

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (7505P)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg. Number:

71995-61

Date of Issuance:

12/18/19

NOTICE OF PESTICIDE:

Registration
 Reregistration
(under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

RD 1870 HERBICIDE

Name and Address of Registrant (include ZIP Code):

Monsanto Company
1300 I Street, NW
Suite 450 East
Washington, DC, 20005

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Emily Schmid, Product Manager 25
Herbicide Branch, Registration Division (7505P)

Date:

12/18/19

2. Make the following label changes before you release the product for shipment:
 - Revise the EPA Registration Number to read, “EPA Reg. No. 71995-61.”
3. Submit one copy of the revised final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 11/1/2018
- Alternate CSF A dated 11/1/2018
- Alternate CSF B dated 11/1/2018
- Alternate CSF C dated 11/1/2018
- Alternate CSF D dated 11/1/2018

If you have any questions, please contact Sarah Meadows by phone at 703-347-0505, or via email at meadows.sarah@epa.gov.

Enclosure

MASTER LABEL FOR EPA REG. NO. 71995-XX

Primary Brand Name:

RD 1870 Herbicide

Alternate Brand Names:

Roundup EasyMix Dry Concentrate Weed & Grass Killer

Editorial Notes:

Bold, italicized text is information for the reader and is not part of the label.

[Bracketed text [] is optional text and a 'place holder' for graphics].

Text separated by a backslash '/' denotes 'and/or' options.

Refer to APPENDIX 1 for Consolidated List of Label Claims; APPENDIX 2 for Packaging Related Claims.

[Insert Brand Name and Logo]

[Insert Claims from Appendix 1 or 2] [Insert Graphics]

ACTIVE INGREDIENTS:

Glyphosate, ammonium salt[†] 73.3%

Diquat dibromide 2.9%

OTHER INGREDIENTS 23.8%

TOTAL **100.0%**

[†]One pound of product contains 0.733 lb of the ammonium salt of glyphosate, which is equivalent to 0.666 lb of the acid, glyphosate (66.6%).

Keep Out of Reach of Children

CAUTION

PRODUCT FACTS

[KILLS WEEDS/ KILLS ALL TYPES OF WEEDS & GRASSES] [Insert Graphic of grassy, broadleaf & woody weeds]

[Each [packet/ pouch] makes [1/ one] gallon [of spray solution]

[Mix [one/ 1] [packet/ pouch] [1.5 oz/ scoop/ capful] with water to make [a/ 1/ one] gallon of spray solution]

[One/ Each] gallon [of spray solution] [covers/ treats] 300 sq ft.]

[Spot spray or spray evenly [each gallon of spray solution] over 300 sq ft]

[Coverage may vary based on the number, type or size of weeds treated in a given area.]

[Insert Claims from Appendix 1 or 2]

[For outdoor residential use]

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Always read and follow label directions. [See [enclosed] [back] [product] [booklet/ label/ labeling/ insert] for complete use directions [(inside box)].]

WHERE TO USE: On patios, walkways, driveways, gravel areas or mulch beds]; [Around [flower beds/ shrubs [or/ &] trees]; [Along fences/ & / foundations/ retaining walls]; [In large areas for lawn replacement [& and] [flowerbed/ landscaping] preparation]; [[Plus/ other] areas where [tough] weeds are invading your yard]

WHERE NOT TO USE: Do not use on or around edible food or feed crops; or where livestock grazing is allowed. Do not use for vegetable garden preparation.

MIXING [AND USE] INSTRUCTIONS: [Use a Tank Sprayer/ Mix into Tank Sprayer] Add [one/ 1] 1.5 oz [packet/ pouch] per gallon of water.] Mix until completely dissolved. Spot treat or spray evenly each gallon of spray solution over 300 sq ft. [Make only what you can use in a day. Spray solution performs best if used the same day of mixing.] [Slower onset of visual results could result from the application of spray solutions allowed to stand overnight.] [See [enclosed] [product] [booklet/ label/ labeling/ insert] [(inside box)] for complete directions for use.] [Read the entire Directions for Use before using.]

Application Restrictions: Do not apply this product in a way that will contact any person or pet, either directly or through drift. Only the person applying this product may be in the area during application.

User Safety Recommendations:

- Wash hands thoroughly after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Remove clothing immediately if product gets inside; then wash thoroughly and put on clean clothing.
- Clothing and protective equipment exposed to this product should be washed separately from other laundry with detergent and hot water.

