SUBJECT: Application for Pesticide Notification (PRN 98-10)  
Request Alternate Brand Name "Roundup Ready-To-Use Wild Blackberry plus  
Vine & Brush Killer"  
EPA Reg. No. 71995-36  
Application Dated August 28, 2009

Dear Registrant:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide  
Registration Notice (PRN) 98-10 dated 08/28/09 for the above product. The Registration  
Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and  
finds that the action(s) requested fall within the scope of PRN 98-10. The label submitted with  
the application has been stamped "Notification" and will be placed in our records.

If you have any questions, please call me directly at 703-305-6249 or Owen F. Beeder of  
my staff at 703-308-8899.

Sincerely,

Linda Arrington

Attention: Ms. Linda Arrington

**Subject: Notification of Alternate Brand Name and Submission of Draft Label for Roundup<sup>®</sup> Ready-To-Use Wild Blackberry plus Vine & Brush Killer on EPA Reg. No. 71995-36**

Dear Ms Arrington;

Per PR Notice 98-10, Monsanto herein notifies the Agency of an alternate brand name on Monsanto Lawn & Garden Products registration number 71995-36. This product will be a regional offering and text has been drawn from the EPA master label as approved July 30, 2008. The labeling is identified as 95006H1-2 (front label) and 95006H1-1 (back booklet label).

*This notification of brand name is consistent with the provision of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.*

**This submission is classified as part of the Agency's Fast-Track Program therefore no fee is due.**

The following documents are included with this submission:

- Application for Pesticide (form 8570-1)
- Three copies of the Final Printed Label

If you should have any questions, please contact Dr. Russ Schneider (202-383-2866) or me by direct phone (314)694-6576, or electronic mail at [dawn.m.fee-white@monsanto.com](mailto:dawn.m.fee-white@monsanto.com).

