Section II - Explanation

Bayer Corporation is submitting a **Notification** to add the new consumer storage and disposal language according to PR Notice 2001-6. The new storage and disposal section reads as follows:

Important – Directions for Storage and Disposal	
Storage Conditions	Store in original container in a cool, dry place, out of the reach of children, preferably a locked storage cabinet.
Disposal 	If empty: <ul style="list-style-type: none">• Do not reuse container.• Place empty container in trash or offer for recycling if available. If partly filled: <ul style="list-style-type: none">• Call your local solid waste agency or toll free 1-877-229-3724 [1-800 CLEAN-UP] for disposal instructions.• Never place unused product down any indoor or outdoor drain.

This notification is consistent with the provision of PR Notice 2001-6 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

When applied as directed, this product meets the guidelines for metals adopted by the Association of American Plant Food Control Officials.

DIRECTIONS FOR USE	
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.	
<p>BEFORE YOU USE Read and follow directions when using.</p>	<ul style="list-style-type: none"> • Use this product ONLY on Carpetgrass, Centipede, St. Augustine (including Floratam) and Zoysia lawns – other grass types could be injured. • Do not allow product to get below the branch spread of trees, shrubs, bedding plants, flowers or garden plants – the roots in this area could pick up the product and injure the plant. • Apply only when grass blades are dry to the touch. • Water in after applying. When temperatures are 80 °F. or above, water in immediately to wash granules off grass blades. • Do not plant flowers or vegetables in treated areas for 18 months after using this product – they may be injured.
<p>HOW TO USE</p>	<ul style="list-style-type: none"> • Adjust spreader to the proper setting (see Spreader Settings). • To be sure you cover the entire area uniformly, first treat the border of the lawn then fill in the center. Make parallel passes, walking at a steady pace to ensure even distribution of the granules.
<p>FOR BEST RESULTS</p>	<ul style="list-style-type: none"> • Best results are obtained when this product is used as part of the Bayer Advanced Lawn care program. • Apply before weeds come up. <ul style="list-style-type: none"> ○ To prevent Crabgrass, Bull Paspalum, sedges, Foxtail and Spotted Spurge, apply between January 1 and March 1 (for best control) although applications made by June 15 will give good control. ○ Apply this product in the fall to control winter weeds such as Henbit, Chickweed, Rabbit Tobacco, Florida Betony and Evening Primrose. ○ Do not apply to Carpetgrass or Centipede lawns during dormancy. • Established weeds are more difficult to control and may require an application in the spring and fall. • Follow these recommendations with new or refurbished lawns, <ul style="list-style-type: none"> ○ Apply this product one week after sprigging St. Augustine or Zoysia to prevent competition from germinating weeds. ○ Newly seeded Carpetgrass, Centipede or Zoysia lawns may be treated after the second mowing. ○ After applying Atrazine 1.055% Granular Herbicide + Lawn Fertilizer, wait one month before planting new sprigs and 6 months before sowing new grass seed.
<p>HOW IT WORKS</p>	<p>This product was specially formulated for southern lawns to kill established weeds, stop new weeds before they can start and green, revitalize and thicken the turf. Watering after application activates the product. Established weeds are killed, roots and all, in about 3 weeks and new weeds are prevented for up to 8 weeks.</p>

SPREADER SETTINGS

If your spreader is not listed, please call our toll-free Consumer Service hotline 1-877-BayerAL for help.

BROADCAST SPREADERS

4.4 lbs./1,000 sq. ft. Distance Between Passes (ft.)

Model Setting	(Spreader settings to be determined.)
----------------------	---------------------------------------

DROP SPREADERS - 4.4 lbs./1,000 sq. ft.

Model Setting	(Spreader settings to be determined.)
----------------------	---------------------------------------

Settings are approximate. The condition of your spreader, the speed at which you walk and uneven terrain may affect the rate of application. Calibrate your spreader according to manufacturer's directions.

TIP 1,000 sq. ft. = 20 x 50 ft.

Do not use a spreader that applies granules in narrow, concentrated or uneven bands. Be sure the spreader works properly and spreads granules evenly.

Important – Directions for Storage and Disposal

Storage Conditions	Store in original container in a cool, dry place, out of the reach of children, preferably a locked storage cabinet.
Disposal 	<p>If empty:</p> <ul style="list-style-type: none"> • Do not reuse container. • Place empty container in trash or offer for recycling if available. <p>If partly filled:</p> <ul style="list-style-type: none"> • Call your local solid waste agency or toll free 1-877-229-3724 [1-800 CLEAN-UP] for disposal instructions. • Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION

- Causes moderate eye irritation.
- Avoid contact with skin, eyes or clothing.
- Washing hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco will reduce exposure.

FIRST AID +

IN CASE OF ACCIDENTAL...	IMMEDIATELY...
Contact with eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. • Remove contacts, if present, after the first 5 minutes, then continue rinsing. • Call a poison control center or doctor for treatment advice.
Inhalation	<ul style="list-style-type: none"> • Move person to fresh air. • Call a poison control center or doctor for treatment advice.

NOTE: When calling poison control center, have this product label accessible. If seeking treatment at an emergency room or doctor's office, bring this product label to show medical personnel. **You may call toll-free 1-877-229-3763 for medical emergency information.** Active Ingredients: 1.055% Atrazine (CAS # 1912-24-9).

ENVIRONMENTAL HAZARDS

- This product is toxic to aquatic invertebrates.
- Do not apply directly to water.
- Runoff and drift from treated areas may be hazardous to aquatic organisms in neighboring areas. Do not contaminate water by cleaning of equipment or disposal of waste.
- Atrazine can travel (seep or leach) through soil and can enter groundwater which may be used as drinking water. Atrazine has been found in ground water. Users are advised not to apply Atrazine to sand and loamy soil where the water table (groundwater) is close to the surface and where these soils are very permeable i.e., well-drained. Your local County Extension Service can provide further information on the type of soil in your area and the location of groundwater.

NOTICE: Research and testing have determined that the 'Directions For Use' are appropriate for the proper use of ATRAZINE 1.055% GRANULAR HERBICIDE PLUS LAWN FERTILIZER under expected conditions. The Buyer assumes responsibility for lack of performance or safety if not used according to the directions.

Money Back Guarantee: If you are not satisfied with this product, we will gladly refund your original purchase price.
