO DEL PLAGUICIDA: Dispense completamente el producto en el rociador antes de almacenar. Gire la boquilla a la posición cerrado (OFF). Cierre bajando la canilla de la tapa. NO NECESITA DESCONECTAR LA MANGUERA DEL ROCIADOR DE LA TAPA. Coloque el rociador dentro del soporte del frasco con la boquilla apuntando abajo. Guarde el producto en el envase original en un lugar seguro lejos de la luz directa del sol. Proteja del congelamiento. **ELIMINACION:** No vuelva a utilizar este envase (salvo para rellenar, revise la sección de RELLENADO). Si está vacío: Coloque en la basura u ofrezca para el reciclado si existe. Si se encuentra parcialmente lleno: Llame a su agencia local de desechos sólidos o al 1-800-CLEANUP para obtener instrucciones de eliminación. Nunca coloque el producto sin usar debajo de ningún drenaje interior o exterior.

DECLARACIONES DE PRECAUCION

RIESGOS PARA LOS SERES HUMANOS Y ANIMALES DOMESTICOS

PRECAUCION: Causa irritación moderada a los ojos. Evite el contacto con los ojos o la ropa. Lávese minuciosamente con jabón y agua después de manipular y antes de comer, beber, mastigar goma o consumir tabaco.

 Las personas y las mascotas pueden ingresar a la zona tratada luego de que se seque el rociado.

PRIMEROS AUXILIOS

SI OCURRE CONTACTO CON LOS OJOS

- Mantenga el ojo abierto y enjuague lenta y suavemente con agua durante 15 a 20 minutos.
- Retire los lentes de contacto, si hubiera, después de los primeros 5 minutos, luego continúe enjuagando los ojos.
- Llame a un centro de control de envenenamiento, 1-800-246-7219, o médico para obtener más consejos sobre tratamiento.

Información de Emergencia Médica

- Tenga consigo el envase o etiqueta del producto cuando llame al centro de control de envenenamiento o al médico, o acuda al tratamiento.
- Puede llamar al 1-800-246-7219 para obtener información sobre el tratamiento médico.
- Este producto se ha identificado como Roundup Listo Para Usar Mata la Hiedra Venenosa y los Matorrales Resistentes, EPA Reg. No. 71995-36.

RIESGOS AMBIENTALES: No aplique directamente al agua. No contamine el agua limpiando el equipo o eliminando las aguas con las que lavó el equipo.

NOTIFICACION: El comprador asume toda responsabilidad de la seguridad y uso que no sea conforme con las instrucciones.

DIRECCIONES FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

HOW IT WORKS	Roundup® Poison Ivy Plus Tough Brush Killer enters plants through foliage and moves systemically to the roots, killing weeds by altering the production of certain substances found in plants. Weeds usually yellow and wilt within 24 hours with complete kill in 1 to 2 weeks.
HOW TO APPLY	<ul style="list-style-type: none"> • Spray the weeds or grasses you want to kill until thoroughly wet. • When spot treating weeds around desirable plants, shield plants from drift with a sheet of cardboard or plastic. If desirable plants are accidentally sprayed, rinse off immediately with water.
IMPORTANT	<ul style="list-style-type: none"> • Do not spray plants or grasses you like as they may die too. • Not recommended for spot weed control in lawns since Roundup kills lawn grasses. • Do not use on or around edible food or feed crops. • Do not use for lawn renovation or flower bed and vegetable garden preparation (plot preparation); instead use Roundup Concentrate or Roundup Super Concentrate.
WHEN TO APPLY	<ul style="list-style-type: none"> • Apply when weeds are actively growing. • For best results, apply during warm, sunny weather (above 60° F). • Spray when air is calm to prevent drift to desirable plants. • RAINPROOF Protection: Rain or watering 30 minutes after application will NOT wash away effectiveness.
REFILL	To this empty container add 8 fl oz (16 Tbs) of Roundup Concentrate Poison Ivy Plus Tough Brush Killer then fill with water very slowly to avoid foaming.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Completely dispense product in sprayer prior to storage. Rotate sprayer nozzle to the OFF position. Flip down spout on cap. NO NEED TO DISCONNECT SPRAYER HOSE FROM CAP. Place sprayer back inside carrier on bottle with the nozzle facing down. Store product in original container in a safe place away from direct sunlight. Keep from freezing. **DISPOSAL: Do not reuse container** (except to refill, see REFILL instructions). If **Empty:** Place in trash or offer for recycling if available. If **Partly Filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

 People and pets may enter treated area after spray has dried.

FIRST AID

IF IN EYES

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after first 5 minutes, then continue rinsing eyes.
- Call a poison control center, 1-800-246-7219, or doctor for additional treatment advice.

Emergency Medical Information

- Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
- You may contact 1-800-246-7219 for emergency medical treatment information.
- This product is identified as Roundup Ready-To-Use Poison Ivy Plus Tough Brush Killer, EPA Reg. No. 71995-36.

ENVIRONMENTAL HAZARDS: Do not apply directly to water. Do not contaminate water when cleaning equipment or disposing of equipment washwaters.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.

CONSUMER GUARANTEE

If for any reason you are not satisfied after using this product, simply send us original proof of purchase and we will replace the product or refund the purchase price.

Registration Division – H7505P
U.S. Environmental Protection Agency
One Potomac Yard
Arlington, Virginia 22202

Attn: Mr. James A Tompkins (7504P)
Product Manager, Team 25

Subject: Notification of Labeling Claims for Roundup Ready to Use Poison Ivy Plus Tough Brush Killer, EPA Registration No. 71995-36

Dear Mr. Tompkins,

The agency accepted the notification of brand name change on EPA Reg. No. 71995-36 on June 26, 2007. At that time, the draft labeling submitted did not include any marketing claims. Based on the currently approved master labels the following marketing claims will appear on the final printed labeling. These statements appear in Appendix A of the master as Consolidated List of Label claims. For the current label versions, Monsanto is utilizing the following claims from that list and has modified the wording in accordance with PRN 98-10. Monsanto considers "Exclusive Formula" and Specially Formulated" synonymous.

- ~~Kills the roots (so treated weeds don't come back)~~
- ~~Fast Acting (Brush Killer)~~
- ~~Results in 1 day (24 Hours)~~
- ~~For Visible results In 2 to 4 days (hours) Results in 1 day (24 Hours)~~
- ~~Kills the toughest brushy weeds~~
- ~~Rainfast (Rainproof) in 2 hours (30, 45, 60, 90 minutes; 1 hour; less than 1 hour; less than 60 minutes; less than 30 minutes) for control that doesn't wash away~~

The claims as adjusted now read:

- Exclusive Roundup Formula
 - Kills the roots so treated weeds don't come back!
 - Fast-Acting for visible results in 24 hours!
 - Specially formulated to Kill the TOUGHEST Weeds!
 - Rainproof within 30 minutes!

This notification with minor revisions is consistent with the provision of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

If you should have any questions regarding this submission, please call Dr. Russell P. Schneider at (202) 383-2866 or call me at (314) 694-6576.

Sincerely,

Dawn Fee-White
Registration Manager
