Description of Changes for 071995-00040.20040803.pdf

This Master Label Amendment incorporates the following changes:

- Reformatted label into easier to read box format.
- Reworked label to eliminate repetitive and redundant text
- Grammatical changes to make label easier to read and understand by consumers.
- Added prohibitive statement for lawn renovation, an expansion of the currently approved prohibition for use in/on lawns.
- Revised refill rates to be consistent with use rates found in **Mixing Instructions** section
- Updated Appendix 1 to include new non-efficacy claims and new combination claims
- Made optional the statement regarding subsequent applications.
- Revised Disposal instructions per PR Notice 2001-6.
- Made optional the groundwater advisory statement. This statement is being made optional in order to provide consistency with the corresponding RTU Registration No. 241-425 which does not include this advisory statement.
- Revised Weeds Controlled list
