## FOR OUTDOOR RESIDENTIAL USE ONLY

## ACTIVE INGREDIENT:

Imidacloprid ..... 2.94 %

OTHER INGREDIENTS: ..... 97.06 %

TOTAL ..... 100.00%

EPA Reg. No. 72155-56

EPA Est. No. -AA-

Imidacloprid is the chemical name for Merit®

† This product contains twice the concentration of the Bayer Advanced 12-month Tree & Shrub Insect Control Concentrate.

## FIRST AID

If Swallowed	<ul style="list-style-type: none"> <li>• Call a poison control center or doctor immediately for treatment advice.</li> <li>• Have person sip a glass of water if able to swallow.</li> <li>• Do not induce vomiting unless told to do so by a poison control center or doctor.</li> </ul>
If in eyes	<ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15 to 20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<p><b>NOTE:</b> When calling poison control center, have this product label accessible. If seeking treatment at an emergency room or doctor's office, bring this product label to show medical personnel. You may call toll-free 877-229-3763 for medical emergency information.</p> <p>Active Ingredient: 2.94% Imidacloprid (CAS # 138261-41-3).</p>	

## PRECAUTIONARY STATEMENTS

## HAZARDS TO HUMANS AND DOMESTIC ANIMALS

## CAUTION

- Causes moderate eye irritation.
- Avoid contact with skin, eyes, or clothing.
- Wash thoroughly with soap and water after handling.

**ENVIRONMENTAL HAZARDS**

- This pesticide is toxic to aquatic invertebrates. Do not apply directly to water.
- Do not dump rinse water into sewers or other bodies of water.
- Apply this product only as specified on this label.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. For best results, read and follow all label directions.

<b>BEFORE YOU USE</b> Read and follow directions when using.	<ul style="list-style-type: none"><li>• Do not apply near lakes, streams, rivers, or ponds.</li><li>• Do not apply to soils which are water-logged or saturated.</li><li>• Bucket or measuring utensils should not be used for any food or drinking water purposes after use with this product.</li></ul>											
<b>HOW TO USE</b>	Determine the amount to use by measuring the distance around the tree trunk or height of the shrub. Pour the required amount into a bucket of water and empty the bucket around the base of the tree/shrub.											
<b>FOR USE ON</b>	Outdoor trees and shrubs including listed fruit and nut trees: <table><tr><td>Apple</td><td>Loquat</td><td>Oriental Pear</td><td>Pecan</td></tr><tr><td>Crabapple</td><td>Mayhaw</td><td>Pear</td><td>Quince</td></tr></table>				Apple	Loquat	Oriental Pear	Pecan	Crabapple	Mayhaw	Pear	Quince
Apple	Loquat	Oriental Pear	Pecan									
Crabapple	Mayhaw	Pear	Quince									
<b>CONTROLS [KILLS]</b>	Adelgids Aphids Black Vine Weevil Larvae Borers Roundheaded (Including Asian Longhorned Beetle and Eucalyptus Longhorned Borers) Flatheaded (Including Bronze Birch, Alder Borers) and Emerald Ash Borer Japanese Beetles, Adult, Lacebugs Leaf Beetles (including Elm Leaf Beetles, Viburnum Leaf Beetles, and Willow Leaf Beetles) Leafhoppers (including Glassy-Winged Sharpshooter) Leafminers (Including Birch Leafminers)		Mealybugs Pine Tip Moth Larvae Psyllids Root Weevil Larvae (including black vine weevil) Royal Palm Bugs Sawfly Larvae Scales (including Armored Scale (Suppression) and Soft Scale) Thrips Whiteflies									
<b>HOW MUCH TO APPLY</b>	<ul style="list-style-type: none"><li>• Trees: 0.5 oz per inch of distance around trunk</li><li>• Shrubs: 1.5 oz per foot of height</li><li>[• Roses: 1 oz per plant]</li></ul>											

