AND POLLUTION PREVENTION

August 13, 2015

Norma C. Pangilinan, Ph.D.
Bayer CropScience LP
2 T. w. Alexander Drive
Research Triangle Park, NC 27709

Subject: Notification per PRN 98-10 – Change mixing directions; Add application methods; Add marketing claims related to the new applications method; Update Storage and Disposal section and other minor label changes.
Product Name: Lawn Herbicide 2Q Ready-To-Use
EPA Registration Number: 72155-85
Application Date: June 24, 2015
Decision Number: 506837

Dear Dr. Pangilinan,

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

If you have any questions, you may contact Karen Samek at (703) 347-8825 or via email at samek.karen@epa.gov.

Sincerely,

A handwritten signature in black ink that reads "Kathryn V. Montague".

Kathryn Montague, Product Manager 23
Herbicide Branch
Registration Division (7505P)
Office of Pesticide Programs

(Front Panel)

~~Bayer Advanced~~ Lawn Herbicide 2Q Ready-To-Use

(ABN: Bayer Advanced All-in-One Lawn Weed & Crabgrass Killer¹ Ready-to-Use)

FOR OUTDOOR RESIDENTIAL USE ONLY

Active Ingredients:

2,4-D, dimethylamine salt	0.313%
Quinclorac	0.104%
Dicamba, dimethylamine salt.....	0.029%
Other Ingredients:	99.554%
Total:	100.000%

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

- Harmful if swallowed
- Causes moderate eye irritation.
- Avoid contact with eyes, skin, or clothing.
- When using this product, wear long-sleeved shirt, long pants, socks, shoes, and rubber gloves.

After using this product:

- Rinse gloves before removing and wash hands.
- If product gets on skin, wash thoroughly with soap and water
- If product gets on clothing, remove clothing as soon as possible and launder clothing separately before reuse.
- Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

ENVIRONMENTAL HAZARDS

- This pesticide is toxic to fish & aquatic invertebrates. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters, or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.
- This chemical has properties and characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination. Application around a cistern or well may result in contamination of drinking water or groundwater.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

HOW TO USE	<ul style="list-style-type: none"> • Turn spray nozzle to coarse spray. • Hold sprayer about 12 inches from weed, aim at center of weed and spray to lightly cover. • Use this product only on established lawns.
Shake Well Before Use	
WHEN TO APPLY	<ul style="list-style-type: none"> • Apply when weeds are [young[small] and] actively growing. • Apply when the daily high temperature doesn't exceed 90° F (85° F for Bermudagrass). • Rain or watering 1 hour after application will not wash away effectiveness.
[FOR BEST RESULTS]	<ul style="list-style-type: none"> • [Apply when wind is calm to avoid spray drift onto desirable plants (fruits, vegetables, flowers, ground covers, shrubs & trees).] • [Repeat application in 2 weeks if needed for hard-to-control weeds.] • [Do not apply while grass is emerging from winter dormancy.] • [Newly seeded lawns may be sprayed after the fourth mowing.] • [Bare spots may be seeded 4 weeks after using this product.] • [Do not mow for 1 – 2 days after spraying [to allow weed killer to move throughout the weed].] • [Leave grass clippings on the lawn from the first 3 mowings after using this product. Do not use as compost or mulch.] • [Apply when weeds are young and actively growing] • [Rain or watering 1 hour after application will not wash away effectiveness] • [If lawn is dry, water 1 to 2 days before using this product. (Weeds take up herbicides best when not under stress).]

<p>REFILL</p>	<p>[Option for refilling 24 fl oz bottle] Add 1.6 fl oz (3TBS) of [Alternate Brand Name of Bayer Advanced Lawn Herbicide 2Q Concentrate] to this empty [24 fl oz] container. Top off with water, screw the sprayer back on and shake well. Refill does not contain SmartTrack™ spray marker.</p> <p>[Option for refilling 1.3 gallon bottle]</p> <ul style="list-style-type: none"> • Open the refill port cap. • Add 8.5 fl oz (17 TBS) of [Alternate Brand Name of Bayer Advanced Lawn Herbicide 2Q Concentrate] to spray bottle. • Fill sprayer with water to 1 gallon fill line. • Replace cap, tighten, and shake well.
<p>HOW IT WORKS</p>	<p>Bayer Advanced Lawn Herbicide 2Q Ready-To-Use contains three proven weed killers to control lawn weeds & crabgrass, roots and all. And it won't harm your lawn when used as directed. Weeds begin to die within [24] hours and are completely dead in 14 – 28 days.</p>

[optional instructions for use with 1 gallon sprayer]

<p>[For 1 gallon]</p> 		
<p>ATTACH SPRAYER</p> <ul style="list-style-type: none"> • Remove sprayer from bottle and extend hose. • Open flip-cap on bottle. • Insert hose and plug into flip-cap opening until it snaps into place. 	<p>SPRAY</p> <ul style="list-style-type: none"> • Adjust nozzle to stream or spray position. • Point sprayer downward and squeeze trigger repeatedly until liquid is released. 	<p>AFTER USE</p> <ul style="list-style-type: none"> • Turn sprayer nozzle to X (off) position. • Do not unplug hose. • Return sprayer to bottle. Sprayer will snap into place.

<p>[Instructions for use with twin pack]</p> 		
<ul style="list-style-type: none"> • Empty Bottle: Remove entire sprayer assembly from empty bottle by unscrewing the cap in a counter clockwise direction. 	<ul style="list-style-type: none"> • Full Bottle: Remove entire cap from full bottle by unscrewing in a counter clockwise direction. 	<ul style="list-style-type: none"> • Full Bottle: Insert tube and attach entire sprayer assembly to full bottle; screw cap on securely in clockwise direction.

