Subject: Notification per PR Notice 98-10 (environmental hazards per PR Notice 2008-1, remove solid waste disposal number, remove patent numbers for 16 fl.oz. packaging)  
Glyphosate Residual Concentrate  
Alternate Brand Name: Roundup Concentrate Extended Control Weed & Grass Killer Plus Weed Preventer  
EPA Reg. No. 71995-40  
Application Dated August 17, 2010

Dear Ms. Fee-White:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the subject product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10. The label submitted with the application has been date-stamped "Notification" and will be placed in our records.

If you have any questions, please call me directly at 703-305-5697 or Mindy Ondish at 703-605-0723.

Sincerely,

*Mindy Ondish for*

**NOTIFICATION**

**SEP 21 2010**

Attention: Mr. James A. Tompkins - Product Manager 25

Subject: **Notification of Compliance with PRN 2008-1 and Submission of Final Printed Label for 16 oz Roundup Concentrate Extended Control Weed & Grass Killer Plus Weed Preventer EPA Reg. No 71995-40**

Dear Mr. Tompkins:

On July 24, 2008, the Agency approved a master label for Roundup Concentrate Extended Control Weed & Grass Killer Plus Weed Preventer on EPA Reg. No. 71995-40 and Monsanto Lawn & Garden Products notified text changes on April 20, 2009 and recognized by the Agency on June 2, 2009. Per PR Notice 2008-1, Monsanto Lawn & Garden Products is herein notifying the Agency of updated Environmental Hazards language consistent with a liquid outdoor residential product.

*Notification of label change relative to PR Notice 2008-1. This notification is consistent with the guidance in PR Notice 2008-1 and the requirements of EPA regulations at 40 CFR 152.46, 40 CFR 156.10, 40 CFR 156.80, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 2008-1 and 40 CFR 152.46, 40 CFR 156.10, 40 CFR 156.80, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.*

According to PR Notice 98-10, it is not necessary to notify the Agency of non-FIFRA regulated deletions consistent with 40 CFR 152.46(b). Monsanto Lawn & Garden Products is also using this update to remove the 1-800-CLEANUP number from the solid waste disposal instructions, as we have elected not to renew that contract which expires 12/31/2010 and to remove patent statements no longer relevant to this product. On June 3, 2010, Monsanto Lawn & Garden Products requested correction to the Pesticide Product Information System to reflect the correct company name for 71995 as reflected in the transfer of registration form company number 239 to company number 71995 dated March 5, 1999. This label also reflects the corrected company name.

**HOW TO APPLY**

- Spray the existing weeds AND the entire surrounding weed-prone area you want to keep free of weeds for up to 4 months. Spray the area until **THOROUGHLY WET**.
- When spraying around the base of **well-established** (at least 6 months old) ornamental plants, shrubs or trees, shield desirable plants from drift with a sheet of cardboard or plastic. If desirable plant is accidentally sprayed, rinse off immediately with water.

**WHEN TO APPLY**

- Spray when air is calm to prevent drift to desirable plants.
- For fastest visual results, apply during warm, sunny weather (above 60 °F).
- **RAINPROOF** Protection: Rain or watering 30 minutes after application will **NOT** wash away effectiveness.

**WHEN TO REPLANT:** All ornamental bedding plants, trees, shrubs, sod, and seed (flowers and grasses) may be planted **4 months** after application.

**HOW TO CLEAN SPRAYER:** To clean sprayer after use, rinse sprayer and all sprayer parts with water 3 times. Spray rinse water on bare soil or gravel. After cleaning, sprayer may be used for other products.

**STORAGE AND DISPOSAL**

**PESTICIDE STORAGE:** Store in original container in a safe place away from direct sunlight. Keep from freezing. If frozen, allow to thaw and shake well before using.

**DISPOSAL:** Nonrefillable container. Do not reuse or refill this container. **If Empty:** Place in trash or offer for recycling if available. **If Partly Filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

**FIRST AID**

**IF IN EYES**

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after first 5 minutes, then continue rinsing eyes.
- Call a poison control center, 1-800-246-7219, or doctor for treatment advice.