<b>HOW MUCH TO APPLY</b> continued	Tree With One Trunk	Measure distance (in inches) around tree trunk at chest height. A flexible tape measure is the recommended method [tool]. Multiply the number of inches by 0.5 – this is the number of ounces of MERIT 2.94 TLC to apply.
	Tree With 2 or More Trunks	Measure the distance (in inches) around each tree trunk at chest height and add together. Multiply this total by 0.375 to get the required number of ounces of MERIT 2.94 TLC to apply. <b>Example:</b> A tree has 4 trunks. They measure 20, 10, 5 and 5 [inches] or a total of 40 [inches]. $40 \times 0.375 = 15$ ounces.
	Shrubs	Measure the height of the shrub to the nearest foot. Round any inches down to the nearest foot if less than 6" and up to the nearest foot if greater than 6". Multiply the number of feet by 1.5 – this is the number of ounces of MERIT 2.94 TLC to apply.
	Do not make more than one application per year.	
<b>HOW TO APPLY</b>	<ul style="list-style-type: none"> <li>• Fill a bucket or watering can with 1 gallon of water. [For trees with trunks greater than 50" around, use 2 gallons of water.]</li> <li>• Shake the bottle of MERIT 2.94 TLC well.</li> <li>[• Remove the MEASURE-UP™ Cup. Each marking inside is one ounce.]</li> <li>• Carefully measure required amount of product into bucket.</li> <li>• Slowly pour the solution evenly around the plant (tree/shrub). For best results, pour as close to the TRUNK/main stem of the tree or shrub as possible.</li> <li>• Fill the bucket with clean water and pour it around the trunk as well.</li> </ul>	
<b>FOR BEST RESULTS</b>	<p>Use this product as part of an overall tree, [and] shrub [and rose] health care program before problems start [preferably in the fall]. [However,] MERIT 2.94 TLC can be applied anytime except when the ground is waterlogged or frozen. These conditions inhibit the movement of the product down into the root zone. During prolonged dry periods [spells], water the tree/shrub well the night before making an application.</p> <p>[NOTE: Application to trees heavily infested may not prevent their eventual loss due to existing pest damage and tree stress.]</p> <p>For severe infestations, treat with a foliar insecticide such as MERIT + TEMPO Concentrate Insecticide II, then use MERIT 2.94 TLC as part of a routine care program.</p> <p>[Refer to [Consult] the [our] "MERIT 2.94 TLC Booklet/Kit" for additional [other] tree and shrub care [maintenance] tips [for more information].]</p>	
<b>HOW MERIT 2.94 TLC WORKS</b>	<p>The insecticide is absorbed by the roots and moves up through the tree or shrub providing year-long insect protection. MERIT 2.94 TLC even moves into new growth after application, thus protecting it, too! To get complete protection, the insecticide must distribute completely up through the plant. For very large trees this may take up to three months. Rain or water cannot wash off this internal protection.</p>	
	<p>The insecticide dissolved in water moves down through the soil, where it is absorbed by the roots. Once absorbed, it moves up through the tree or shrub providing year-long insect protection. This product even moves into new growth after application, thus protecting it, too! To get complete protection, the insecticide must distribute completely through the tree/shrub.</p> <p>Depending on the size and health of the plant this may take one week to three months (for very large trees.) Rain or water cannot wash off this internal protection.</p>	

	Children and pets may re-enter the treated area after it has dried.
---	---

<b>IMPORTANT: Directions for Storage and Disposal</b>	
<b>Storage Conditions</b>	Store in original container in a cool, dry place, out of the reach of children, preferably a locked storage cabinet. Protect from freezing.
<b>Disposal</b>	<p><b>If Empty:</b></p> <ul style="list-style-type: none"> <li>• Do not reuse container.</li> <li>• Place empty container in trash or offer for recycling if available</li> </ul> <p><b>If Partly Filled:</b></p> <ul style="list-style-type: none"> <li>• Call your local solid waste agency or toll free 1-877-229-3724 for disposal instructions.</li> <li>• Never place unused product down any indoor or outdoor drain.</li> </ul>

**NOTICE:** Research and testing have determined that the "Directions for Use" are appropriate for the proper use of MERIT 2.94 TLC under expected conditions. The Buyer assumes responsibility for lack of performance or safety if not used according to the directions.

**\*Money Back Guarantee:** If you are not satisfied with this product, we will gladly refund your original purchase price.
