DIRECTIONS FOR USE (Continued)

HOW TO USE Shake Well Before Use	This product is ready to spray. Just attach this bottle to your hose according to directions. Water automatically mixes with the concentrate as you spray.
HOW TO ATTACH AND SPRAY	<ol style="list-style-type: none"> 1. Connect your garden hose to the bottle. Be sure the blue water control valve on top of the spray nozzle is in the OFF position. 2. Turn on water at faucet. Twist the small, star-shaped, blue product-control button to align the flat portion with the lock tab. Push the button in to open. 3. To begin spraying, point nozzle toward the area to be treated and turn the blue water control valve to the ON position. Tab will be horizontal. Spray leaves and tender new shoots. To kill insects that hide, spray the underside of the leaves. Apply until leaves are evenly coated with spray, but not dripping. 4. To stop spraying, turn the blue water control valve on top of the spray nozzle to OFF. To close, push in the small round button opposite the star-shaped product-control button. Turn off faucet. 5. Relieve water pressure by turning blue water control valve to the ON position until water slows to a drip. Turn blue water control valve back to OFF. Disconnect garden hose from bottle.

DIRECTIONS FOR USE (Continued)	
FOR BEST RESULTS	<ul style="list-style-type: none"> Do not water the foliage within one hour after applying. To avoid serious damage to plants, eliminate pests early in the season before they multiply.
HOW MERIT + TEMPO READY-TO-SPRAY INSECTICIDE WORKS	<ul style="list-style-type: none"> MERIT + TEMPO READY-TO-SPRAY INSECTICIDE is a totally different way to control the insects that want to destroy your prized roses, flowers and other ornamental plants. The unique two-way blend of insecticides controls current insect pest problems and prevents reinfestations for up to 30 days. The residual component is actually taken into the plant. Rain or water cannot wash off this internal protection! Insects are killed when they come into contact with the product or when they attempt to eat the plant.

	Children and pets may re-enter the treated area after spray has dried.
---	--

IMPORTANT: Directions for Storage and Disposal	
Storage Conditions:	Store in original container in a cool, dry place, out of the reach of children, preferably a locked storage cabinet. Protect from freezing.
Disposal:	 <ul style="list-style-type: none"> Do not reuse empty container. Wrap empty container and place in trash.
Important: It is best to use all of the product in accordance with label directions. If it is necessary to dispose of unused product, please follow any applicable state and local guidelines. Never dispose of any insecticide down sewers or storm drains.
