AUG 14 2013

Subject: Security Equipment Corporation; Protector Dog Deterrent
EPA Registration No. 72265-3
Amendment to Change Name and to Add Statement Referring to Booklet Format
S# 932614, Application Dated 3/29/13

Dear Ms. Robbins:

The amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(7)(A), is acceptable provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit two (2) copies of your final printed labeling before you release the product for shipment. Final printed labeling means the label or labeling of the product when distributed or sold. Clearly legible reproductions or photo reductions will be accepted for unusual labels, such as those silk-screened directly onto glass or metal containers or large bags or drum labels.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(b). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

If you have any questions contact Chris Pfeifer at 703-308-0031 or by email at:
pfeifer.chris@epa.gov.

Sincerely,

Linda A. Hollis, Chief
Biochemical Pesticides Branch
Biopesticides and Pollution
Prevention Division (7511P)

ACTIVE INGREDIENTS:

Capsaicin and Related Capsaicinoids* 1.0%
INERT INGREDIENTS 99.0%
TOTAL 100.0%

* Includes 0.65% Capsaicinoids and 0.35% other Capsaicinoids derived from Oleoresin of Capsicum

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye and skin irritation from spray or touching or rubbing eyes with contaminated fingers or gloves. Do not get in eyes, on skin or on clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing, and wash clothing before reuse.

Contact FAA for air travel restrictions.

FIRST AID

Have label with you when obtaining treatment advice. **IF ON SKIN OR CLOTHING** – Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center, doctor, or 1-800-858-7378 or 1-800-222-1222 immediately for treatment advice. **IF IN EYES** – Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center, doctor, or 1-800-858-7378 or 1-800-222-1222 immediately for treatment advice.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water by disposing of unused materials.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS: This product may only be used to deter dogs that are attacking, or appear likely to attack, humans. This product may not be effective in all situations or prevent all injuries. Do not spray this product on objects or humans; such use has no deterrent effects on dogs. Do not seek out encounters with dogs or intentionally provoke them. Keep safety closed except when practicing with, or using, the product. Do not eat, or allow to be eaten, any food or feed that may have become contaminated with this product. The effectiveness of this product against trained attack dogs has not been established.

This product has an effective range of 12 feet.

The canister empties in approximately 13 seconds.

APPLICATION DIRECTIONS: When a dog threatens, turn actuator 45 degrees to "ready" position. Place finger on actuator tab. Point nozzle, depress actuator tab, and spray directly towards dog's eyes, nose, and mouth for a burst of spray, having a maximum range of 12 feet. After dog has been sprayed, back away slowly to limit personal exposure to spray. This product provides about 14, one-second, bursts of spray.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage: Store only in original container, in a dry place inaccessible to children and pets. Do not store in places where the temperature is above 120°F or below 32°F. Do not store in hot car.

Pesticide Disposal and Container Handling: Do not Puncture or Incinerate! **If empty:** Press valve to release all pressure. Place in trash or offer for recycling, if available. **If partly filled:** Call your local solid waste agency for disposal instructions.

LIMITED WARRANTY

If this product fails to work at any time before its expiration date due to a manufacturing defect, return it to Security Equipment Corporation for a replacement. This warranty does not cover products which have been abused, altered or damaged. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, SECURITY EQUIPMENT CORPORATION DISCLAIMS ALL OTHER IMPLIED OR EXPRESS WARRANTIES OF MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE.

LIMITATION OF LIABILITY

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, this limited warranty is your sole remedy and SECURITY EQUIPMENT CORPORATION shall not be liable for any damages, whether direct, indirect, incidental, special, consequential, exemplary or otherwise, including lost revenues and lost profits, arising out of any theory of recovery, including statutory, contract or tort. In no event will SECURITY EQUIPMENT CORPORATION'S entire liability exceed the purchase price of this product. Some states and provinces do not allow the exclusion or limitations of incidental or consequential damages so the above limitations or exclusions may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state and province to province.
