[BACK/SIDE PANEL]

Goose Repellent _____
Liquid Fence®

The Liquid Fence® Company, Inc. is proud to present another quality animal repellent. **Liquid Fence® Goose Repellent _____** was designed to repel geese, turkeys and ducks from lawns, golf courses, landscaping or any turf areas where geese, turkeys or ducks are a problem.

All **Liquid Fence®** products are thoroughly researched and tested to ensure product performance.

Liquid Fence® Goose Repellent _____ will dramatically reduce the habitation of geese, turkeys and ducks in the treated area, thus reducing the damage to your property from destructive birds and the unsightly conditions they create. The reduction of geese, turkeys and ducks will dramatically reduce or eliminate the fecal contamination they leave behind.

HOW IT WORKS

The application of **Goose Repellent _____** makes the food supply in the application area very undesirable to geese, turkeys and ducks. The elimination of the food source will completely change the feeding habits of these birds and cause them to look for a more desirable feeding location.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

Users should wear protective eyewear (e.g. goggles or face shield), waterproof gloves, and protective clothing: long-sleeved shirt, pants, shoes and socks.

ENVIRONMENTAL HAZARDS

For terrestrial uses: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate.

NOTE: The following "Directions for Use" will be used for product packaged in the "ready-to-spray hose-end 1 quart container":

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For best results shake well. Make sure the control knob is in the off position. Attach water hose to nozzle (do not over tighten). Turn water on at faucet, aim nozzle toward area you wish to protect. Remove safety tab from nozzle by pressing towards control knob, snapping it off. Turn the control knob to the ON position to begin spraying. Apply product liberally to landscaping, lawns or turf areas during a dry period. Re-apply as needed. If you desire to spray water only, turn the control knob to the WATER position, to bypass the product. When finished, turn the control knob to the OFF position. Turn faucet to OFF position. Discharge residual water pressure by turning control knob to the WATER position and then OFF again.

Diluted product covers approximately 4,000 sq. ft.

NOTE: The following "Directions for Use" will be used for product packaged in all containers other than the "ready-to-spray hose-end 1 quart container":

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake or mix well. Add 16 oz. of **Goose Repellent** _____ for each gallon of water and thoroughly mix. With garden sprayer or sprinkler, apply diluted product liberally to landscaping, lawns or turf areas during a dry period. Re-apply as needed.

Diluted product covers approximately 16,000 sq. ft. per gallon of product.

[BACK/SIDE PANEL, cont.]

NOTE: The following "Storage and Disposal" Statements will be used for product packaged for Residential Use (<5 gallons):

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Store between 40° - 90°F. Keep containers closed tightly to prevent evaporation. If spillage occurs, dilute with water and flush away.

DISPOSAL: If empty, do not reuse this container. Place in trash or offer for recycling if available. **If partly filled**, call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTE: The following "Storage and Disposal" Statements will be used for product packaged for Commercial Use (>5 gallons):

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Store between 40° - 90°F. Keep containers closed tightly to prevent evaporation. If spillage occurs, dilute with water and flush away.

DISPOSAL: Do not reuse empty container. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: All containers should be triple rinsed, then offered for recycling or reconditioning, or punctured and disposed of in a sanitary land fill, or incinerated or if allowed by state and local authorities, burned. If burned, stay out of smoke.

Re: Liquid Fence Company, Inc.
EPA Reg. No. 72041-2

Dear Dr. Reilly:

This Labeling Notification is being submitted on behalf of our client, Liquid Fence Company, Inc. This Labeling Notification is being filed in accordance with PR-Notice 98-10.

The purpose of the attached Labeling Notification is to:

1. Change the **primary brand name** of the product registered under EPA registration number 72041-2 to **Goose Repellent**. This change to the primary brand name deletes the word "Concentrate" in the product name.
2. Insert the approved phrase "Apply product liberally to landscaping, lawns or turf areas during a dry period. Re-apply as needed." in the Directions for Use for the "ready-to-spray hose-end 1 quart" container.
3. Add the optional phrase "Ready-to-Spray" for use on the ready-to-spray hose-end 1 quart container.
4. Correct the Liquid Fence Company, Inc. toll free telephone number and add an additional rendition of that number.

9/9

Dr. Sheryl Reilly:Goose Repellent Notification:11/3/05
page 2

Attached, please find the following:

1. EPA Form 8570-1
2. One copy of draft labeling with notification changes double-underlined.

This Labeling Notification is not subject to the Registration Service Fee requirements of the Pesticide Registration Improvement Act of 2003 (PRIA).

Please return a "Notification" stamped label to my attention at Brazos Associates, Inc., address indicated in the letterhead.

Thank you for your assistance. If there are any questions or need for additional information, please contact me at 610-419-6345.

Regards,