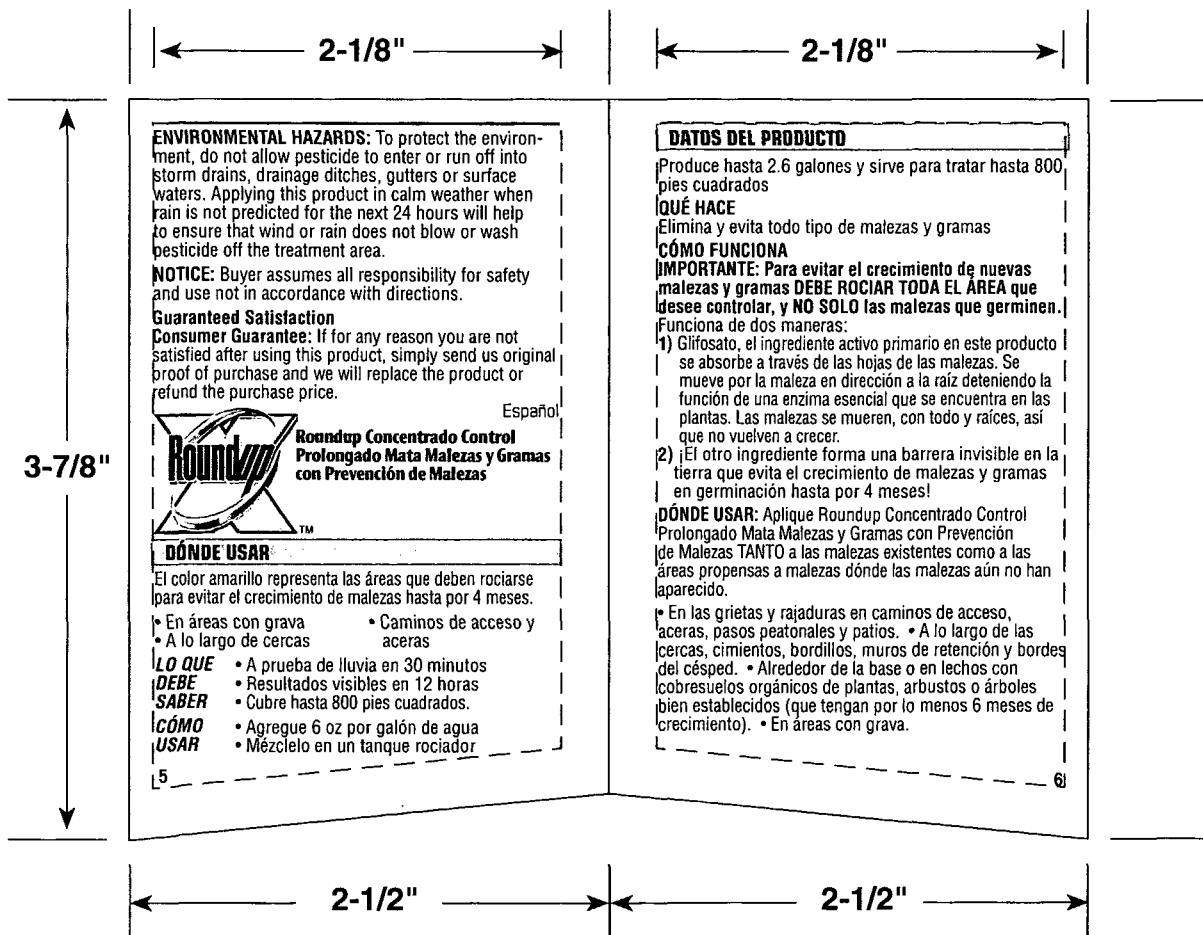

**EMERGENCY MEDICAL INFORMATION**

- Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
- You may contact 1-800-246-7219 for emergency medical treatment information.
- This product is identified as **Roundup Concentrate Extended Control Weed & Grass Killer Plus Weed Preventer**, EPA Reg. No. 71995-40.

**ENVIRONMENTAL HAZARDS:** To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions.

**Guaranteed Satisfaction**  
**Consumer Guarantee:** If for any reason you are not satisfied after using this product, simply send us original proof of purchase and we will replace the product or refund the purchase price.

**¿DÓNDE USAR?**

El color amarillo representa las áreas que deben rociarse para evitar el crecimiento de malezas hasta por 4 meses.

- En áreas con grava
- Caminos de acceso y aceras
- A lo largo de cercas

**LO QUE DEBE SABER**

- A prueba de lluvia en 30 minutos
- Resultados visibles en 12 horas
- Cubre hasta 800 pies cuadrados.

**¿CÓMO USAR?**

- Agregue 6 oz por galón de agua
- Mézclelo en un tanque rociador

**DATOS DEL PRODUCTO**

Produce hasta 2.6 galones y sirve para tratar hasta 800 pies cuadrados

**¿QUÉ HACE?**  
 Elimina y evita todo tipo de malezas y gramas

**¿CÓMO FUNCIONA?**

**¡IMPORTANTE:** Para evitar el crecimiento de nuevas malezas y gramas **DEBE ROCIAR TODA EL ÁREA** que desee controlar, y **NO SOLO** las malezas que germinen.