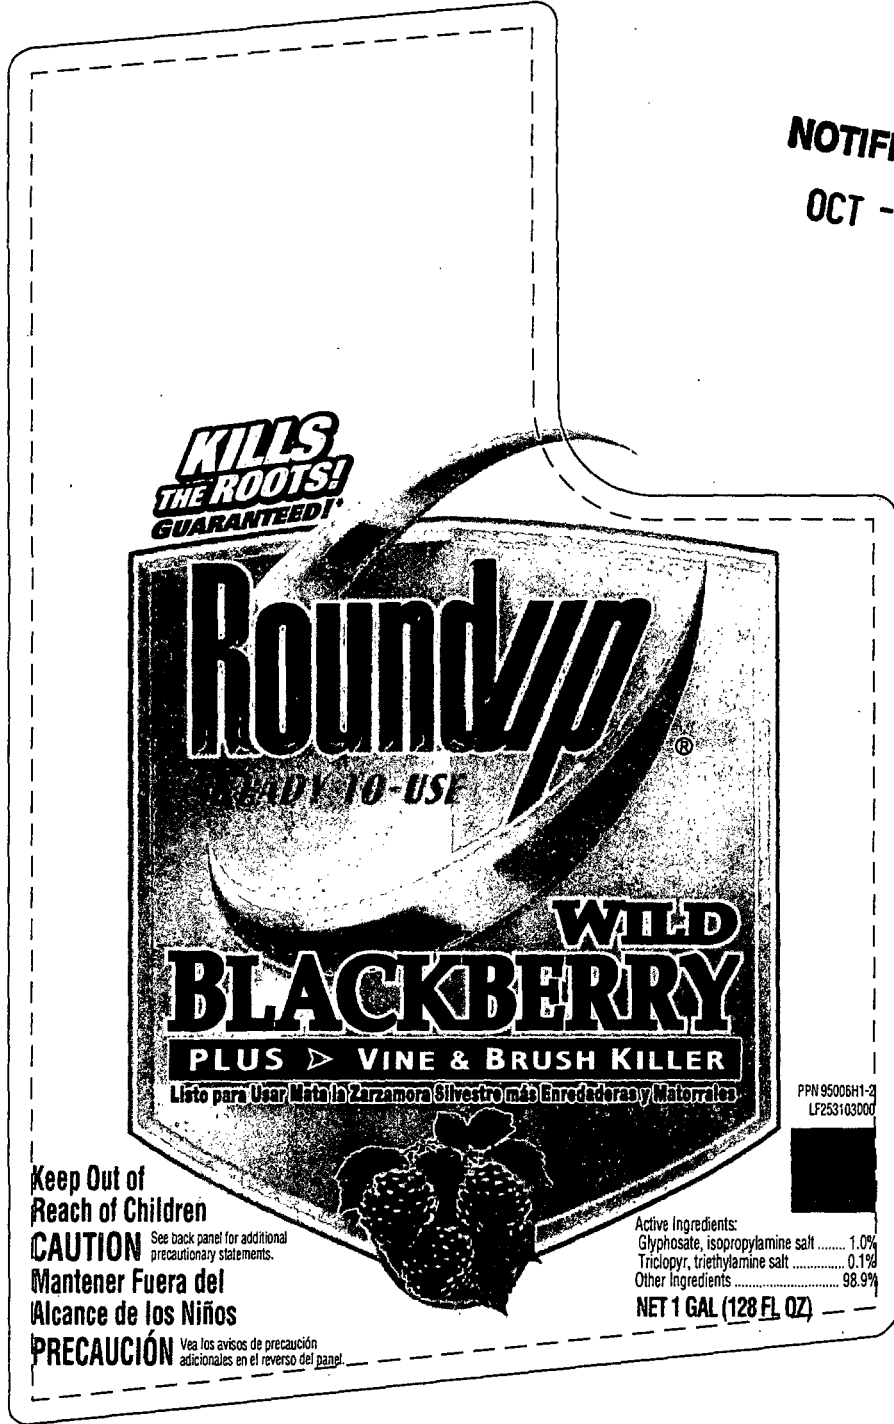

Sincerely,

Dawn Fee-White  
Registration Manager

Glyphosate, isopropylamine salt	1.0%
Triclopyr, triethylamine salt	0.1%
Other Ingredients	98.9%

**NET 1 GAL (128 FL OZ)**

## DONDE USAR

- En áreas donde las malezas resistentes estén invadiendo su jardín.
- Alrededor de arbustos y árboles
- En terrenos boscosos y vacíos
- En campos y senderos
- Alrededor de viviendas, edificios, cabañas, alojamientos y áreas de campamento
- En áreas recreativas, (parques e instalaciones deportivas)

## INSTRUCCIONES

Es una violación a la ley Federal usar este producto de forma inconsistente con su etiqueta.

**1** Retire el rociador. SAQUE COMPLETAMENTE la manguera.

**2** Inserte el conector en la boquilla de tapa hasta que haga clic.

**3** Abra la boquilla. Abra la boquilla al extremo del rociador.

**CÓMO APLICAR:** • Ajuste la boquilla en la posición deseada del para el rocío (ESPUMA o ROCÍO).

- Rocíe las malezas o gramas que desea eliminar hasta que estén.
- Al aplicar un tratamiento localizado cerca de plantas que no desee eliminar proteja dichas plantas de la diseminación con una lámina de cartón o plástico. Si rocía accidentalmente las plantas desee, eliminar, lávelas inmediatamente con agua.

**IMPORTANTE:** • No rocíe las plantas o gramas que desee conservar pues morirán.  
• No se recomienda para el control localizado de malezas en céspedes ya que el glifosato elimina la grama del césped.  
**NOTA:** No se debe usar en o alrededor de alimentos o cultivos comestibles.  
No lo utilice para la renovación del césped o la preparación de lechos de flores y jardines de vegetales (preparación del terrenos), en vez use Roundup Mata las Malezas y Gramas Concentrado Plus o Roundup Mata las Malezas y Gramas Súper concentrado.

**CÓMO FUNCIONA:** Glifosato, el ingrediente activo principal en Roundup Listo para Usar Mata la Zarcamora Silvestre más Enredaderas y Matorrales se absorbe por medio de las hojas de las malezas. Se mueve por la maleza en dirección a la raíz deteniendo la función de una enzima esencial que se encuentra en las plantas pero no en los humanos o animales. Las malezas se mueren, con todo y raíces, así que no vuelven a crecer. Elimina sólo lo que usted rocía. Cualquier producto que la planta no absorba se descompone en materiales naturales sin alterar la tierra para las plantas sin tratar

**CUÁNDO APLICAR:** • Aplique cuando las malezas están creciendo activamente.  
• Para obtener mejores resultados, aplique durante clima cálido y soleado (por encima de 60°F).  
• Rocíe cuando el aire esté tranquilo para evitar la diseminación a plantas que desee conservar.  
• Protección A PRUEBA DE LLUVIA: La lluvia o el riego 30 minutos después de la aplicación NO eliminará su eficacia.

**CUÁNDO REPLANTAR:** • Las flores ornamentales pueden plantarse 1 día después de la aplicación.  
• Se pueden plantar grama del césped 7 días después de la aplicación.  
• Los árboles no coníferas y arbustos pueden plantar 14 días después de la aplicación.  
• Los árboles coníferos y arbustos pueden plantar 30 días después de aplicación.

**RELLENAR:** Se puede volver a usar este envase y el rociador. Siga las instrucciones a continuación:  
Agregue 6 onzas líquidas (12 cucharadas) a este envase vacío de Roundup Concentrado Mata la Zarcamora Silvestre más Enredaderas y Matorrales, luego llénelo con agua muy lentamente para evitar la formación de espuma.

