 Re-registration

Name and Address of Registrant (include ZIP code):
**Targe International, Inc.
17523 Indian Springs Court
Sugar Land, TX 77479**

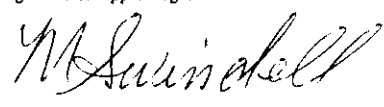

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA Section 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA Section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA Section 4, or as required by registration review under FIFRA Section 3(g).
2. Make the following labeling changes:
 - a. Revise the EPA Registration Number to read,
EPA Reg. No. 72140-2.
 - b. Place the appropriate EPA Establishment No. on the product labeling.

page 2
EPA Reg. No. 72140-2

3. Submit three copies of a final printed production label.

The Confidential Statement of Formula dated January 21st, 2004, is acceptable.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA Section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the accepted label is enclosed for your records.

If you have any questions concerning this letter, please contact Karen M. Leavy-Munk at 703-308-6237.

Sincerely,

Marshall Swindell

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Harmful if swallowed. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling.

ENVIRONMENTAL HAZARDS

This product may be toxic to fish. Do not apply directly to water. Some species of fish may be killed at application rates on this label - trout and channel catfish are especially sensitive. Immature fish are more susceptible to injury than mature fish. Generally, fish toxicity is reduced as water hardness increases. Consult State Fish and Game Agency or other responsible agency before applying this product to public waters.

PHYSICAL AND CHEMICAL HAZARD

Do not use or store near heat or open flame.

PERSONAL PROTECTIVE EQUIPMENT - PPE

When spraying applicators must wear appropriate NIOSH approved respirators. Protective clothing consisting of rubber gloves, goggles, long-sleeved shirt and long pants, shoes and socks should be worn during application.

STORAGE AND DISPOSAL

Store in a cool, dry place out of direct sunlight.

PESTICIDE DISPOSAL: Do not contaminate water, food or feed by storage and disposal. Pesticide wastes are acutely hazardous. Excess pesticide is to be collected for re-use.

CONTAINER DISPOSAL: Offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to your State or Tribe, consult the agency responsible for pesticide regulation.

GENERAL INFORMATION

UNICORN THERMAL MARINE COATING provides effective control of various organisms such as barnacles, zebra mussels, tube worms, algae and other fouling organisms known to foul ship and boat bottom surfaces including but not limited to, steel aluminum, fiberglass, wood and concrete. UNICORN THERMAL MARINE COATING must be applied by specialized thermal coating equipment developed by Targe International, Incorporated to be an effective anti-fouling surface. The equipment maintains agitation at high temperatures (melted coating) for application by spray

5/5

equipment. Surfaces must be clean of grease, oil, dirt and moisture prior to application of base coat. Do not apply directly to metal surfaces. A suitable barrier coat must be applied to steel and aluminum surfaces prior to applying UNICORN THERMAL MARINE COATING. Wood and fiberglass surfaces should be painted with an appropriate primer prior to treatment with UNICORN THERMAL MARINE COATING.

UNICORN THERMAL MARINE COATING applied to ship and boat bottom surfaces at 312°F with special thermal coating equipment that keeps the melted coating material constantly agitated during application to prevent separation of the ingredients. Targe International provides this equipment for use during the application process.

Clean up of minor spots can be accomplished with #4 solvent, MD-3665. Launching or placement of treated material may be accomplished as soon as the coating is dry or any time thereafter.

WARRANTY STATEMENT

TARGE INTERNATIONAL, Inc. warrants that this product conforms to the chemical description on its label and is reasonably fit for the purposes set forth on the label when used according to directions under normal use conditions. THERE ARE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING A WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE. This warranty does not extend to the handling or use of this product contrary to label instructions or under abnormal conditions not reasonable foreseeable to seller and buyer assumes all risk of any such use.
