SUBJECT:

Application for Pesticide Notification (PRN 98-10)

Request Alternate Brand Name "Roundup Ready-To-Use Extended Control

Weed & Grass Killer Plus Weed Preventer II"

EPA Reg. No. 71995-47

Application Dated November 27, 2006

Dear: Ms. Mannion,

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated 11/27/2006 for the above product. The Registration Division (RD) has conducted a preliminary screen of this request for its applicability under PRN 98-10 and finds that the action(s) requested fall within the scope of PRN 98-10. The Confidential Statement of Formula (CSF) and/or label submitted with the application has (have) been stamped "Notification" and will be placed in our records.

If you have any questions, please me directly at 703-305-6249 or Owen F. Beeder of my staff at 703-308-8899.

Cn

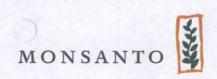

Sincerely,

Linda Arrington

WHAT IT Kills and prevents all types of weeds and grasses.

HOW IT IMPORTANT: To prevent new weeds and grasses
WORKS from growing YOU MUST SPRAY THE ENTIRE AREA
you want to control, NOT JUST the emerged weeds. IT
Roundlo Extended Control works two ways.
1. One ingredient enters plants through foliage and moves
systemically to the roots, killing weeds by stopping the
production of a substance found in plants. Weeds begin
to yellow and will within hours with complete kill in 1 to

2. The other ingredient provides an invisible barrier in the soil that prevents growth of sprouting weeds and grasses for up to 4 months!

Apply Roundup Extended Control to BOTH existing weeds and weed-prone areas where weeds have not yet appeared.

• On cracks and crevices in driveways, sidewalks, walkways, WHERE 1

and patios.

• Along fences, foundations, curbs, retaining walls, and edge of lawns.

Around the base or in mulched beds of well-established (at least 6 months old) plants, shrubs or trees.

On gravel areas.

WHERE • DO NOT SPRAY plants or grasses you like — they may die too.

NOT TO • DO NOT USE in lowns or for lown renovation as Roundup

Extended Control prevents desirable grasses from growing too.

• DO NOT USE for vegetable garden preparation or in and around fruits and vegetables.

DO NOT SPRAY around young plants or in an area that will be planted or seeded within 4 months.

lote: For weed control in these areas use Roundup Weed & Grass Killer Ready-To-Use.

People and pets may enter treated area after spray has dried.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
