**NOTICE OF PESTICIDE:**

Registration  
 Reregistration

(under FIFRA, as amended)

Name of Pesticide Product

Beta-cyfluthrin 0.05% Fire Ant  
Granular Insecticide

Name and Address of Registrant (include ZIP Code):

Bayer Advanced LLC  
95 Chestnut Ridge Road  
Montvale, NJ 07645

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A), provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Submit/cite data to satisfy EPA Guidelines 830.6317 (1-year storage stability) and 830.6320 (Corrosion Characteristics) once these tests are completed.
3. Submit two copies of your final printed label before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

	100.0 %

Beta-cyfluthrin is the chemical name for Tempo Ultra®

EPA Reg. No. 72155-34

EPA Est. No. -AA-

<b>DIRECTIONS FOR USE</b>		
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. For best results, read and follow all label directions.		
<b>BEFORE YOU USE</b> Read and follow these directions when using:	<ul style="list-style-type: none"> <li>Do not apply near fish pools, ponds, streams or lakes.</li> <li>Food utensils such as measuring cups should not be used for food purposes after use with insecticide.</li> </ul>	
<b>TO CONTROL</b>	<b>HOW MUCH TO APPLY</b>	<b>HOW TO APPLY</b>
Fire Ants Red Harvester Ants Pavement Ants	¼ cup per mound	Sprinkle evenly over mound. Treat new mounds as they appear.
<b>HOW Beta-cyfluthrin 0.05% FIRE ANT GRANULAR INSECTICIDE WORKS</b>	Beta-cyfluthrin 0.05% Fire Ant Granular Insecticide begins to work upon contact, although death is not immediate. This is important, as it allows the worker ants enough time to track the insecticide down into the mound. Here it is picked up and spread throughout the mound, killing the entire colony, including the queens.	

	Do not allow children or pets to contact treated areas.
---	---

<b>IMPORTANT: Directions for Storage and Disposal</b>	
Do not contaminate water, food, or feed by storage or disposal.	
<b>STORAGE CONDITIONS:</b>	Store in original container in a cool, dry place, out of the reach of children, preferably a locked storage cabinet.
<b>DISPOSAL</b> 	<ul style="list-style-type: none"> <li>If Empty: Do not reuse this container. Place in trash or offer for recycling if available.</li> <li>If partly filled: Call your local solid waste agency or call toll-free 877-229-3725 for disposal instructions. Never place unused product down any indoor or outdoor drain.</li> </ul>