## ALMACENAMIENTO Y ELIMINACIÓN

**ALMACENAMIENTO DEL PESTICIDA:** Coloque la boquilla hacia abajo para cerrar. **NO NECESITA DESCONECTAR EL ROCIADOR CON GATILLO.** Cierre la boquilla en el rociador con gatillo. Vuelva a colocar el rociador en su lugar. Guarde el producto en el envase original en un lugar seguro lejos de la luz directa del sol. Evite que se congele.

**ELIMINACIÓN DEL PESTICIDA:** No vuelva a usar o rellenar este envase a menos que las instrucciones lo permitan que un producto concentrado o listo para usar distinto se pueda echar directamente o diluir en el envase. Rellene este envase de acuerdo con las instrucciones que se encuentran en la sección RELLENAR.  
**Si está vacío:** Tírelo a la basura o, si está disponible, ofrézcalo para reciclaje. **Si está parcialmente lleno:** Llame a su agencia local de desechos sólidos o al 1-800-CLEANUP para obtener instrucciones sobre cómo eliminarlo. Nunca elimine el producto no utilizado de ningún drenaje interior o exterior.

## AVISOS DE PRECAUCIÓN

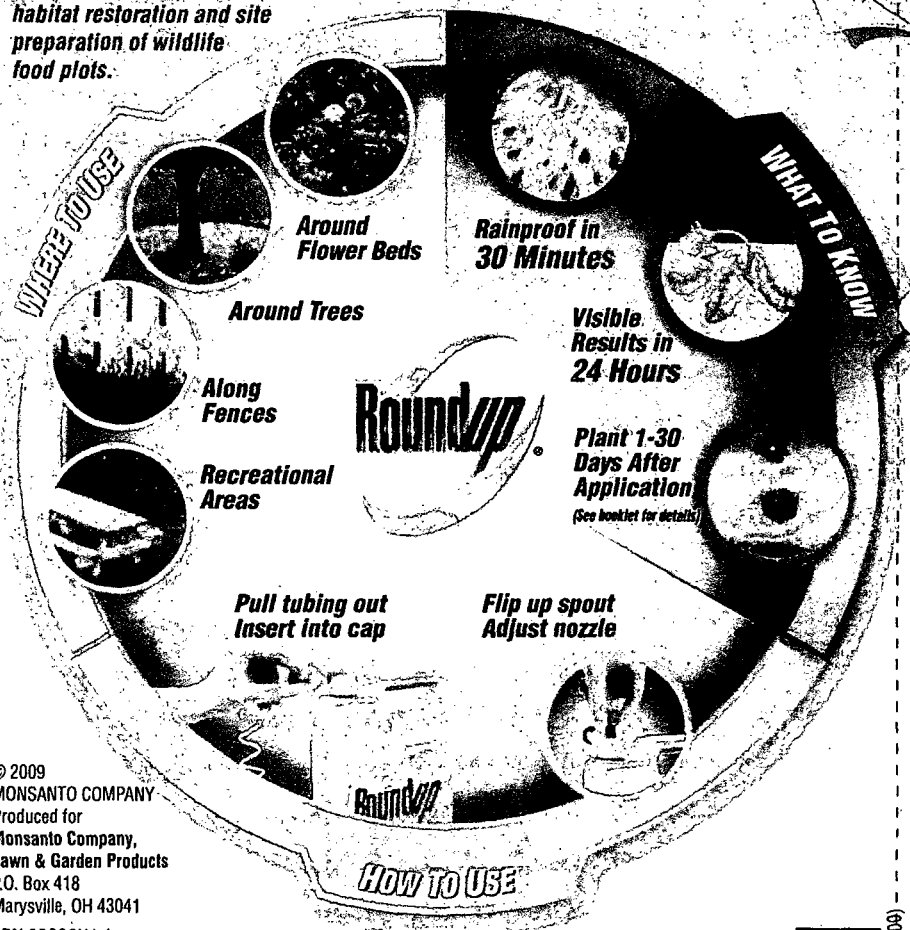

### RIESGOS PARA HUMANOS Y ANIMALES DOMÉSTICOS

**PRECAUCIÓN:** Causa irritación moderada a los ojos. Evite el contacto con los ojos o la ropa. Lávese completamente con agua y jabón después de usarlo y antes de comer, beber, masticar goma o consumir tabaco.

## DID YOU KNOW?

Roundup Ready-To-Use Wild Blackberry Plus Vine & Brush Killer can be used for habitat restoration and site preparation of wildlife food plots.

