This listing is not OMRI certification or endorsement and cannot be construed as certification or listing by any of OMRI's subscribing certifiers. Final decisions regarding the acceptability of use of the product and any restrictions on its use under any particular certifier's program are made by the certifier that still has the right to decline OMRI's recommendation. Producers and handlers still need to contact their certifiers for information as to whether or not this material may be used in organic production or handling.

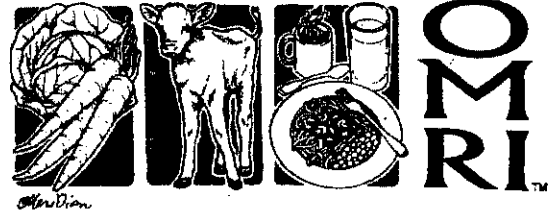

* See the most current *OMRI Generic Materials List* for more information plus annotations and restrictions.

David Anderson
Woodstream Corporation
69 N Locust St
Lititz, PA 17543

Dear Mr. Anderson:

Thank you for applying to the Organic Materials Review Institute for brand name product review.

The OMRI Review Panel has reviewed Woodstream Corporation's product, Safer Brand Ant Killer, and has determined it is Allowed for use in organic production in the category of botanical pesticides. This listing indicates that your product meets organic standards based on OMRI's most current *Generic Materials List* and *Operating Manual*, which are based on the requirements of the USDA National Organic program at 7CFR Part 205, as well as good faith acceptance of the documentation provided to support your application. In our opinion, your product meets the NOP requirements for organic production.

Subscribing certifiers, state programs, individuals, and businesses will receive information regarding the OMRI status of Safer Brand Ant Killer in the next quarterly update. This listing is not OMRI certification or endorsement, and cannot be construed as certification or listing by any of the subscribing certifiers. Final decisions regarding the acceptability of use of the product, and any restrictions on its use under any particular certifier's program, are made by that certifier who has the right to decline OMRI's recommendation. Producers and handlers still need to contact their certifiers for information as to whether or not this material may be used in organic production or handling. OMRI is not responsible for any losses that may occur as a result of this listing or the actions of OMRI subscribers as the result of this listing. Also, OMRI listing does not imply that the product has been registered for use by the appropriate state or Federal agencies.

Enclosed are OMRI's seal and wording options to use on labeling and promotional literature to promote a listed product plus a document showing the product's listing with OMRI. Any use of OMRI's name outside of this sanctioned policy may result in a product being removed from the list or further action against the company that violates that policy. OMRI reserves the right to remove any product from its list at any time.

This letter serves as the Final Response Letter to Woodstream Corporation regarding the status of Safer Brand Ant Killer. If Woodstream Corporation wishes to appeal this decision, please refer to the "Appeals" section in the most current *OMRI Operating Manual*.

Woodstream Corporation needs to annually renew Safer Brand Ant Killer for that product to remain on the *OMRI Brand Name Products List*. The annual listing period starts with the date of this letter. OMRI sends renewal reminder packets during the last quarter of the product listing. See the most current *OMRI Operating Manual* for more details.

Again, thank you for your participation in the OMRI Materials Review Program. Please let us know if we can be of any further assistance.

Sincerely,

Cindy Douglas

Safer Fire Ant Killer

PRECAUTIONARY STATEMENTS:
HAZARDS TO HUMANS AND DOMESTIC ANIMALS:
 WARNING: May cause eye injury. Do not get in eyes, on skin, or on clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Wash eye protection when making concentrate with water. Harmful if swallowed. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

	FIRST AID
If Swallowed:	<ul style="list-style-type: none"> Call poison control center or doctor immediately for treatment. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.
If on Skin or Clothing:	<ul style="list-style-type: none"> Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call poison control center or doctor for treatment advice.
If in Eyes:	<ul style="list-style-type: none"> Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call poison control center or doctor for treatment advice.

Fire Ant Killer

- Mound drench
- Contains a botanically derived insecticide

ACTIVE INGREDIENT:
 1-Phenanthrene (5.6 Isomer) 76.20%
 Total 76.20%

Concentrate!
 16.5% (1.0 lb. / 454 g)

KEEP OUT OF REACH OF CHILDREN
WARNING/AVERTENCIA
 Para evitar quemaduras, no permita que los niños jueguen con este producto. Mantenga este producto fuera del alcance de los niños. No lo use en áreas donde los niños jueguen.

© 2004 Woodstream Corporation. All rights reserved. For more information, visit our website at www.saferbrand.com.

Plant Damage:
 Do not use in areas where soil is eroded or spray come in contact with lawn, shrubs, or other desirable plants, since injury may result.

DILUTION CHART	Safer Brand Fire Ant Killer	Water
2.0 fl. oz.	0.5 gal.	
4.0 fl. oz.	1.0 gal.	
6.0 fl. oz.	1.5 gal.	
8.0 fl. oz.	2.0 gal.	

SOIL MOUND DRENCH:
 Use the appropriate rate of Safer® Brand Fire Ant Killer with enough water to ensure that the fire ant mound is completely saturated. Consult the dilution chart for the appropriate dilution rate. Apply the soil drench in the early morning hours before the fire ants become active. Apply the soil drench in a circular motion starting at the base of the mound and continuing to the top. Do not drench the soil through the mound. The soil should be moist, not saturated, by the time the drench is applied. Do not drench soil drench solution overnight.

STORAGE AND DISPOSAL:
 Store in a cool, dry place. Use only in or on a locked container and out of the reach of children, preferably in a locked storage area.
Precautions: If Empty: Do not reuse this container. Place in trash or other container if reusable.
If Full: Follow label instructions for disposal. Do not reuse for other purposes. If Full: Place container in a locked outdoor bin.