IMPORTANT: Do not spray plants or grasses you like – they will die. Not recommended for spot weed control in lawns since [this product/ Insert Brand Name] kills lawn grasses. [Do not allow treated weeds to come in contact with desirable plants until spray has dried.]

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

KEEP OUT OF REACH OF CHILDREN

CAUTION: Harmful if swallowed or inhaled. Avoid breathing dust or spray mist. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

[Re-entry icon] People and pets may enter treated area after spray has dried. Do not apply this product in a way that will contact any person or pet, either directly or through drift. Only persons applying this product may be in the areas during application.

FIRST AID	
IF SWALLOWED	Call a poison center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or physician. Do not give anything by mouth to an unconscious person. Quick treatment is essential to counteract poisoning and should be initiated before signs and symptoms of injury appear.
IF INHALED	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison center or doctor for further treatment advice.
IF IN EYES	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eyes. Call a poison center or doctor for treatment advice.
Emergency Medical Information: Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may contact [Insert Telephone Number] for emergency medical treatment information. [This product is identified as [Insert Brand Name], EPA Reg. No. 71995-NEW.]	

ENVIRONMENTAL HAZARDS: To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Diquat is toxic to aquatic invertebrates. Do not apply directly to water. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store product in original container in a safe place away from direct sunlight.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. **If Empty:** Place in trash or offer for recycling, if available. **If Partly Filled:** Call your local solid waste agency [or Insert Telephone Number] for disposal instructions. Never place unused product down any indoor or outdoor drain.

PHYSICAL OR CHEMICAL HAZARDS: Spray solutions of this product may be mixed, stored and applied using stainless steel, fiberglass, plastic or plastic-lined steel containers. DO NOT MIX, STORE OR APPLY THIS PRODUCT OR SPRAY SOLUTIONS OF THIS PRODUCT IN GALVANIZED STEEL OR UNLINED STEEL (EXCEPT STAINLESS STEEL) CONTAINERS OR SPRAY TANKS.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

***CONSUMER GUARANTEE:** If for any reason you are not satisfied after using this product, simply send us original proof of purchase and we will refund the purchase price.]

Optional Section:

PRODUCT FACTS

[KILLS WEEDS/ KILLS ALL TYPES OF WEEDS & GRASSES] [Insert Graphic of grassy, broadleaf & woody weeds]

[Each [packet/ pouch] makes [1/ one] gallon [of spray solution]

[Mix [one/ 1] [packet/ pouch] [1.5 oz/ scoop/ capful] with water to make [a/ 1/ one] gallon of spray solution]

[One/ Each] gallon [of spray solution] [covers/ treats] 300 sq ft.]

[Spot spray or spray evenly [each gallon of spray solution] over 300 sq ft]

[Coverage may vary based on the number, type or size of weeds treated in a given area.]

[Insert Claims from Appendix 1 or 2]

[For outdoor residential use]

HOW IT WORKS [Insert Graphics]

[[Glyphosate/ Insert Brand Name/ This product] [is absorbed by the weed's leaves/ enters plants through the foliage]. It moves through the weed to the root, stopping the function of an essential enzyme found in plants.]

[Kills only what you spray.] [Any product not absorbed by the plant breaks down without moving in or on the soil to untreated plants.] [Weeds begin to yellow and wilt as fast as [6/ 12/ 24] hours, with complete kill in 1 to 2 weeks [for [most/ annual] weeds].] [Extremely cool or cloudy weather following treatment may slow activity of this product and delay development of visual symptoms.] [Some [established/ hard-to-kill/ perennial] weeds may take 4 or more weeks for complete kill.] [Weeds die, roots and all – so they don't grow back.] [Individual results may vary.]

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Always read and follow label directions.

WHERE TO USE [Insert Graphics]

- [On patios, walkways, driveways, gravel areas or mulch beds]
- [Around [flower beds/ shrubs [or/ &] trees]
- [Along fences/ & / foundations/ retaining walls]
- [In large areas:] [-] For lawn replacement [-] [For] [&/ and] [flowerbed/ landscaping] preparation]
- [[Plus/ other] areas where [tough] weeds are invading your yard]

WHERE NOT TO USE

Do not use on or around edible food or feed crops; or where livestock grazing is allowed. Do not use for vegetable garden preparation.