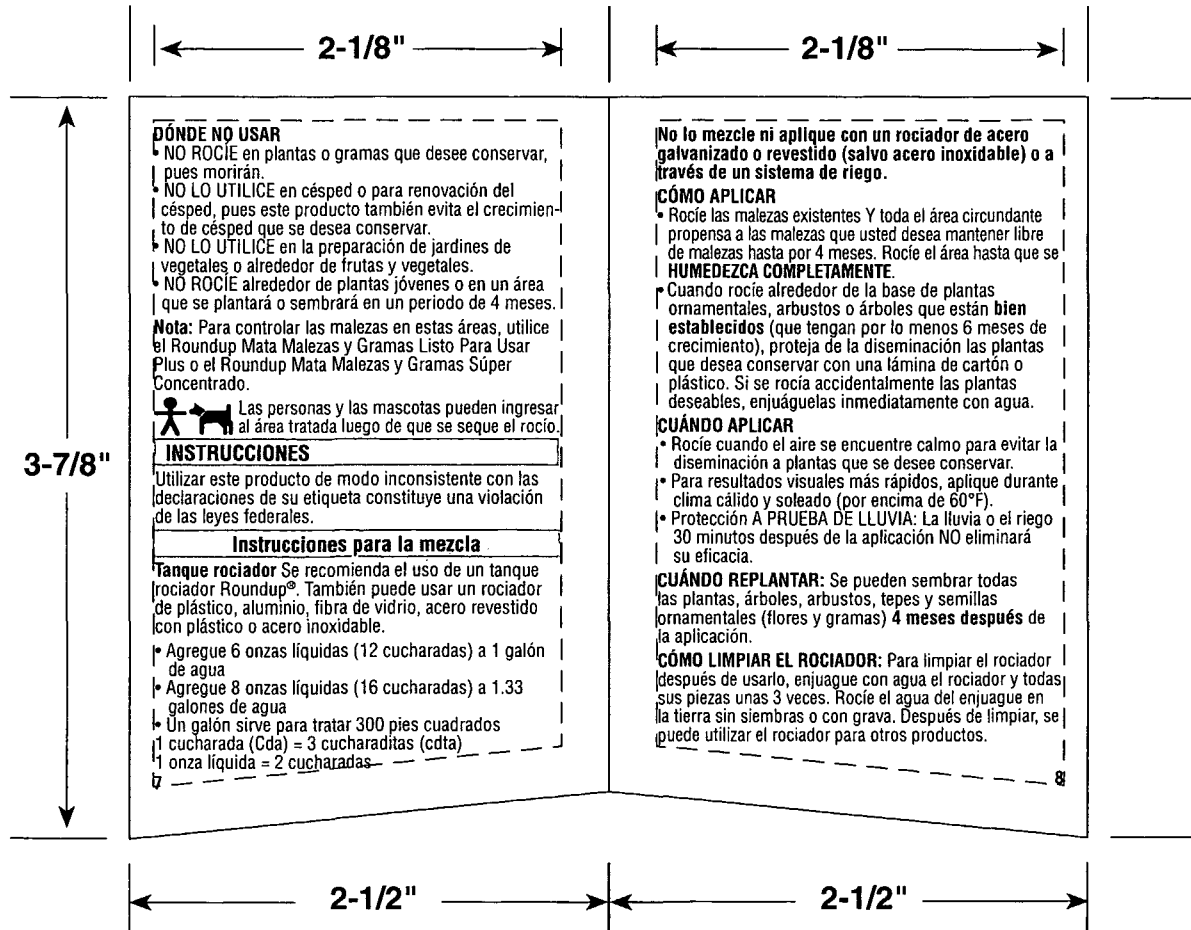

Funciona de dos maneras:

- 1) Glifosato, el ingrediente activo primario en este producto se absorbe a través de las hojas de las malezas. Se mueve por la maleza en dirección a la raíz deteniendo la función de una enzima esencial que se encuentra en las plantas. Las malezas se mueren, con todo y raíces, así que no vuelven a crecer.
- 2) ¡El otro ingrediente forma una barrera invisible en la tierra que evita el crecimiento de malezas y gramas en germinación hasta por 4 meses!

**¿DÓNDE USAR:** Aplique Roundup Concentrado Control Prolongado Mata Malezas y Gramas con Prevención de Malezas **TANTO** a las malezas existentes como a las áreas propensas a malezas dónde las malezas aún no han aparecido.

- En las grietas y rajaduras en caminos de acceso, aceras, pasos peatonales y patios.
- A lo largo de las cercas, cimientos, bordillos, muros de retención y bordes del césped.
- Alrededor de la base o en lechos con cobresuelos orgánicos de plantas, arbustos o árboles bien establecidos (que tengan por lo menos 6 meses de crecimiento).
- En áreas con grava.
