Re: Notification per PR Notice 98-10 to fix a typographical error
Product: HyPure® Bleach MP1, EPA Reg. No. 72315-17
Company: Olin Corporation, D/B/A Olin Chlor Alkali Products

Dear Ms. Harris:

On behalf of Olin Corporation, I am submitting a notification per PR Notice 98-10 to fix a typographical error for HyPure® Bleach MP1, EPA Reg. No. 72315-17.

We noticed that because of a computer problem, the symbol "≤" did not print and was inadvertently left off the label that was stamped on 12/19/11. This symbol was on the EPA stamped label dated 10/5/11. This notification is intended to put the symbol "≤" back on the label so there will be no problems with State reviews. The symbol "≤" can be found on the bottom of page 2, after the Storage and Disposal information, and is marked.

There are no other changes to the label.

Enclosures

- EPA form 8570-1
- 1 copy of the label marked to show changes
- Copy of EPA stamped label dated 12/19/11 showing symbol "≤" missing
- Copy of EPA stamped label dated 10/5/11 showing symbol "≤" on label

If you have any questions regarding this submission, please contact me at 301-680-7971 or cgriffin@delta-ac.com.

Sincerely,

Cristina Griffin
Agent for Olin Corporation