## PRODUCT FACTS

Container treats more than 1000 weeds

### KILLS WEEDS

KILLS THE TOUGHEST WEEDS, GRASSES, & BRUSH including Wild Blackberry, Woody Brush & Vines, Poison Ivy, Poison Oak, Poison Sumac, Kudzu, and more.

### WHERE TO USE

- Areas where tough weeds are invading your yard
- Around shrubs & trees
- On wooded and vacant lots
- Fields and trails
- Around homes, buildings, cabins, lodges, and camp sites
- In recreational areas, (parks and sports facilities)

## DIRECTIONS FOR USE

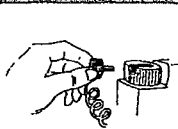

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### HOW TO APPLY

1 Remove sprayer. Pull cord/tubing **ALL THE WAY OUT.**

2 Insert plug into spout on cap until it clicks.

3 Flip up spout. Open nozzle at end of sprayer.

- Adjust nozzle to the desired spray setting (FOAM or SPRAY).
- Spray the weeds or grasses you want to kill until thoroughly wet.
- When spot treating weeds around desirable plants shield plants from drift with a sheet of cardboard or plastic. If desirable plants are accidentally sprayed, rinse off immediately with water.

**IMPORTANT:** Do not spray plants or grasses you like - they will die. Not recommended for spot weed control in lawns since glyphosate kills lawn grasses.

**Note:** Do not use on or around edible food or feed crops.

Do not use for lawn renovation or flower bed and vegetable garden preparation (plot preparation); instead use Roundup Weed & Grass Killer Concentrate Plus or Roundup Weed & Grass Killer Super Concentrate.

## HOW IT WORKS

Glyphosate, the primary active ingredient in Roundup Ready-To-Use Wild Blackberry Plus Vine & Brush Killer is absorbed by the weed leaves. It moves through the weed to the root, stopping the function of an essential enzyme found in plants but not humans or animals. Weeds die, roots and all - so they don't grow back. Kills only what you spray. Any product not absorbed by the plant breaks down into natural materials without moving in or on the soil to untreated plants.

### WHEN TO APPLY

- Apply when weeds are actively growing.
- For best results apply during warm, sunny weather above 60°F.
- Spray when air is calm to prevent drift to desirable plants.
- RAINPROOF protection: Rain or watering 30 minutes after application will not wash away effectiveness.

### WHEN TO REPLANT

- Ornamental flowers may be planted **1 day** after application
- Lawn grasses may be planted **7 days** after application.
- Non-conifer trees and shrubs may be planted **14 days** after application.
- Conifer trees and shrubs may be planted **30 days** after application.

### REFILL

This container and sprayer can be reused. Follow the instructions below: To this empty container add 6 fl oz (12 Tbs) Roundup Concentrate Wild Blackberry Plus Vine & Brush Killer, then fill with water very slowly to avoid foaming.

## STORAGE AND DISPOSAL

**PESTICIDE STORAGE:** Flip down spout to close. **NO NEED TO DISCONNECT TRIGGER SPRAYER.** Close nozzle on trigger sprayer. Snap sprayer back in place. Store product in original container in a safe place away from direct sunlight. Keep from freezing.

**PESTICIDE DISPOSAL:** Do not reuse or refill this container unless the directions for use allow a different concentrated or ready-to-use product to be diluted in or poured directly into the container. Refill this container according to the directions contained in the **REFILL** section.

**If Empty:** Place in trash or offer for recycling if available. **If Partly Filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS & DOMESTIC ANIMALS

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

People and pets may enter treated areas after spray has dried.

### FIRST AID

#### IF IN EYES

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes.
- Call a poison control center, 1-800-246-7219 or doctor for treatment advice.

### EMERGENCY MEDICAL INFORMATION

- Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
- You may contact 1-800-246-7219 for emergency medical treatment information.
- This product is identified as, Roundup Ready-To-Use Wild Blackberry Plus Vine & Brush Killer, EPA Reg. No. 71995-36.

**ENVIRONMENTAL HAZARDS:** Do not apply directly to water. Do not contaminate water when cleaning equipment or disposing of equipment washwaters.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions.

### CONSUMER GUARANTEE

If for any reason you are not satisfied after using this product, simply send us original proof of purchase and we will replace the product or refund the purchase price.

Listo para Usar Mata la Zarzamora Silvestre más Enredaderas y Matorrales

Español

## ¿SABIA JUSTO?

Los productos Roundup Listo para Usar Mata la Zarzamora Silvestre más Enredaderas y Matorrales se pueden usar para la restauración de hábitats y para la preparación de parcelas para alimentos para la fauna

### DONDE USAR

- Áreas recreativas
- A lo largo de carcos
- Alrededor de árboles
- Alrededor de lechos de flores

### LO QUE DEBE SABER

- A prueba de lluvia en 30 minutos
