9/6/06

Term of Issuance: **Unconditional**

Name of Pesticide Product:
Goose Repellent

NOTICE OF PESTICIDE:
 Registration
 Reregistration
(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Liquid Fence Company
P.O. Box 300
Brodheads ville, PA 18322

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA Sec. 3(c)(5) provided you:

- 1. Submit and /or cite all data required for registration/reregistration of your product under FIFRA Sec.3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA Sec.4.

[BACK/SIDE PANEL]**Goose Repellent
Liquid Fence®**

The Liquid Fence® Company, Inc. is proud to present another quality animal repellent. **Liquid Fence® Goose Repellent** was designed to repel geese, turkeys and ducks from lawns, golf courses, landscaping or any turf areas where geese, turkeys or ducks are a problem.

All **Liquid Fence®** products are thoroughly researched and tested to ensure product performance.

Liquid Fence® Goose Repellent will dramatically reduce the habitation of geese, turkeys and ducks in the treated area, thus reducing the damage to your property from destructive birds and the unsightly conditions they create. The reduction of geese, turkeys and ducks will dramatically reduce or eliminate the fecal contamination they leave behind.

HOW IT WORKS

The application of **Goose Repellent** makes the food supply in the application area very undesirable to geese, turkeys and ducks. The elimination of the food source will completely change the feeding habits of these birds and cause them to look for a more desirable feeding location.

PRECAUTIONARY STATEMENTS**HAZARDS TO HUMANS AND DOMESTIC ANIMALS****CAUTION**

Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

Users should wear protective eyewear (e.g. goggles or face shield), waterproof gloves, and protective clothing: long-sleeved shirt, pants, shoes and socks.

PRECAUTIONARY STATEMENTS, cont.

First Aid

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
- Call a poison control center or doctor for treatment advice.

If on skin or clothing:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

If swallowed:

- Call a poison control center or doctor for treatment advice.
- Have the person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not give anything to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-222-1222 for emergency medical treatment information.

ENVIRONMENTAL HAZARDS

For terrestrial uses: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate.

NOTE: The following "Directions for Use" will be used for product packaged in the "ready-to-spray hose-end 1 quart container":

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For best results shake well. Make sure the control knob is in the off position. Attach water hose to nozzle (do not over tighten). Turn water on at faucet, aim nozzle toward area you wish to protect. Remove safety tab from nozzle by pressing towards control knob, snapping it off. Turn the control knob to the ON position to begin spraying. Apply product liberally to landscaping, lawns or turf areas during a dry period. Re-apply as needed. If you desire to spray water only, turn the control knob to the WATER position, to bypass the product. When finished, turn the control knob to the OFF position. Turn faucet to OFF position. Discharge residual water pressure by turning control knob to the WATER position and then OFF again.

Diluted product covers approximately 4,000 sq. ft.

NOTE: The following "Directions for Use" will be used for product packaged in all containers other than the "ready-to-spray hose-end 1 quart container":

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake or mix well. Add 16 oz. of **Goose Repellent** for each gallon of water and thoroughly mix. With garden sprayer or sprinkler, apply diluted product liberally to landscaping, lawns or turf areas during a dry period. Re-apply as needed.

Diluted product covers approximately 16,000 sq. ft. per gallon of product.

NOTE: The following "Storage and Disposal" Statements will be used for product packaged for Residential Use (<5 gallons):

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Store between 40° - 90°F. Keep containers closed tightly to prevent evaporation. If spillage occurs, dilute with water and flush away.

DISPOSAL: If empty, do not reuse this container. Place in trash or offer for recycling if available. **If partly filled**, call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTE: The following "Storage and Disposal" Statements will be used for product packaged for Commercial Use (>5 gallons):

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Store between 40° - 90°F. Keep containers closed tightly to prevent evaporation. If spillage occurs, dilute with water and flush away.

DISPOSAL: Do not reuse empty container. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: All containers should be triple rinsed, then offered for recycling or reconditioning, or punctured and disposed of in a sanitary land fill, or incinerated or if allowed by state and local authorities, burned. If burned, stay out of smoke.
