Subject: Amendment Consolidating Recently Approved Label Changes  
Flea Scare  
EPA Reg. No. 72087-1  
Your Submission Dated April 23, 2002

Dear Ms. Johnston:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments below. Two (2) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the label is enclosed for your records.

1. Make the following changes to the STORAGE AND DISPOSAL section to comply with PR Notice 2001-6:
  - Delete the "PESTICIDES DISPOSAL" section ("Wastes resulting from the use of this product may be disposed of .....").
  - Revise the "CONTAINER DISPOSAL" heading to read simply "DISPOSAL".
  - Delete the statement "If burning stay out of smoke."
2. Revise the last sentence of the FIRST AID section to read: "Have the product container or label with you when calling a poison control center or doctor or going for treatment."

If you have any questions regarding this action, please contact Susan Stanton of my team at (703) 305-5218.

Sincerely,

Handwritten signature of Susan A. Stanton in cursive script.

### Directions For Use

It is A violation of federal law to use this product in a manner inconsistent with it's labeling. FLEA SCARE kills by physical action. Fleas cannot become immune to it's action. Fleas come in contact or ingest this powder and die within 48 hours.

For Indoor Use Only: Thoroughly treat floor and bedding in and around pets sleeping quarters. Treat surrounding cracks, crevices, baseboards, & carpeting. For maximum efficacy, sprinkle Flea Scare in every room. If no carpet is present, sprinkle along baseboards and/or cracks. Do not forget to sprinkle some under beds and couches where fleas like to hide. Vacuum up after 48 hours.

Manufacturer makes no warranty expressed or implied regarding the performance of this product other than indicated on the label. Buyer assumes all risk and/or handling of this material when such use and/or handling is contrary to label instructions.

### CAUTION

#### PRECAUTIONARY STATEMENTS

##### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Avoid contact with eyes. Use adequate ventilation and avoid breathing dust. Wear a suitable dust mask when using this product during prolonged exposure.

### FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eyes. Call a poison control center for treatment advice.

Have the product with you when calling a poison control center or going for treatment.

### STORAGE AND DISPOSAL

STORAGE: Store in a cool dry area.  
PESTICIDES DISPOSAL: Wastes resulting from the use of this product may be disposed of on sight or at an approved waste or at A disposal facility.  
CONTAINER DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency. Never place unused product down any indoor or outdoor drain. If burning stay out of smoke.
