UNITED STATES ENVIRONMENTAL PROTECTION AGENCY  
Washington, D.C.

SEP 17 2007

OFFICE OF PREVENTION,  
PESTICIDES, AND TOXIC SUBSTANCES

Robyn Kneen  
Bayer Advanced  
2 T. W. Alexander Drive  
Research Triangle Park, N.C. 27709

Dear Ms. Robyn:

SUBJECT: Label Amendment  
Lawn Herbicide JD Concentrate  
EPA Registration No. 72155-4  
Your Application Dated May 31, 2007

The label amendment referred to above, submitted in accordance with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. with the following provisions:

1. Under the "Directions for Use" in the "Applications Restrictions" area of the labeling, revise to read as follows:

"Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application.

2. Revise the "Environmental Hazards" statement to read:

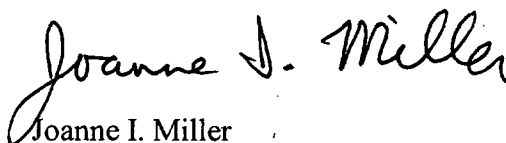

"This pesticide is toxic to fish and aquatic invertebrates. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark except as noted on appropriate labels. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas. Do not contaminate water when disposing of equipment wash waters or rinsate.

2/15

This chemical has properties and characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination. Application around a cistern or well may result in contamination of drinking water or groundwater/."

A stamped copy is enclosed for your records. Please submit one (1) copy of your final printed labeling before you release the product for shipment. This amended labeling supersedes all previously accepted ones.

Sincerely yours,

A handwritten signature in cursive script that reads "Joanne I. Miller". The signature is written in dark ink and is positioned above the printed name.

Joanne I. Miller

<b>DIRECTIONS FOR USE</b>	
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. For best results, read and follow all label directions.	
<b>BEFORE YOU USE</b> Read and follow directions when using.	<ul style="list-style-type: none"><li>• Do not apply near lakes, streams, rivers or ponds.</li><li>• Spray when most of the day is expected to remain cooler than 90° F.</li><li>• Avoid drift of spray mist onto vegetables, flowers, ornamental plants, shrubs, trees and other desirable plants. Apply when wind is calm.</li><li>• The maximum number of broadcast applications per treatment site is two per year.</li></ul>
<b>HOW TO USE</b> <b>Shake Well</b> <b>Before Use</b>	<ul style="list-style-type: none"><li>• Determine amount of product to use based on grass type and size of area to be treated.</li><li>• Prepare product for use according to How to Apply.</li><li>• Apply to lawn.</li></ul>
<b>Continued on next page</b>	<b>3</b>

**DIRECTIONS FOR USE Continued**

<b>HOW MUCH TO APPLY</b>	<p><b><u>Northern Lawns:</u></b></p> <ul style="list-style-type: none"> <li>Fescue, Kentucky Bluegrass, and Perennial Rye</li> </ul> <p>2 fl. oz. (4 Tbs.) per gallon of water</p> <p><b><u>Hardy Southern Lawns:</u></b></p> <ul style="list-style-type: none"> <li>Bermuda, Buffalo and Zoysia grasses</li> </ul> <p>2 fl. oz. (4 Tbs.) per gallon of water</p> <p><b><u>Southern Lawns:</u></b></p> <ul style="list-style-type: none"> <li>Bahia, Centipede, and St. Augustinegrass</li> </ul> <p>1 fl. oz. (2 Tbs.) per gallon of water</p> <p>For lawns with mixed grass types, use the lowest rate.</p> <p>Each gallon of solution treats 500 sq. ft.</p> <p><b>TIP:</b> Measure length and width of area to be treated in feet. Multiply these 2 numbers together. This is the area to be treated in square feet (sq. ft.).</p>
<b>HOW TO APPLY</b>	<p><b>Pump Style Sprayers</b></p> <ol style="list-style-type: none"> <li>Add the appropriate amounts of water and concentrate to the sprayer tank.</li> <li>Close sprayer, shake well and pressurize.</li> <li>Adjust nozzle to a coarse spray pattern.</li> <li>Large Areas – Apply evenly over area. Individual Weeds – Hold tip of wand about 12 inches from weed, aim at center of weed and spray.</li> <li>Occasionally re-pressurize the sprayer if needed to maintain a good spray pattern.</li> </ol> <p><b>Dial Style Hose-End Sprayers</b></p> <ol style="list-style-type: none"> <li>Fill sprayer jar with enough concentrate to cover area to be treated. Close sprayer and set dial. TIP: The numbers on Dial-Style Hose-End sprayers are ounces of concentrate per gallon of spray.</li> <li>Attach sprayer to hose and apply.</li> <li>To avoid contact with the treated area, begin by spraying area farthest from faucet walking backwards as you spray.</li> </ol> <p><b>Concentrate Plus Water Hose-End Sprayer</b></p> <ol style="list-style-type: none"> <li>Pour concentrate into sprayer jar to the required fluid ounce level.</li> <li>Add the appropriate amount of water to the gallons level.</li> <li>Replace sprayer top and shake well before applying.</li> <li>To avoid contact with the treated area, begin by spraying area farthest from faucet walking backwards as you spray.</li> </ol>
<b>FOR BEST RESULTS</b>	<ul style="list-style-type: none"> <li>Apply when weeds are young and actively growing.</li> <li>If the lawn is dry, water 24 hours before using this product.</li> <li>Rain or watering 6 to 8 hours after application will not wash away effectiveness.</li> <li>Apply 1 to 3 days after mowing.</li> <li>Certain hard-to-kill weeds may need to be spot-treated in 14 days.</li> <li>Do not apply to new lawns until the grass has reached a height of at least 2 inches.</li> <li>Bare spots may be seeded 3 to 4 weeks after application.</li> </ul>
<b>HOW LAWN HERBICIDE JD CONCENTRATE WORKS</b>	<p><b>LAWN HERBICIDE JD CONCENTRATE</b> is a selective herbicide - it selectively kills weeds in the lawn but won't harm the lawn itself. It is a blend of proven weed killers designed to get broadleaf weeds such as Dollarweed, Spurge and Oxalis.</p>