MIXING [AND USE] INSTRUCTIONS [Insert Graphics]

Use of a Roundup® Brand tank sprayer is recommended. A plastic, fiberglass, plastic-lined steel or stainless steel sprayer may also be used. **Do not mix, store or apply using a galvanized or unlined steel (except stainless steel) sprayer.**

- [Add [one/ 1] 1.5 oz [packet/ pouch] per gallon of water.]
Alternative Text: [[Peel/ Pull/ Tear/ off/ Remove] [tamper [resistant/ evident] band/ on bottom of cap.] [Add/ Measure] [one/ 1] 1.5 oz [scoop] per gallon of water [using the measuring cap provided]. [To measure the right amount [of product],] [use [the] [convenient] [easy-measure] [cap/ scoop] [with] [measuring/ scale/ volume/ gradation[s]] [lines/ markings/ marks] [inside]. Close [cap/ container] tightly after use.]
[Mix until completely dissolved.]
- Spot treat or spray evenly each gallon of spray solution over 300 sq ft. **Alternative Text:** [One/ Each] gallon [covers/ treats] 300 sq ft.]
- Make only what you can use in a day. Spray solution performs best if used the same day of mixing. Slower onset of visual results could result from the application of spray solutions allowed to stand overnight.

HOW TO APPLY [Insert Graphics]

- Adjust [sprayer] nozzle to the desired spray setting.
- Spray the weeds or grasses you want to kill until **thoroughly wet**.
- Spot treat or spray evenly each gallon of spray solution over 300 sq ft.
- When spot treating [weeds] around desirable plants, shield plants from drift with a [sheet/ piece] of cardboard or plastic. If desirable plants are accidentally sprayed, rinse off immediately with water [or cut off treated area].

IMPORTANT: Do not spray plants or grasses you like – they will die. Not recommended for spot weed control in lawns since [this product/ Insert Brand Name] kills lawn grasses. [Do not allow treated weeds to come in contact with desirable plants until spray has dried.]

Optional Section: Select Any of the Options Below

ADDITIONAL TIPS [Insert Graphics]

[To Kill Vines *Alternative Text:* [For/ Vine Treatment]: [If vines are growing up poles, fences, or tree trunks with mature bark, cut vines to a height of 3 to 4 feet and spray vines thoroughly.] [If spraying regrowth, shield shrubs and immature tree trunks from spray drift with a [sheet/ piece] of cardboard or plastic.]

[For Lawn [Replacement/ Renovation]: [Use [this product/ Insert Brand Name] to kill [an existing] lawn and [its] weeds before planting a new lawn [or prior to laying a patio, sidewalk or driveway].] ***Alternative Text:*** [For lawn replacement use [this product/ Insert Brand Name] to kill lawn and weeds before planting new lawn.]

- [Skip one mowing before spraying.] [If soil is dry, water the day before application and 2 to 3 days after application.]
- [Use [[1/ one] 1.5 oz [packet/ pouch] per gallon of water for each 300 sq ft. Apply evenly over treatment area.]
- [If green patches remain after 7 days, reapply.]
- [Wait [at least] 7 days after last application to prepare the soil for planting by raking or rototilling the lawn. Rake up and remove loosened thatch or debris.]
- [Apply seed according to directions on seed package, or install sod. Grass seed must have a good contact with soil to germinate and grow. Keep area moist for 2 weeks to establish new lawn, then water as needed.]

[[For [Flowerbed/ Landscaping] Preparation: Use [this product/ Insert Brand Name] to kill weeds and grasses [brush] before planting flowers, trees or shrubs.]]

- [If soil is dry, water the day before application and 2 to 3 days after application.]
- [Use [[1/ one] 1.5 oz] [packet/ pouch] per gallon of water for each 300 sq ft. Apply evenly over treatment area.]
- [Wait 2 days after last application before planting flowers, trees and shrubs.] [See **When To Replant** section for details.]

[[For] Kudzu: For best results, apply in mid to late summer when vines are mature and actively growing. Spray vines thoroughly.]

[[For] Wild Blackberry: Spray until thoroughly wet when plants are actively growing. Dead canes should be cut down and removed. Reapplication is often required to kill deep roots.]

[[For] Poison Ivy & Poison Oak: Spray until thoroughly wet when plants are actively growing, but at least 4 weeks before the first killing frost in the fall. Reapply if new growth appears. Contact with these plants anytime of the year can cause an allergic reaction. Handle dead plants with rubber gloves. Dispose of plants and rubber gloves in tightly sealed garbage bags.]