[optional instructions for use with battery-operated 1.3 gallon sprayer]

- **[Battery-operated trigger sprayer:** This product is applied directly from the container using the battery-operated trigger sprayer. The sprayer is packaged with the battery installed. To use, remove the cap from the container, insert the pickup tube and thread cap attached to pickup tube to the container. Move the safety lock located below the trigger to the "ON" position. Pull trigger, waiting several seconds for fluid to prime. Adjust the sprayer tip to deliver coarse spray droplets. To store, move the safety lock located below the trigger to the "LOCK" position.]

[Option 1]

How to Attach Sprayer to Bottle

- Remove Power Sprayer from side carrier.
- Pull battery tab to remove.
- Fully extend hose from bottom of sprayer.
- Open flip-cap on bottle.
- Insert hose and plug into flip-cap opening until it snaps into place.

How to Spray

- Point Power Sprayer away from body.
- Adjust sprayer nozzle to desired setting.
- Squeeze trigger to dispense product.

Sprayer may require several seconds to prime before spraying.

After Use

- Turn sprayer nozzle to X (off) position.
- Do not unplug hose.
- Return Power Sprayer to side carrier for storage.
- Do Not reuse Power Sprayer with any other product or on any other container.

Proper use of Batteries

- Never mix old batteries with new.
- Do Not mix Alkaline with Standard (carbon zinc) or Rechargeable (nickel cadmium) batteries.
- When replacing batteries, follow diagram inside battery compartment.
- When storing sprayer at end of season, remove batteries to prevent leakage.
- Follow manufacturer's recommendations for disposal of batteries.

[Option 2]

<p>HOW TO ATTACH SPRAYER TO BOTTLE:</p> <p>Remove Power Sprayer and hose from side carrier.</p> <p>Replace bottle cap with cap attached to Power Sprayer hose.</p>	<p>PREPARE TO SPRAY:</p> <p>Point Sprayer away from body.</p> <p>Adjust nozzle to desired setting. [Do not turn past "X" position].</p> <p>Slide safety switch to ON position.</p>	<p>SPRAY:</p> <p>Squeeze trigger to dispense product. Sprayer may require several seconds to prime before spraying.</p> <p>AFTER USE:</p> <p>Slide safety switch to LOCK position. Return Power Sprayer to side carrier for storage.</p>

4AA Batteries Included: For important battery information- see booklet

PROPER USE OF BATTERIES: Never mix old batteries with new. Do not mix Alkaline with Standard (carbon zinc) or rechargeable (nickel cadmium) batteries. When replacing batteries, follow diagram inside battery compartment that is located at the bottom of the sprayer. When storing sprayer at end of season, remove batteries to prevent leakage. Follow manufacturer's recommendations for disposal of batteries.

[Option 3]

How To Use Your Sprayer:

- 1. Remove ERGO-GRIP spray wand from pocket**
 - Remove wrap from coiled hose
 - Remove protective battery strip from sprayer handle

2. REMOVE STICKER & CAP COVER

- 3. CONNECT HOSE TO CAP**
Insert plug at end of coiled hose into hole on cap and push firmly until secure.

Remove sticker and cap cover before inserting hose plug.

4. OPEN SPRAY WAND

- Unfold spray wand until it snaps into place
- Point spray nozzle away from body.
- Adjust spray nozzle to desired setting.

5. TURN POWER ON

Slide OFF-ON switch to ON position.

6. SQUEEZE

- Squeeze trigger to dispense product. Sprayer may require several seconds to prime before product is released.
- Release trigger to stop spraying.

4 AA Batteries Included
For important battery information – see booklet.

Storage

- Slide OFF-ON switch to OFF position.
- Do not unplug hose. Leave connected to cap.
- Turn spray nozzle to the off position.
- Fold spray wand down against sprayer handle.
- Return ERGO-GRIP spray wand to pocket for storage.

To Replace Batteries

- Open battery compartment [with a small screwdriver].
- Remove used batteries and replace with new batteries in correct position as indicated inside battery compartment.
- Securely close battery compartment door [and screw closed].

Proper use of Batteries

- Never mix old batteries with new.
- Do Not mix Alkaline with Standard (carbon zinc) or Rechargeable (nickel cadmium) batteries.
- When storing sprayer for long periods, remove batteries to prevent leakage.
- Dispose of used batteries according to manufacturer's instructions or in household trash.

Kills over 200 weeds including:		
Barnyardgrass	Field Bindweed	Red sorrel

	Do not apply this product in a way that will contact any person, pet either directly or through drift. Keep people and pets out of the area during application. Do not allow people or pets to enter the treated area until spray has dried.
---	--

Important—Directions for STORAGE AND DISPOSAL	
Storage Conditions	Return spray nozzle to closed position. Store in original container in a cool, dry place, out of the reach of children, preferably a locked storage cabinet. Protect from freezing.
Disposal Container Handling 	Non-refillable container. Do not reuse or refill this container unless the directions for use allow a different (concentrated) product to be diluted in the container. If empty: Offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTICE: Research and testing have determined that the “Directions for Use” are appropriate for the proper use of this product under expected conditions. The Buyer assumes responsibility for lack of performance or safety if not used according to the directions.

***Money Back Guarantee:** If you are not satisfied with this product, we will gladly refund your original purchase price.