Do not allow people (other than applicator) or pets on treated area during application.  
People and pets may re-enter the treated area after it has dried.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION**

- Harmful if swallowed.
- Causes moderate eye irritation.
- Avoid contact with eyes, skin or clothing.
- When using this product, wear long-sleeved shirt, long pants, socks, shoes and rubber gloves.

After using this product:

- Rinse gloves before removing.
- Remove clothing and launder separately before reuse.
- Wash hands thoroughly with soap and water.
- If product gets on clothing, remove clothing as soon as possible and shower.

**FIRST AID**

IN CASE OF ACCIDENTAL...	IMMEDIATELY...
<b>IF SWALLOWED</b>	<ul style="list-style-type: none"> <li>• Call a poison control center or doctor immediately for treatment advice.</li> <li>• Have person sip a glass of water if able to swallow.</li> <li>• Do not induce vomiting unless told to do so by a poison control center or doctor.</li> <li>• Do not give anything to an unconscious person.</li> </ul>
<b>IF IN EYES</b>	<ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15 to 20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<b>IF ON SKIN OR CLOTHING</b>	<ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Rinse skin immediately with plenty of water for 15 to 20 minutes.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<b>IF INHALED</b>	<ul style="list-style-type: none"> <li>• Move person to fresh air.</li> <li>• If not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.</li> <li>• Call a poison control center or doctor for further treatment advice.</li> </ul>

**NOTE:** When calling poison control center, have this product label accessible. If seeking treatment at an emergency room or doctor's office, bring this product label to show medical personnel. You may call toll-free 877-229-3763 for medical emergency information. Active Ingredients: 7.59% 2,4-D, dimethylamine salt [CAS # 2008-39-1], 1.83% Mecoprop-p, dimethylamine salt [CAS # 66423-09-4], and 0.84% Dicamba, dimethylamine salt [CAS # 2300-66-5].

**ENVIRONMENTAL HAZARDS**

- This product is toxic to aquatic invertebrates. Do not apply directly to lakes, streams, rivers or ponds.
- Drift or runoff may harm aquatic invertebrates and non-target plants.
- Do not contaminate water when disposing of equipment washwaters. When cleaning equipment, do not pour the washwater on the ground; spray or drain over a large area away from wells and other water sources.

Most cases of groundwater contamination involving phenoxy herbicides such as 2,4-D and MCPP have been associated with mixing/loading and disposal sites. Caution should be exercised when handling 2,4-D and MCPP pesticides at such sites to prevent contamination of groundwater supplies. Use of closed systems for mixing and transferring this pesticide will reduce the probability of spills. Placement of the mixing/loading equipment on an impervious pad to contain spills will help prevent groundwater contamination.

9/15

<b>IMPORTANT: Directions for Storage and Disposal</b>	
Storage Conditions:	Store in original container in a cool dry place, out of the reach of children, preferably in a locked storage cabinet. Protect from freezing.
Disposal: 	<p><b>If Empty:</b></p> <ul style="list-style-type: none"> <li>• Do not reuse empty container.</li> <li>• Place empty container in trash or offer for recycling if available.</li> </ul> <p><b>If Partly Filled:</b></p> <ul style="list-style-type: none"> <li>• If it is necessary to dispose of unused product, please call your local solid waste agency or you may call toll-free 1-877-229-3724 for disposal instructions.</li> <li>• Never place unused product down any indoor or outdoor drain.</li> </ul>

**\*Money Back Guarantee:** If you are not satisfied with this product, we will gladly refund your original purchase price.
