Subject: Label Notification(s) for Pesticide Registration Notice 2007-4 and 2008-1

Dear Registrant:

The Agency is in receipt of your Application(s) for Pesticide Notification under Pesticide Registration Notice (PRN) 2007-4 and 2008-1 dated December 8, 2008 for:

**EPA Registration 72155-71 Imidacloprid +Tau-fluvalinate + Tebuconazole
RTU Insecticide, Miticide and Fungicide**

The Registration Division (RD) has conducted a review of this request for applicability under PRN 2007-4 and 2008-1, and finds that the label change(s) requested falls within the scope of PRN-2007-4 and 2008-1. The label has been date-stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on nonrefillable containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

If you have any questions, please contact me directly at 703-305-6249 or Banza Djapao of my staff at 703-305-7269.

Sincerely,

Linda Arrington
Notifications & Minor Formulations Team Leader

<p>To treat existing disease: apply at least 3 times, every 7-14 days apart beginning at the first sign of disease.</p> <p>To prevent diseases: apply at least 3 times, every 7-14 days apart during the growing season, starting when new leaves first appear.</p>	

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
For best results, be sure to read and follow all label directions.

<p>BEFORE YOU USE</p> <p>Read and follow these directions.</p>	<p>Apply the product to flowering plants during early morning or late evening, when bees are not present.</p> <p>Do not spray the product into fish pools, ponds, streams, or lakes.</p> <p>Remove animal feeding dishes prior to application.</p> <p>Do not use in small, enclosed areas where spray may be inhaled.</p> <p>For houseplants, move them outside, treat, let dry, and bring back indoors.</p> <p>Do not apply to fruits or vegetables used for food.</p>
<p>WHEN TO USE</p>	<p>When insects, mites, or disease first appear.</p> <p>To avoid serious damage, eliminate pests and diseases early in the season before they multiply.</p>
<p>HOW TO USE</p> <p>Shake well before using.</p>	<p>Adjust nozzle to desired spray pattern.</p> <p>Hold sprayer about 12 inches from foliage.</p> <p>Spray leaves, stems and tender new shoots.</p> <p>(ART: of steps above)</p> <p>Apply until both sides of the leaves are evenly coated with spray, but not dripping.</p> <p>(ART: spraying top and undersides of leaves)</p>
<p>HOW OFTEN</p>	<p>Kills insects on contact and keeps on killing for up to 30 days.</p> <p>For diseases, repeat every 7 to 14 days as necessary.</p>
<p>HOW IT WORKS</p>	<p>This product provides 3 way action: kills existing pests, forms protective barrier on outside of plant and is absorbed into the plant regardless of weather conditions. (This product provides 4 way action: kills insects on contact, controls mites, controls diseases, and keeps on protecting for (up to 4) weeks (provides long lasting protection).</p>

FOR BEST RESULTS

Do not wet the foliage within one hour after applying. To avoid serious damage to plants, eliminate pests and disease early in the season before they multiply.

Children and pets may re-enter the treated area after spray has dried.

Important – Directions for Storage and Disposal

<p>Storage Conditions</p>	<p>Store in original container in a cool, dry place, out of the reach of children, preferably a locked storage cabinet.</p>
<p>Disposal</p> 	<p>If empty:</p> <ul style="list-style-type: none"> • Non-refillable container. Do not refill or reuse container. • Place empty container in trash or offer for recycling if available. <p>If partly filled:</p> <ul style="list-style-type: none"> • Call your local solid waste agency or toll free 1-877-229-3724 for disposal instructions. • Never place unused product down any indoor or outdoor drain.