WHEN TO APPLY [Insert Graphics]

- Apply when weeds are actively growing. ***Alternative text:*** [Use anytime weeds [and grasses] are actively growing.]
- For best results, apply during warm, sunny weather above 60° F [to accelerate systemic movement from foliage to roots]. [Development of visible results could be delayed in cool or cloudy conditions.]
- [Apply/ Spray] when air is calm to prevent drift to desirable plants.
- RAINPROOF [Protection:]: Rain or watering [insert# 1-8] hours after application will NOT wash away effectiveness. ***Alternative Text:*** [Insert Brand Name] is Rainproof [in/ as fast as] [insert# 1-8] hours.]
- Some established [perennial/ hard to kill] weeds may require a repeat application.
- [Apply when weeds are small and before seeds form.]

Application Restrictions: Do not apply this product in a way that will contact any person or pet, either directly or through drift. Only the person applying this product may be in the area during application.

User Safety Recommendations:

- Wash hands thoroughly after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Remove clothing immediately if product gets inside; then wash thoroughly and put on clean clothing.
- Clothing and protective equipment exposed to this product should be washed separately from other laundry with detergent and hot water.

WHEN TO REPLANT [Insert Graphics]

- All ornamental flowers, trees and shrubs may be planted **2 days after** application.
- Lawn grasses may be planted **7 days after** application.

Optional Section:

HOW TO CLEAN [SPRAYER] [Insert Graphics]

To clean sprayer after use, rinse sprayer and sprayer parts with water 3 times. Spray rinse water on [bare soil or gravel/ treated area]. After cleaning, sprayer may be used for other products.

Optional Section: Select from the list below

KILLS ALL TYPES OF WEEDS AND GRASSES [Insert Graphics]

Kills [insert from the list below] [and other broadleaf weeds/ and other grassy weeds/ and brush]. **Alternative Text:** [CONTROLS WEEDS, GRASSES [AND/ &] BRUSH INCLUDING/ WEEDS CONTROLLED INCLUDE:]

Alternative Text: [Controls [common] weeds, grasses and brush [including]/ [Common] Weeds [grasses/ [&/ and]/ brush] controlled [include:]] [Bermudagrass, Black Medic, Buckhorn Plantain, Buttercup, Common Purslane, Curly Dock, Crabgrass, Goosegrass, Dandelion, Kentucky Bluegrass, Lambsquarters, Annual Morning Glory, Perennial Ryegrass, Spotted Spurge, Fescue, White Clover, and Yellow Nutsedge [insert from the list below] [and other broadleaf weeds, grassy weeds [and/ &] brush]].

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store product in original container in a safe place away from direct sunlight.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. **If Empty:** Place in trash or offer for recycling, if available. **If Partly Filled:** Call your local solid waste agency [or Insert Telephone Number] for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

KEEP OUT OF REACH OF CHILDREN

CAUTION: Harmful if swallowed or inhaled. Avoid breathing dust or spray mist. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

[Re-entry icon] People and pets may enter treated area after spray has dried. Do not apply this product in a way that will contact any person or pet, either directly or through drift. Only persons applying this product may be in the areas during application.

FIRST AID	
IF SWALLOWED	Call a poison center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or physician. Do not give anything by mouth to an unconscious person. Quick treatment is essential to counteract poisoning and should be initiated before signs and symptoms of injury appear.
IF INHALED	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison center or doctor for further treatment advice.
IF IN EYES	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eyes. Call a poison center or doctor for treatment advice.
Emergency Medical Information: Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may contact [Insert Telephone Number] for emergency medical treatment information. [This product is identified as [Insert Brand Name], EPA Reg. No. 71995-NEW.]	

ENVIRONMENTAL HAZARDS: To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. This product is toxic to aquatic invertebrates. Do not apply directly to water. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems.

PHYSICAL OR CHEMICAL HAZARDS: Spray solutions of this product may be mixed, stored and applied using stainless steel, fiberglass, plastic or plastic-lined steel containers. **DO NOT MIX, STORE OR APPLY THIS PRODUCT OR SPRAY SOLUTIONS OF THIS PRODUCT IN GALVANIZED STEEL OR UNLINED STEEL (EXCEPT STAINLESS STEEL) CONTAINERS OR SPRAY TANKS.**

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
